Urgent Plea For Help For Victims of Canada's Worst Flood Disaster

Stirling and District Citizens May Leave Donations With F. R. Mallory, Treas.

Eighty thousand voices ask for help. Is it a cry of despair? No. It is a cry of hopelessness? No. It is one of determination to rebuild in the ruins — a cry of faith in the ability of an inundated province to make a comeback.

The proud people of a proud province have been hit hard.

Their farmlands lie at the bottom of a lake that spreads its destructive length from the international boundary to the heart of Winnipeg. Their homes are abandoned shells. Silt-laden flood waters swirl beneath the eaves-troughs. Furniture that was raised above any previous flood level is floating like buoys on a sullen sea.

If by their own efforts, those 80,000 homeless could restore their land, their homes, their towns, their city, they would do it.

But they cannot do it alone. Not even the spirit that built the dikes, not even the courage that turned back the flood waters is enough.

Manitoba must have help. She has asked for it through the Manitoba Flood Relief Fund.

Stirling has established a Manitoba Relief Fund and appeals to the citizens of the community to help out.

Help those who have been hit hard — not yourself.

Make your donations to F. R. Mallory, Village Treasurer.

The following donations have been received to date:

McIntosh & Wells	\$ 20.00
Stirling Motors Ltd.	20.00
Stirling News-Argus	10.00
E. D. Ketcheson	5.00

Engagement

Mr. and Mrs. John Ackers wish to announce the engagement of their eldest daughter, Agnes Marie, to Lyle Bernard Hay, son of Mr. and Mrs. Fred Hay, of Campbellford. Marriage to take place June 24th.

Interne At McKellar Hospital

Fred Eggleton, who has been spending a few days here with his mother Mrs. N. E. Eggleton, leaves on Saturday for Fort William, where he will be Junior Interne at McKellar Hospital for the summer months.

Bonarlaw School Pupils Broadcast

On Saturday, May 27th, the pupils of Bonarlaw School, under the direction of Miss M. McKee, music supervisor, broadcast a fifteen-minute program of music from CJBQ in Belleville.

The programme began with a three-part song, "Ho-ay-Ho My Laddies," followed by a two-part song, "The Song of the Gondolier." "Swing Low Sweet Chariot," in three parts, with Laura Fraser singing the solo part, followed.

The last two songs were three-part songs, "Polly Wolly Doodle" and "Campdown Races." Those taking part were:

Soprano — Laura Fraser, Barbara, Neal, Darlene Newton, Doris Morrow, Sandra and Jane Hewitt, Douglas Morrow, Barry Wellman and John Williams.

Tenor — Harold Huycke, Garland McCoy, Eric Romboing.

Those accompanying the children were Mrs. A. V. Brown, Mr. and Mrs. Ronald Brown, Mrs. Gordon Webb, Mr. W. E. Neal and the teacher, Mrs. Geo. Williams. A special thank you is given to Miss McKee who made the broadcast possible and so skillfully directed and trained the children.

Service Bureau Officer Coming

Mr. C. Lowe, Service Bureau Officer of the Canadian Legion, Ontario Provincial Command, will be visiting the Stirling Branch between the hours of 10.00 a.m. and 12 a.m. on June 19th, 1950.

Any veteran, or their dependents, who would like any assistance or advice with problems concerning war pensions, allowances, treatment, or general welfare, are asked to contact F. W. Houchin or R. D. Patterson, who will be pleased to arrange an interview.

Win Hams

Three pairs of local bowlers attended the opening tournament in Campbellford yesterday afternoon. Rain interrupted play and it was found impossible to finish the tournament. In a draw conducted for the winning prizes Walter T. Elliott and X. P. Mayhew, and Dr. E. A. Carleton and R. E. Fox won hams.

F. R. Mallory and R. A. Patterson were the other local bowlers in attendance.

Injured In Crash

Douglas Bateman, who is employed at Shamrock Cheese Factory, suffered a broken arm and a gashed forehead when his car went out of control and took "the ditch" on Highway No. 14 just north of the village last night.

Chas. Justice and All-Stars Thrill Fans

In spite of the inclement weather close to one thousand softball fans witnessed the game between "Turk" Broda's All-Stars and Stirling Legion at the Community Recreation Field on Saturday night, under the auspices of the Stirling Rotary Club.

The All-Stars included such well known Toronto Maple Leaf Hockey players as Broda, Joe Klukay, Cal Gardiner, Fleming Mackell, Bill Ezlinicki, Sid Smith and Jimmy Thompson; Ed Harrison, of Boston Bruins, and Webster, of New York Rangers, as well as Charlie Justice, big colored pitcher for the world champion Toronto Tip Tops.

The crowd got a big "kick" out of watching this colored boy bewilder the local batters with his dazzling speed and assortment of hooks. He also confused the local hitters when he pitched several balls from behind his back.

Dr. R. Vandervoort acted as master of ceremonies and introduced the players of both teams. The umpires were plate, Harry Brown; bases, Jack Armstrong and Don Rodgers.

Locals Lose To Hastings

Stirling Intermediates dropped their first game in the Trent Valley Softball League to Hastings on Monday night by a score of 7 to 3. The game was played at the local Recreation Field and was witnessed by a good crowd of fans. A good brand of ball was displayed by both teams for so early in the season.

Smith was on the mound for the locals, with Jimmy Wright behind the plate for the first eight innings and Don Rodgers replaced Smith in the ninth. For the victors, West and Pite formed the battery. Failure to hit with men in scoring position accounted for the locals' defeat.

The fielding feature was provided by F. Donohoe, local shortstop, who went back into short left field in the fourth inning to take a "blooper" even though he collided with Utman who was also attempting to make the catch.

Stirling 0 0 0 1 0 2 0 — 3
Hastings 1 0 0 3 0 1 0 2 — 7
Umpires—Sheeney, plate; Brooks on bases.

VISITOR TELLS OF MANITOBA FLOOD

"When I left my home in St. Vital, Man., all I could save was stored upstairs, my chesterfield and stove were part way up the stairs and were partially submerged in the flood waters," stated "Steve" Smith, who was a visitor at the home of Mr. and Mrs. Earl Fox Monday and Tuesday of this week.

He told the News-Argus of working nine days with but two hours rest each night in the battle against the water; of the town of Morris, where not one of its 1400 inhabitants were able to remain; of the great battle put up by thousands of volunteers, and of the great need for financial assistance.

Mr. Smith was employed by Mr. Thos. Spry for some time following the first war and will be remembered by many of the older residents. He is now employed by the T.C.A. and has been transferred to Malton. His wife and son are now in Regina but will rejoin him as soon as he can establish a home in Toronto district.

Young Marrieds Enjoy Address On "Ethiopia"

The regular meeting of the Young Marrieds' Club of St. Paul's United Church, was held on May 17th in the Church. The President David Duffin opened the meeting with the singing of a hymn, after which Rev. Baker led in prayer.

Plans were made for the annual Club Picnic to be held at Oak Lake on June 11th. Cars will meet at the Church at 4.30 and 6.30 p.m. Everyone to bring a basket. Mrs. Roy Tucker consented to act as Secretary following the resignation of Mrs. Lloyd Graham.

Mrs. Ralph Uutman, leader of Group One carried on the balance of the meeting. Hymn 126, "Lead Kindly Light," was sung followed by a vocal solo by Mrs. Lloyd Graham.

Guest speaker, Mr. John Mahon, was introduced by Mrs. Utman. He gave a most interesting resume of his experiences in Ethiopia, which was highlighted with two reels of coloured motion pictures. A comedy act and a contest conducted by Mrs. Harry Vandervoort were much enjoyed, after which the members of Group One served refreshments. Mr. Tod Reynolds expressed a vote of thanks to the guest speaker and Group One for a most enjoyable meeting.

Bowlers Plan Official Opening Monday Next

The lawn bowling season which has been so long coming over the horizon has finally reached us and Stirling Lawn Bowling Club would like to make this season one of the best in its history.

The greens, under the able supervision of Mr. Thomas Kerr, are in excellent condition for playing right now and although there has been no official opening of the Club a few of the "Old Sweats" have already been up and enjoyed the odd game. The Club needs new members and a hearty invitation is extended to everyone who would like to try out his or her prowess at the ancient and honourable game of bowls.

The official opening will be held at the green on Monday evening next, June 5th. A "pot-luck supper" will be served at 6.30 p.m., following which a series of games will be played. So all of you folks who would like to try out the game come along to the supper and enjoy our goodfellowship. If you are unable to attend the supper come up about 7.15 p.m. Bowls will be provided if you have not as yet procured a pair. All we ask is that you wear soft soled shoes to protect the green.

So let us see a good crowd of prospective bowlers. You can rest assured that you will enjoy yourselves to the limit.

Lady Bowlers Choose Officers

Mrs. R. T. Burgess Elected As President — Opening Planned For Monday Next

The annual meeting of the Stirling Ladies' Lawn Bowling Club was held at the home of Mrs. Nora Wescott and Mrs. Nina Morton on Monday, May 29th, with a good attendance of members.

The election of officers resulted as follows:

President—Mrs. R. T. Burgess
Vice-President—Mrs. R. E. Fox
Treasurer—Mrs. Nora Wescott
Secretary—Miss Rosa Spry

Lunch Committee—Mrs. W. T. Elliott, Mrs. E. A. Carleton and Mrs. A. Fraser.

Prize Committee—Mrs. Nina Morton, Mrs. W. T. Elliott, Miss Grace Carleton

Games Committee—Mrs. W. J. Whitty, Mrs. E. Jackman, Miss Catherine Wright.

Official Opening
Plans were made for holding the official opening of the Club on Monday night, next, June 5th, with a pot-luck supper at 6.30 p.m. Following the supper bowling will be enjoyed. Every bowler or prospective bowler is cordially invited.

Two open tournaments were planned for the coming season, the first on Tuesday, July 11th, and the second, Wednesday, August 16th. Both will be "Trebles."

Win Over Frankford

Stirling Public School softball team scored a double victory over Frankford Public School during the past week. On Tuesday last week they won in Frankford by a score of 11 to 10 and on Friday defeated the visitors 10 to 7 at the local school grounds.

I.O.D.E. Makes Grant For Relief Fund

Members of the Hon. J. R. Cooke Chapter I.O.D.E. met at the home of Mrs. Geo. Crown on Thursday night last. The meeting was in charge of Mrs. R. B. Bell, Regent.

A report was tabled showing \$102 raised for the Trenton Memorial Hospital Fund, and a donation of \$25.00 was made to the Manitoba Relief Fund.

Mrs. H. Wells, Mrs. C. Potter, Mrs. Earl Green, Mrs. Maurice Bell, Mrs. Ed. Warren, Mrs. Don Ross and the Regent were named as the Trenton Memorial Hospital Committee.

Plans were completed for holding a lilac tea in aid of the Hospital Fund, and for a tour of the Trenton Hospital on June 29th.

Death Claims Mrs. M. A. Baker

Mrs. Matilda Ann Baker, widow of Edward Baker, and a former resident of Stirling, died in St. Joseph's Hospital, Hamilton, on Saturday last after an illness of one week's duration.

The late Mrs. Baker, who was in her 79th year, was born at Ivanhoe and was a daughter of the late Mr. and Mrs. Nelson Reid. For many years she resided in Stirling where she was held in high esteem by a wide circle of friends, to whom her death has brought genuine feelings of regret. For the past nine years she made her home with her son, Clifford N. Baker, at 38 Roanoke Road, Hamilton. She was a member of the Presbyterian Church.

Surviving her besides her son in Hamilton are one sister, Mrs. Harvey Johnson, Frankford; two brothers, Willard Reid, Belleville, and George Reid, Frankford; and one grandson, Harold E. Baker, of Pembroke.

The funeral took place at the Duffin Funeral Home at 2 p.m. on Wednesday, with Rev. W. H. V. Walker, of St. Andrew's Presbyterian Church, Stirling, officiating.

The pallbearers were Messrs. Fletcher, Leonard, Clifford, Harold and William Reid and John Nelson. Interment in Stirling Cemetery.

F. Stone Appointed Assist. Agricultural Rep. For Hastings Co.

Announcement has just been made by the Ontario Department of Agriculture, Stirling, that Mr. Frank Stone, a native of Fortar, in Leeds County, has been appointed Assistant Agricultural Representative for Hastings, with duties to commence on June 1st.

Mr. Stone comes from one of the best farms in Leeds County where an outstanding herd of Holstein cattle known as Lockwood Holsteins is kept. This herd has been on R.O.P. for a number of years and recently the Stone family has purchased two outstanding animals to add to the fine herd. It is also rather interesting to note that Mr. Stone's father was one of the organizers and the first president of the Leeds Cattle Breeders' Association, which was the first experimental and demonstration artificial association started by the Live Stock Branch in Ontario.

An older brother, who is a graduate from the Kemptville Agricultural School, is now running the farm, with the father, and a younger brother has just completed his first year at the Ontario Agricultural College. Frank has been very active in calf club work, and is graduating this year from the Ontario Agricultural College in the Animal Husbandry option.

In 1948 he acted as Assistant Agricultural Representative for two months in Leeds County. In 1949 he was Assistant Representative in Lanark and Leeds counties where he worked alternately between the two counties for approximately 5 months. His conscientious and efficient work was much appreciated by those among whom he worked, particularly club members and junior farmers. Frank was a member of the Ontario Agricultural College Meat Judging Team at Chicago last fall, and was runner-up for the Live Stock Judging Team.

We are sure that the Juniors and Seniors will welcome him to the county, and wish him well in his chosen work.

Joins Navy

Ross H. Hermonston left Sunday morning to report to H.M.C.S. "Cornwallis," Nova Scotia, to begin the twenty-one weeks of basic training in R.C.N. On completion of this course Ross will have thirty days' leave before beginning training as an administrative writer.

Shower Held For Bride-To-Be

On May 22nd, a surprise shower was held for Miss Marie Ackers at the home of Mrs. Bruce Armstrong and June.

The bride-to-be was presented with an automatic iron and a search was made by Marie for other gifts in the room.

A very enjoyable evening was spent playing cards and small prizes were presented to the winners. Marie thanked all present and invited all to come and visit her in her new home.

A dainty lunch was served by the hostess.

Public School Staff Engaged

Report of Teachers' Committee Is Adopted At Regular School Board Meeting

The staff of the Stirling Public School for the coming year is now complete, according to the report of the teachers' committee, which was adopted at the regular monthly meeting of the Public School Board held on Monday night.

New Principal

W. C. Hall, of Beaverton, Ont., has been appointed principal to fill the vacancy caused by the resignation of C. A. Wells, after fifteen years' service. Mr. Hall, who is a graduate of Toronto Normal, has had five years' experience as principal of urban schools and comes highly recommended by his inspector. He is married and has two children.

Mrs. Clarke Rodgers, of town, has been engaged as an additional teacher to the former five-teacher staff and will have charge of grade five and part of four. She has several years successful teaching experience and has been on the staff of the Frankford Public School for the past two years. She holds certificates in music and art and will have charge of musical instruction throughout the local school, who have been re-engaged, are Mrs. G. Heath, Miss N. Montgomery, Miss G. Huffman and Mrs. R. B. Bell.

Principal C. A. Wells reported that the prevailing epidemic of mumps was affecting the school attendance considerably, with as many as twenty-two pupils being absent from one room at one time, and would affect the legislative grant based on average attendance. Some of the pupils were also absent with whooping cough.

He also requested a statement from the secretary of the Board, confirming his fifteen years' service at the local school, which was granted.

Chairman R. E. Fox reported that the new school play grounds had been levelled off; the tile beds disturbed in the levelling process had been replaced and the grounds were ready for use. The questions of fencing and top-dressing were discussed and were left in abeyance.

The resignation of Mr. C. A. Wells as principal of the local school was tabled and accepted with regret by the Board on motion of Messrs. Tompkins and Patterson.

The report of the teachers' committee was presented by H. R. Tompkins and was accepted on motion of R. A. Patterson and Dr. E. A. Carleton.

The following accounts were presented by R. A. Patterson, chairman of finance, and were ordered paid:

General account — Thos. Nelson & Sons, \$29.26; R. A. Hermiston, \$4.05; G. B. Noble, \$2.83; Sutherland & Graham, \$7.80; Bird's Grocery, \$4.64; Macklin's Groceries, \$5.40; C. A. Wells, \$20.45; Don Francis, \$80; Ontario-Intelligence, \$1.88.
Building Account — C. B. Rollins, \$3.00; J. B. Belshaw, \$3.05; Earl Fox, \$49.25; Roger Stewart, \$3.00; Harry Morrow, \$8.70; J. B. Belshaw, \$5.10; Harry Cooke, \$465.00.

Engagement

The engagement is announced of Evelyn Mae, eldest daughter of Mr. and Mrs. Clarence Scea, Stirling, to David Vernon, eldest son of Mr. and Mrs. Arthur Brant, Shannonville, the marriage to take place, June 24th.

St. Paul's-Carmel Silver Jubilee Year Briefs

(By Rev. A. E. Baker, U.E.)

The impressive list of gift furnishings included in the Anniversary brochure of St. John's may awaken the interest of many United Church folk who have overlooked this wonderful channel of tribute and memorial gifts.

St. Paul's presents many suggestions including new lighting (memorial lanterns) to replace obsolete cluster lights; pedestal lights at the church entrance; memorial doors both outside and inside; cash gifts toward an endowment fund; memorial chimes in the tower; a small piano or organ for the ladies parlor; a motion picture machine; large pedestal electric fans for the church auditorium; additional pew bibles and an electric clock.

Woman's Missionary Societies of the Cobourg Presbytery are commended for their gifts of a beautiful communion table, lectern and pulpit to the Batawa Church.

The Reeve and Council of Rawdon as well as their genial road superintendent, are thanked for the start made in improving the little Cemetery Road at Carmel.

The trustees of the Eggleston School are commended for the fine Union Jack displayed at the school on Victoria Day. A flag pole would enhance its value.

Flags displayed at the High School, Post Office and by citizens Patterson, Black, Carleton, Baker, Wells, Bradshaw, Martin, Wright and others delight our visitors and honour our loyalist forebears. Let the flags fly!

The M and M appeal will be released next week. It calls for an every person participation if we are to reach the target of \$1640. H.Q. invites us to give leadership to the Presbytery this year.

Gifts to the special Manitoba Relief Fund may be made to Mr. C. E. Macklin or Mrs. Charles Bailey for transmission through the United Churches H. Q. or to the civic relief committee.

Sunday School Anniversary and Flower Sunday will be marked next Sunday. Flowers should be brought to the Church in great quantity either Saturday afternoon or early Sunday morning.

Plan to hear a Stirling High School graduate in the person of Rev. Morley Clarke, in the morning and a noted Padre, Major the Rev. John Foote, V.C., hero of Dieppe at night next Sunday at St. Paul's. The Sunday School will welcome gifts for its work.

The caterpillars have started to crawl in millions in certain parts of Sidney. Everyone should co-operate

with forestry and health authorities in a vigorous warfare against all destructive insects and pests. Pools of stagnant water and roadways might well be oiled to combat the mosquito. The call to a general clean up by our Officer of Health should be given priority.

Congratulations to Wellman's (Rawdon) Woman's Association, whose report indicated that its 22 members were first in this large Presbytery, raising \$1015.86 or over \$46 per member in 1949. Bethel (Rawdon) was a close second with \$41 per member. With this inspiration we ought easily to clear that \$1640 M.&M. allocation on June 11th.

St. Paul's Stirling Woman's Association rated first place for the number of visits made. A total of 487 was reported being an average of 9 per member. With such Pastoral assistance St. Paul's should flourish. Carmel (Town-Line) was second with 265 visits, an average of 8 per member. Carmel raised \$11 per member and St. Paul's \$20 per member.

Mrs. Adam Armstrong donated a new Bible for St. Paul's last Sunday. It was formally dedicated at the morning service.

A number of Young People from Oak Lake Camp were welcome worshippers at St. Paul's last Sunday.

Plan to bring your holiday and weekend visitors to church with you.

Veterans are expected in large numbers to welcome the beloved Padre Col. Lambert on Silver Jubilee Sunday. Silver Cross mothers are extended a special welcome.

Plan to hear "Handel's Largo," and "The Holy City," played on the Silver cornet at the Sunday School Anniversary next Sunday at 8 p.m.

Farewell For Mr and Mrs. Elwood Johnson

On Thursday evening, May 25th, over one hundred neighbours and friends of Mr. and Mrs. Elwood Johnson gathered at Mount Pleasant Church Hall to honour them before their departure to Springbrook.

Elwood was born on "Pump Street" in the Mount Pleasant Community, and has always lived on the homestead. Mrs. Johnson was formerly Miss Jessie Dunham and previous to her marriage twenty-nine years ago, she taught at the William's School. Since her marriage she has been active as a Sunday School Teacher, having taught various classes and for the past seventeen years she has been in charge of the Senior Young People. Mrs. Johnson is also a member of Mount Pleasant Woman's Missionary Society. They both will be missed from our community, but everyone wishes for them success in their new venture at Springbrook.

At 9 p.m. Rev. H. C. Vacklavik spoke briefly and presided over the pro-

gramme. Mrs. Eric Summers led in a round of community singing with Miss Betty McConnell as pianist. Mrs. Malcolm Sharp contributed a piano solo, and Mrs. Bill McAdam read a humorous poem entitled "The Cost of High Living." Mr. and Mrs. Eric Summers delighted with two selections, "Lamplighting Time In The Valley," and "When My Blue Moon Will Turn To Gold," with guitar accompaniment. Mrs. Bob Merrick read a poem, "Neighbours Good or Bad." Miss Betty McConnell contributed a piano solo. Mrs. Percy MacMullen gave a humorous reading "The Eighteen Day Diet." Miss Ruth Linn sang a lovely spiritual, "Lucky Old Sun."

At this point, Miss Betty McConnell read an address of appreciation to Mrs. Johnson by all Sunday School Class members and Mr. Robert Hoard made the presentation of an electric table lamp.

Mrs. Cyrus Summers read another address to Mr. and Mrs. Johnson on behalf of neighbours and friends.

Elmer has been an efficient trustee and Secretary-Treasurer of Williams School for many years and both have helped with church and social activities. Mount Pleasant's loss will be another gain for Springbrook. Although their daughter Marian, has been in Belleville for some time she too will be missed.

The address was signed by Messrs. Bob Merrick, Burton Sharp, James Hoard, Herbert Smith and Allan Reid. Mr. Kenneth Weaver made the presentation of a lovely writing desk.

Elwood voiced thanks for the kindness shown him and for the lovely gift, and invited all their friends to visit them at Springbrook. Jessie voiced thanks to her Sunday School Class and to all the friends who had been so kind to them.

Brief remarks of appreciation were made by Mrs. Roy Thrasher, Messrs. Will Potts, Earl McAdam and Lindsay McKeown.

The Pastor offered prayer, after which refreshments were served and a social half hour enjoyed with everyone wishing Elwood and Jessie every success at Springbrook and hoping they will return frequently to Mount Pleasant.

Miss A. Vanderwater Honoured By Pre-Nuptial Shower

Mrs. Roscoe Vanderwater, Foxboro, was hostess at a tea on Thursday in honor of her daughter, Alison, whose marriage to Mr. Basil Kuglin, took place on Saturday.

Mrs. Blanche Alexander, Madoc, and Mrs. R. B. Duffin, Stirling, presided at the tea table, assisted by Mrs. S. P. Hagerman and Mrs. J. C. Cordes, of Belleville.

Prior to her marriage, Miss Vanderwater had been honored at a bridge and presentation by The Victorian Order of Nurses, Scarborough district office, Toronto; a tea and presentation by the Public Health nurses, and Medical Officer of Health, Scarborough Township and a shower by her classmates of Wellesley Hospital, Toronto.

Mrs. Harry Coulter gave a delightful cup and saucer shower and Mrs. J. S. Demorest and Mrs. R. Skinner, Foxboro, arranged a charming kitchen shower.

Chief Laid 194 Charges In April

The monthly report of Chief Police H. S. Pratt, given at Monday night's meeting of the Deseronto Town Council, showed 19 charges under the Liquor Control Act and 162 charges under the Highways Traffic Act.

There were 22 charges under the Criminal Code. The chief provided one funeral escort during the month and served 173 summonses. —Deseronto Post.

Legion Establishes Relief Fund

The Department of Mines and Tech-Legion Manitoba Flood Assistance Fund was announced in Ottawa today by T. D. Anderson, General Secretary of the Legion's Dominion Command.

The fund, which will be national in scope, will be solicited from Legion members only and is designed not to interfere with the official Manitoba Flood Relief Fund. Rather it will augment the relief provided to veterans by that fund.

It was pointed out by Mr. Anderson that "many veterans of World War II will, as a result of flood damage, have completely lost their rehabilitation benefits at a time when they were only beginning to establish themselves in business or farming. These veterans have no reserves, and will need something special in the way of assistance."

The Hon. Mr. Justice J. J. Kelly, President of the Manitoba and North-

western Ontario Command, Canadian Legion, will act as chairman of the board of trustees comprised of officials from that Command, who will administer the fund.

Foxboro Man Graduates As Veterinarian

Robert Gay, son of Mr. and Mrs. Hubert Gay, of Foxboro, graduated from the Guelph Veterinary College on Friday. Following a short holiday at his home he will commence practice as veterinarian at Akron, Ohio, where he will be associated with a pet hospital with a large farm animal practice.

The Printer

The fellows who write and the fellows who read Have often forgotten one fellow they need, Though reading and writing were not very much Till this fellow came with his magical touch. Then he who would write had a reason to try And he who would read had a way he could buy, Then reading grew easy, and knowledge began;

The taste's the test for tea!
Canadians buy more *Salada* than any other brand.

"SALADA" TEA

Began with the printer—yes, he was the man.

Men boast of their freedom, and often forget

The source of their freedom, the source of it yet.

Where more is the knowledge the monarch behaves,

Where less is the knowledge the people are slaves.

A word that is written one hand can erase,

A word that is printed can awaken a race.

And yet we've forgotten the fellow, I guess,

Who's setting the type or running the press.

Salutes for the soldier, a wreath for the sage,

Applause for the speaker who stands

on the stage.
A penny for poets who give us their songs,
But never alone have they righted our wrongs,
For down in the basement or back in a room
Are liberty's future and tyranny's doom.
When freedom is calling the summons is heard
Because of the printer, who gives us the word.

A word to the wise — to the foolish too. You may be stopped on the road for a check-up of those lights. But don't make that your only reason. Give a thought to that other fellow blinded by your lights if they're off focus.

DO YOU HOLD FIRST VICTORY LOAN BONDS

Springbrook

On Friday evening, May 19th, a host of friends and relatives gathered at the Orange Hall to honor the newlyweds, Mr. and Mrs. Harold Chambers (nee Audrey Brown, Harold). Rev. H. A. Beare very capably fulfilled the duties of chairman.

The programme opened with a community sing-song, with Mrs. Florence McKeown at the piano and Mr. Frank Cosbey led the singing. A piano solo by Rosemary Webb; duet with guitar accompaniment by Shirley and Marilyn Bateman; Guitar selection, Hawaiian and Spanish, Rolly and Wally Jackson; piano solo by Marlene Hadley; comic songs by Ken Bain.

An address was read by Mrs. Elwood Bateman and the presentation of a davenport, lamp table and purse of money were made. Audrey and Harold each thanked their many friends and invited all to visit them. "For They Are Jolly Good Fellows," was sung and brief addresses were given by Messrs. Roy Brown and Frank Cosbey.

Lunch was served and the remainder of the evening was spent in dancing to music by Myrt and Doug Jones, of Marmora. Following is the address read at this happy occasion: Springbrook, Ont., May 19th, 1950

Dear Audrey and Harold:

We your friends have gathered here this evening to help you spend a few hours in celebrating your marriage. A few months ago Audrey, we heard you were going to leave our community, so we thought we would like to have an evening with you before you left.

We have known you all your life, Audrey, and we will miss you very much. You have always had a cheery smile which made one feel the happier because of you. You have always been willing to help in anything both in school and church, and any other activities where duty has called you.

Harold, we must congratulate you on picking such a delightful bride and we feel sure she will do all in her power to help you build a home and keep it happy. While you are a stranger to most of us we know you are one of the best. As you start in your new home remember this "Everything you do always ask God's blessing and you will never be sorry." Because, without God in the home it is not a home. We wish for both of you very good wishes and hope that your future will always be bright, your pathway be joyous and your burden be light. Please accept these gifts as a token of our esteem. May our love and best wishes be with you always.

Signed on behalf of your friends Bonarlaw, Springbrook, Harold

Hello Homemakers! Wedding anniversaries are usually celebrated by parties at which the married couple is "showered" with a traditional gift. There are slight differences of opinion as to the symbols for the anniversaries but the following list may be used without hesitation.

First Year—Paper.
Second year—Cotton
Third year—Leather
Fourth Year—Flowers or Silk
Fifth year—Wooden
Sixth year—Candy or Iron
Seventh year—Copper or Brass
Eighth year—Pottery or rubber
Tenth year—Tin or Aluminum
Twelfth year—Silk or Linen
Thirteenth year—Lace
Fifteenth year—Crystal
Twentieth year—China
Twenty-fifth year—Silver
Fiftieth year—Golden
Sixtieth year—Diamond

Who has the party, you may ask? Well, it does not matter. Relatives or friends may decide to take the fated couple out to dinner and make a presentation of a suitable gift. A more informal party may be held at a friend's home where the plan is similar to a bridal shower for the couple. Then there is the "surprise" anniversary at the home of the happy couple. The At-Home parties should be organized to the extent that food is provided. Some may bring sandwiches, others small cakes or ice cream, etc.

An amusing stunt for a Paper Wedding Shower is to give each guest, as he or she arrives, a paper bag to be tied over the right hand. The bags are not to be removed until all the guests have shaken hands with one another.

A paper stunt that gives the guests an opportunity to show their artistic ability is the creation of paper bag puppets. With a paper bag and cray-

ons each must draw a face on his or her bag. (Ears and nose may be added by the use of some extra paper and paste.) Fashion together with string and then thread two on a 3-foot string and hold a kind of puppet dance.

Food for a Paper Anniversary may be served on paper plates, if you wish to carry out the paper theme, and may consist of a salad plate with coffee.

Suggested gifts are memo note-books, desk blotters, writing paper, paper napkins, towels, place mats, tablecloths and picnic accessories. Books and magazine subscriptions are also appropriate.

RECIPES

CHICKEN AND ALMOND SALAD

2 egg yolks
1 cup chicken broth
¼ tsp. paprika
½ tsp. salt
1 tsp. horseradish
1 cups finely chopped chicken
½ tsp. Worcestershire sauce
1½ cups whipped cream
½ cup chopped toasted almonds
1 envelope gelatin
Crisp lettuce

Combine egg yolks, broth, salt, paprika in a double boiler, stir continuously until thickened. Soak gelatin in cold water for 5 minutes then dissolve in the hot mixture. Cool, then add chicken, almonds, horseradish and sauce. Fold in the cream and pour into greased pan about 9 x 5 x 3. Chill until firm, then serve in slices on crisp lettuce. Serves 16.

REFRIGERATOR ROLLS

Sift before measuring:
¾ cups bread flour
Scald:
1 cup milk
Stir in until dissolved:
6 tablespoons shortening or butter
6 tablespoons sugar
1½ teaspoons salt
Cool to lukewarm. Place in a measur-

ing cup:

1 cake yeast
Dissolve it in:
½ cup lukewarm water
1 egg

Add these ingredients to the first mixture. Beat in half the flour. Beat the dough for 2 minutes. Add the remaining flour and beat the dough until it blisters. Place it in a greased bowl. Spread the top lightly with grease. Cover it closely. Keep it in a refrigerator for at least 24 hours. When it has doubled in bulk, cut through the dough to permit the gasses to escape. Take out the quantity needed with a spoon or with buttered hands 4 hours before baking it. Place it in greased muffin pans, filling the pans 1-3 full. Spread tops of the rolls with:

Soft Butter

Permit them to rise uncovered in a warm place until doubled in bulk. Bake them in a quick oven 425 deg. for about 20 minutes. Remove them at once from the pans. Makes about 18.

Game Fish In Ontario Waters

The fighting small-mouthed black bass — pound for pound the gamest fish in Ontario waters — are now preparing their "nests" in which their spawn will be laid and the young fry hatched, according to reports being received from various sections of the province.

Unsurpassed in popularity with the angling fraternity the small-mouth is also unique among game fish in the Province excepting other members of the bass family, in the male parent fish continue to guard their eggs until they hatch and until the young fish reach a length of an inch or more, sometimes until mid-July.

During this time instinct prompts the male to attack things that approach his nest and this leads to the destruction of many of these faithful guardians by anglers fishing near bass nests during the early part of the season.

Because of this Conservation Officers of the Ontario Department of

Lands and Forests are concerned with a probable late hatching this year and an extended period of responsibility for the male fish when he is most likely to be caught.

Once the parent is destroyed, the eggs, or the young fish which are weighted down with a yolk sack attached to their abdomens are unprotected and fall easy prey to a host of natural enemies normally driven off by the pugnacious attacks of the male black bass.

The bass season opens generally on July 1st when six per day may be taken, but the late melting of the ice this year and delay in the warming of the waters may result in unusually large numbers of the bass remaining over the nesting sites after the season has opened, officials point out. This could result in the destruction of many parent fish and, worst of all, the thousands of tiny eggs and young fry which they guard.

Because the hatching may be late this year and in order to protect the parent bass and its young brood, conservation officers suggest that anglers take the following precautionary measures:

"During the first two weeks of the season, play the bass until it is exhausted then bring it slowly to the surface. If you have caught a parent bass guarding its young, the fry will be observed following him in a compact mass. If such is the case carefully free him from the hook and let him return to his family. Thereby you will be saving not just one fish but large numbers for the baby bass will soon grow into adults and provide better fishing for the future.

They Kill Them With Kindness

"They kill them with kindness" . . . That is exactly what many persons, who would not willingly harm any person or thing thoughtlessly do during early summer to numbers of baby fawn deer throughout Ontario, say Conservation Officers of the Department of Lands and Forests.

"Each year a large number of fawns are taken from their hiding places by people who think they are doing a humane act, but the truth is that these people are doing far more harm than good," stated one official.

For several days after it is born the fawn is kept hidden by its mother in a secluded spot where the doe's instinct tells her that it will be safe from marauding wolves, other predators and human beings, while she is away foraging for herself. Often she will be only a short distance away, possibly just out of sight.

If the young fawns are handled while the parent deer is absent the chances are good that the deer, on returning, will be repelled by the human scent and because of her wild nature may desert her baby. Left to its own resources the fawn would probably not survive, officers explain, because it is almost impossible for it to obtain the proper food, especially when just a few days old.

With its silky white spotted fawn-coloured coat, delicate trembling legs, large ears and big questioning brown eyes, the wilderness baby is especially hard to resist by women and children for it looks so helpless and apparently lost in the wilderness.

"But these 'kind' persons would leave the fawns strictly alone if they realized that their touch in itself might doom the baby deer to slow death from starvation, or if they could realize how heartbroken its mother would be on returning to find her baby

stolen," one officer remarked.

There are special cases, however, where it is known that the mother deer has been killed by a train, car or dogs unlawfully left to run at large where deer frequent. When a young fawn is found under these circumstances and taken home it is advisable to contact the local conservation officer at once who will issue instructions for its proper care or see that it is given a secure haven.

"Laws are provided for the protection of wildlife and it is against the law to take or molest deer out of season — young or old," is the reminder of game officers.

To Train Forest Fire Fighters

Arrangements are continuing this year by the district ranging staffs of the Ontario Department of Lands and Forests to instruct keymen from all summer woods operations such as Hydro Electric Power Company, Department of Highways, Logging Operations, Railways, Organized Municipalities, and Summer Resort Operators in forest fire suppression tactics and proper use of fire-fighting equipment.

The system of training crews was started in recent years and grew out of meetings held each year between the Department and summer woods operators in each "forest" district and was instituted to build up an efficient

fire suppression force.

Many of the operators are now placing men on their payrolls whose duties will be solely that of forest rangers on their operations to ensure that the proper precautions are taken against fire. These company men will, in time of fire, be able to lead the others on fire suppression.

Boy Accidentally Shot Through Chest While Hunting

Accidentally shot through the chest while hunting groundhogs, 13-year-old Earl Fraser, son of Mr. and Mrs. Earl Fraser, of Batavia, is in Belleville General Hospital.

Friday evening the lad had accompanied his father to a farm near West Huntingdon where the parents had a garden plot and had taken his .22 rifle along to do some hunting. Some time after he disappeared he was heard calling for help and he was found lying behind the barn shot through the chest.

First aid was given by Dr. William Cornett, of Stirling, who ordered him to hospital where he was attended by Dr. G. H. Stobie.

NEWS FOR THE BUSY FARMER

MINERALS FOR DAIRY CATTLE

Most farmers realize the importance of minerals for dairy cattle, but many would like more information, particularly of those minerals which might in some cases be insufficient in the rations.

From a practical standpoint the most common mineral required by cattle is common salt. Animals should have their appetites for this mineral fairly well satisfied at all times. It may be supplied in various forms; fed coarsely ground, in the form of salt licks or in the meal mixture. In addition to salt, calcium and phosphorus are the minerals most likely to be lacking in the ration, through at times there may also be a deficiency of others, such as iodine and cobalt.

Growing cattle, cows in milk and cows in calf, require relatively large amounts of calcium and phosphorus in their rations. Deficiencies of these minerals are much more liable to occur during the winter feeding period and show up in the spring. This condition is often shown by abnormal appetites, such as the chewing of bones or pieces of wood, as well as by stiffness of joints, brittleness of bones and general unthriftiness.

The legume hays are a good source of calcium, but grasses, especially when grown on an acid or sandy soil, may be low in this element. Among the concentrates, such animal products as bone meal, supply calcium as well as phosphorus in fairly good quantity. The oil cakes, wheat, corn and especially bran, are high in phosphorus and low in calcium. It may safely be said, therefore, that a ration containing legume hays will be adequate in calcium. When grasses and straw form the greater part of the ration, calcium may be deficient, and in the absence of bran, cereal grains and protein concentrates, phosphorus will also be deficient.

Mineral carriers include high quality ground limestone, edible bone meal and bone char. In addition there are on the market a number of prepared mineral mixtures. Where phosphorus and lime are most likely to be the deficient minerals in the average ration, a mixture of equal parts of bone meal or bone char, ground limestone and salt will be found satisfactory. The ratio of calcium to phosphorus should not exceed 4 to 1. Where iodine might be deficient, use iodized salt or add two or three ounces of potassium iodine to every hundred pounds of the mixture. Such a mixture, or a similar commercial mineral mixture, may be fed by adding one or two pounds to every hundred pounds of grain mixture, or by feeding small quantities regularly similarly to salt. Naturally if it is suspected that there is a deficiency of cobalt, this element should be supplied but it is necessary only in minute amounts. An alternative method of supplying minerals is by keeping a supply before cattle at all times in a covered salt lick. This particularly applies to cattle on pasture. Prepared mineral mixtures are for the most part quite satisfactory if not too high in price.

CREAMERYMEN'S RELIEF FOR FIRE AND FLOOD SUFFERERS

Ontario creamerymen have set up a drive for relief funds for the flood sufferers of Manitoba and the fire victims of Rimouski and Cabano in Quebec. Each Creamery in Ontario is requested to give at least the equivalent of 50 lbs. of butter or \$27.00, and to give it as soon as possible. Speaking in respect to the relief of the Quebec fire victims, Mr. R. E. Drope, of Harwood, President of the Ontario Creamery Association, said "Ontario cream producers owe a debt of gratitude to the people of Quebec. If the Quebec government had not banned the sale of margarine in that province the situation confronting cream producers would be still worse."

"This is an opportunity," said Mr. Drope, "for Ontario creamerymen, tangibly to express appreciation of the support Quebec has given all farmers against the inroads of margarine. That we can do it by helping to relieve human suffering is particularly gratifying."

Speaking of the Manitoba flood sufferers, Mr. J. McLean, Past President of the Ontario Creamery Association, said, that the flooding of over 600 acres of farm-land in addition to the cities of Winnipeg and St. Boniface, was a national tragedy. "Many farmers," said Mr. McLean, "will not be able to have a crop this year and thousands of homes will have to be

rebuilt. We are glad that creamerymen are doing their little bit to help make things a bit easier our there."

150,000 SQUARE MILES OF TERRITORY TO BE MAPPED BY TOPOGRAPHICAL SURVEY

The Department of Mines and Technical Surveys, Ottawa, is placing 68 topographical survey parties in the field this year, it was announced today by the Honourable Robert H. Winters, Acting Minister of this Department. These parties will cover a total of 150,000 square miles of territory in work that will provide base maps for use in the development of Canada's mineral and other resources and for the guidance and assistance of engineering projects in various parts of the country. Fifteen of the parties are being provided by the Army Survey Establishment.

Six helicopters will be used by the Department for speedy transportation in mountainous terrain and in other areas difficult of access. Three will be used in Yukon and will be flown there by huge transport aircraft.

The field program includes further mapping in the important iron region of Quebec-Labrador, completion of the mapping of the Avalon peninsula in Newfoundland, and continuation of mapping in the Notre Dame Bay area in that province.

A program of phototopographical reconnaissance mapping will be carried out in mainly unexplored areas of Yukon and northern British Columbia.

Fifteen of the 68 parties will operate in Yukon and Northwest Territories, 15 in British Columbia, 6 in Alber-

ta, 3 in Saskatchewan, 4 in Manitoba, 1 in Ontario, 5 in Quebec, 3 in Quebec-Labrador, 5 in New Brunswick, 6 in Nova Scotia, and 5 in Newfoundland.

What Others Say I

WHAT THE FARMERS ARE ASKING!

"What's this cent-a-pound butterfat for advertising purposes going to cost me?" is a question heard often enough among dairymen across Canada these days. The query is a natural one for it is in line with the active promotion campaign of the Dairy Farmers of Canada to bring the merits of dairy products to the public more forcibly through advertising. A cent-a-pound butterfat, or the milk equivalent, set aside during the month of June will establish the initial budget for this purpose.

For instance, on a hundred pounds of 3.5 milk (3.5 pounds of butterfat) the deduction at a cent a pound would be 3 1/2 cents; on 100 pounds of 4 per cent milk, it would be four cents; on 400 pounds of 3.5 milk the deduction would be 14 cents, and so on through any calculation, simply using the butterfat test as the key.

The scheme is a good one and in the long run, the advertising, if properly done, will pay the farmer big dividends, rather than add to his operating costs. —Winchester Press.

COST OF LIVING STEADILY RISING

The cost of living is still going up. It is now the highest in the history of Canada. Nobody likes the word inflation. Mere mention of it conjures up pictures of currency deflated to the vanishing point. Yet, there is no dodging the issue; we are in an inflationary period. Wages keep on chasing wages in a seemingly never ending race. Just where it will all end — nobody can tell.

To be sure we are enjoying unpre-

cedented prosperity. But how long is that going to last? It is significant that the experts are not making any long term predictions. About as far as they will go is to say that the prospects are good for another year. That is good, so far as it goes — but what of next year and the years after that?

The history of our economy is of little help. It is a record of booms and busts. If the pattern of the past fifty years is any standard by which to judge, what will happen? — the bust will come, sooner or later! Of course, there is much more experience of controls now than ever before. During the war we learned how to prevent inflation and how to stabilize our economy. It may be that the lessons learned at that time will serve a good purpose in dealing with a crisis, should it arrive. Nobody likes controls, but if we have to reimpose certain controls to prevent a crisis, few would object. The difficulty about that is that not even the most astute experts can tell when a crisis may occur and it might take place so suddenly that controls would be of little value.

At the moment, no solution is in sight. But, it is as sure as rising of the sun, that the present inflationary spiral cannot go on for ever. The only hope we have is that when deflation takes place, it will not come suddenly, but will come gradually, and with a minimum of unemployment, distress and hardship. —The Napanee Beaver

Log Drivers On Ontario Rivers

Log drivers have now commenced on many northern rivers according to the Ontario Department of Lands and

Forests, with several thousand men employed in the most spectacular of all lumbering operations. The drivers are at least two weeks later than usual, district officials said, most of them having been held up by ice.

Logs are pouring down the Kapuskasing, Opasitika, Nighthawk and Matagamit Rivers, while in western sections of the Province the Nipigon, Steel and Little Pic, among other rivers, are also bearing their cargoes to the paper and lumber mills.

The drivers usually last about two weeks, during which the skilled drivers hustle the "sticks" along as fast as possible. Later, cleanup crews follow, rolling "hangups" into the water and making sure that little of the valuable timber is left above the mills.

Legion Schedule

Messrs. Thos. Shannon, Major Fraser and Bert Bastedo attended a meeting held in Marmora on the week-end at which the schedule for the Legion Softball League was drawn up.

Entered Into Rest

MRS. MARY MARTIN

A greatly esteemed resident of Stirling, Mrs. Mary Martin, widow of Walter S. Martin, died in the Green Nursing Home, here, Monday morning after an illness of a month's duration.

The late Mrs. Martin was born in Stirling, a daughter of the late Andrew Brydon and his wife Mary Donald and was in her 90th year. She was educated in local schools and taught school for a number of years. She also gave instruction in music.

In religion she was a member of St. Paul's United Church and was an active worker in its organizations. For thirty-five years she acted as church organist and for thirty-seven years served as Recording Secretary of the Women's Missionary Society, of which she was a life member. She was a charter member of the Woman's Association.

Surviving her are one step-daughter, Mrs. W. R. Scott, Los Angeles, California; two step-sons George A. Martin, Vancouver, B.C., and Harold C. Martin, Stirling. Her husband died in 1942.

The funeral took place at the Duffin Funeral Home at 11.00 a.m. on Wednesday, May 31st, with Rev. A. E. Baker, minister of St. Paul's officiating.

The pallbearers were Messrs. E. G. Bailey, C. E. Macklin, H. Hagerman, Geo. Carlisle, Guy Bradshaw, and Harper Rollins.

Interment in Stirling Cemetery.

Among those from out-of-town attending the funeral were Mr. and Mrs. Don Bissonnette, Toronto; Mr. and Mrs. Neil Bissonnette and son Bill, of Stratford, and Mr. and Mrs. Norman Martin, of Smithville.

In Hymen's Bonds

KUGLIN-VANDERWATER

In Marsh Hill United Church, Foxboro, on May 27th at 4 p.m., Rev. Frank Gilbert officiated as Hope Alison Vanderwater, daughter of Colonel Roscoe Vanderwater and Mrs. Vanderwater, became the wife of Basil Ernest Alton Kuglin, son of Mr. and Mrs. Lloyd Kuglin, Williamsford, Ontario.

Given in marriage by her father, the

bride was beautiful in a white embroidered organza gown over taffeta, with a Peter Pan collar, and fitted basque buttoned to the waist with tiny pearl buttons. The bouffant skirt had a continuous panel of embroidery to the hem-line, and extended at the back into a slight train. Her full-length illusion veil was caught by a halo of stephanotis, and she carried a crescent bouquet of white tulips, stephanotis and ivy.

Miss Margaret Vanderwater was her sister's maid of honor, and was dressed in tinted lilac organza over taffeta. Misses Helen Kuglin and Gena Vanderwater, bridesmaids, were in daffodil yellow and apple green organza respectively. All dresses were of similar design, having two deep collars and off-the-shoulder neck-line. All three attendants wore halos of stephanotis and lilacs, and carried crescent bouquets of deep purple lilacs.

The flower girls, Misses Mary Jane and Patricia Dawn Kincaid, dainty little daughters of Mr. and Mrs. Kelvin Kincaid, Madoc, wore long coral organza dresses, and carried bouquets of sweet peas.

Mr. Robert Kuglin was best man for his brother, while Grant Mitchell, of Huntsville, and Kenneth McKewen, of Toronto, were the ushers.

The wedding music was played by Mr. Stanley Hagerman Jr., and immediately before the ceremony, Mrs. Reginald Skinner, of Foxboro, sang very beautifully Malotte's "The Lord's Prayer."

After the ceremony, the bride's parents received the guests in their home. The bride's mother chose a crepe and lace beige gown, with matching accessories and a corsage of pink carnations. The groom's mother was attired in grey crepe with black accessories, and wore a corsage of iris and lily of the valley. During the reception, several class mates of the bride (the Wellesley Hospital 1946) and a number of the Scarboro District V.O.N., assisted in serving.

For travelling the bride donned a grey wool gabardine suit with white accessories, and wore a corsage of garden yellow roses.

Mr. and Mrs. Kuglin left for a trip through Quebec Province, and will spend the summer in Algonquin Park. Guests were present from Toronto, Owen Sound, Tonawanda N.Y., Ottawa, Belleville, Madoc and Huntsville. After the summer they will reside in Toronto.

St. John's W.A. held its May meeting in the Parish Hall with a large attendance. The opening hymn, "Jesus Shall Reign Where'er The Sun," was followed by the Litany, taken by the president. Mrs. Margaret Palmer read the Scripture Lesson.

Mrs. Anderson and Mrs. Morgan reporting for the G.A. commended the girls for the keen interest they have taken in the work during the year. Mrs. Mel. Tanner, Branch Dorcas Secretary, had the articles for the bazaar on display. A great deal of the sewing had been done by Mrs. Tanner with the assistance of some others. The Junior W.A. and the G.A. also donated some articles and a collection was taken from the members. Mr. Anderson spoke of the splendid work being done by the different branches, and mentioned the spiritual awakening throughout the world.

The report of the 64th annual meeting held in Kingston was given by the delegate, Mrs. Earl Morrow. The outstanding speakers were Rev. G. G. Nakayama, the Japanese Priest, now in Alberta; Miss Coustance Williston, Dominion Corresponding Secretary, and the Rev. D. B. Marsh, now Bishop of the Arctic. Each speaker brought forth the need of more and more Missionaries, nurses and workers.

Mrs. Ed. Kent extended an invitation to Trinity, Frankford; St. Thomas and Foxboro, to meet with St. John's for

New President of Bay of Quinte Conference

Rev. H. A. Kent, principal of Queen's Theological College, Kingston, was elected President of the Bay of Quinte Conference of the United Church on Wednesday.

Continuing as secretary is Rev. H. C. Wolfram, of Almonte; Treasurer, Rev. J. E. Glover, of Elgin; Statistician, Rev. E. D. Snelgrove, of Grafton; Archivist, Rev. James Faulds, of Portsmouth.

McFarland Given First Contract For New Highway

The McFarland Construction Co., has been awarded one of the first contracts in Ontario for building a section of the proposed Trans-Canada highway. The contract is for about 20 miles of highway between Marmora and Havelock.

It will be built according to the standards set for the Trans-Canada project. The paved surface will be two feet wider than the Provincial highway, and a greater width of shoulder. Straightening, fill, concrete culverts are part of the contract which calls for gravel granule base and an asphalt paved surface. Work will commence this week.

Bay Limit On Pickerel

How important it is to observe Ontario's bag limit on pickerel, or wall-eyed pike as the Americans prefer to call them — set at six per day, not less than 13 inches in length — was discovered by nine Ohio residents in North Bay court during the week.

Fines and costs totalling \$229.50 when they were convicted of having 105 more pickerel than the law allowed and in addition, their fishing tackle was confiscated. Altogether, they had 213 pickerel which were given to a charitable organization in North Bay.

There was no excuse for ignoring the regulations, the court pointed out, since they were printed on the fishing

Agreement Reached With Central Mortgage Co. Re Sewage Disposal

Regular Meeting of Council Held Monday — Parking Lines Are To Be Painted

After months of waiting, during which time proposals and counter proposals have been bandied back and forth between Council and Central Mortgage Co., a final settlement has been reached on the question of sewage disposal for the seventeen war-time houses north of the railway tracks.

An ultimatum from Dr. E. A. Carleton, local Medical Officer of Health, that the water services would be cut off June 15th unless some action was taken to correct the present unsatisfactory system of sewage disposal, apparently brought matters to a head. At the regular meeting of Council held Monday a new agreement calling for the construction of a large septic tank in a field just north of the tracks by the Central Mortgage Co., and payment to the Village for its maintenance was tabled and Reeve Wells and the Clerk were authorized to sign the same on behalf of the village. The present guarantee of yearly payments in lieu of taxes by Central Mortgage remains the same, but the Village will receive an additional \$2.00 per house, (when occupied) per month to provide for additional expenses incurred in connection with the project.

Work on the construction of the new system is expected to start at once and will be completed by September 1st.

Communications were tabled from the Ontario Department of Highways requesting a monthly statement of all monies spent on the village streets; from Kingston General Hospital re an indent account; and from the Department of Highways approving an expenditure of \$3500 on Village streets in 1950.

Clerk Mallory reported receipt of a cheque for \$424.99 from the Ontario Government as a grant to the Recreation Council, and \$516.99 in lieu of the one-mill subsidy.

An estimate of \$2,000 was received from the International Water Supply Co. on fixing the Village well. Any action by Council was deferred until a later date, when a special meeting will be called to deal with the matter.

On motion of Councillors Bradshaw and Bailey, the services of Cedarvale Tree Experts will be procured to trim a number of trees in the village.

A tag day in the interests of the Manitoba Relief Fund was authorized for Saturday next, June 10th, by the Council.

To Paint Parking Lanes

The parking question came up for discussion and it was decided to have angle parking lines painted on the north side of Front and Mill Streets in the business section.

The purchase of a flag for the Community Building and the installation of a street light on the free parking lot north of C. Davidson's feed store were authorized.

The following accounts were presented for payment — County of Hastings, \$8.75; Kingston General Hospital, \$6.00; C. B. Rollins, \$53.50; News-Argus, \$46.75; Don Francis, \$30; Wilson Sinclair, \$5.00; Sam Bowen, \$38.35; Stirling Lumber Co., \$11.85; Brunner Mond Canada Sales, \$291.36; Sidney Mason, \$15.50; Earl Johnson, \$9.00; Bell Telephone, \$5.20; Thos. McGee, \$4.55; R. Hermiston 45c; Stirling Lumber Co., \$31.90; Dept. of Health, 65c; Ken Morrow, \$17.50; G. B. Faulkner, \$12.80; Stirling Motor Sales, \$5.10; F. R. Mallory, \$5.10; Stirling Lumber Co., \$166.80; Harry Jones, \$6.00; Stirling Machine Co., \$19.25; Harold Juby, \$2; S. Bowen, \$74.10; H. Faulkner, \$5.50; Fred McCutcheon, \$5.50; Douglas Luery, \$3.90; J. R. Geen, \$24.00; W. H. Bolte, \$3.00.

County Council Opens Tuesday

With much important business on the agenda, the Hastings County Council opens its regular four-day June session in Shire Hall next Tuesday. Warden, Clarke Rollins, Reeve, of Wollaston, will be in the chair.

Bowlers Hold Official Opening

Stirling Lawn Bowling Club held its official opening on Monday evening. A delicious hot pot supper was served by the ladies at 6.30 p.m.

The attendance of the many prospective bowlers greatly outnumbered the old members present. A series of games in rinks, triple and doubles was arranged and by the spirit with which the young people took hold of the game the Club is assured of a number of good bowlers.

On Wednesday evening there was a good attendance and some good bowling was enjoyed. Owing to counter attractions many were not able to attend. There is bowling every Monday, Wednesday, Thursday and Friday evenings. The greens are open for bowling every week day afternoon. We can still accommodate new members. So if you have any idea of taking up the game for enjoyment and good fellowship come up any evening and try out the game. You will be welcome. Jitney

On Friday evening of this week a ten cent Jitney will be held. Each player pays 10c to enter the game. A suitable prize will be given to the lady and to the gentleman with the highest score at the close of the games. While older bowlers will be permitted to pay their 10c and play they will not be eligible for prize money. Play starts at 7.30 p.m. So don't be late.

I.O.D.E. LILAC TEA SUCCESSFUL

A very successful lilac tea was sponsored by the Hon. J. R. Cooke Chapter, I.O.D.E., at the home of Mrs. Maurice Bell on Friday afternoon.

The rooms were decorated with baskets of lilacs, while the tea table was adorned with salmon-coloured candles and carnations. Tea was poured by Mrs. E. Luery, Honorary Regent, Mrs. H. C. Martin, Mrs. R. B. Bell, Regent, and Mrs. Earl Green, Vice Regent.

Dainty refreshments were served by the I.O.D.E. members and a social hour was much enjoyed by a large number.

The net proceeds, which will be applied to the Trenton Memorial Hospital, amounted to approximately seventy-five dollars. The Chapter members are deeply appreciative of the generous patronage afforded this event and wish to express their sincerest thanks to all who had any part in its success.

Church Parade

A church parade for the ten Canadian Legion Branches of Zone F-3 of the Ontario Command will be held this coming Sunday, June 11th.

It is expected that a large turnout will be present to take part in the service at St. Paul's United Church.

The parade will fall in behind Stirling Citizen's Band at the Legion Hall at 7.15 p.m. Zone Commander W. Mumby, of Deloro, will be in charge of the parade.

St. John's Church Commemorates Ninetieth Anniversary With Banquet

Some two hundred attended the banquet sponsored by the ladies of St. John's Church in the Community Hall last night, in connection with the celebration of the 90th Anniversary of St. John's Church. The tables were well arranged and literally "groaned" with good things to eat. The large crowd was served quickly and with a minimum of confusion and many fine compliments were directed towards the ladies of St. John's for a grand meal.

Following the dinner Rev. A. J. Anderson, Rector, acted as Master of Ceremonies for a programme of music and addresses.

Rev. W. J. Minto Swan, M.A., Rector of St. John's Church, Portsmouth, and a former R.C.A.F. Chaplain, proved an entertaining guest speaker. Interspersing his remarks with bits of humour he delivered a though-provoking and inspiring address.

"Anniversaries are very interesting and very important, as they give us an opportunity to survey what has been accomplished over the years and to look forward to the future," stated the speaker. "As you people of St. John's survey your history of 90 years, you pay tribute to many whose names you know, but there were many whose names are not recorded who had much to do with the growth and development of this church."

Rev. Swan spoke of the loyalty to church and King exemplified by Newfoundland, where 95% of the people are connected with some church; the glorious quality of tradition of the Maritimes; the culture of Quebec and Ontario; the enthusiasm of the Prairie Provinces, and the characteristic of hard work exemplified in the Peace River district, where everybody must do something.

All of these characteristics, had been exemplified by those who had served St. John's Church in the past ninety years, stated Rev. Swan. In closing he stated "God and hard work will make the future of St. John's, this community and this country great."

The musical part of the programme included several solos by Wm. Reynolds, accompanied by Mrs. A. E. Baker, and guitar duets by X. P. Mayhew and H. Smith.

Short addresses were also delivered by Rev. A. S. McConnell, of Trenton, a former rector of St. John's and Rev. W. V. Walker, of St. Andrew's Presbyterian Church.

LADIES' NIGHT STIRLING LEGION

Friday, June 2nd, was ladies' night at Stirling Branch of the Canadian Legion. About 30 couples enjoyed an evening of euchre and a series of colored pictures taken by Dr. Wm. Cornett on his recent trip to California.

President Art Abernethy welcomed the guests and expressed the hope that they would enjoy the evening's entertainment. A euchre party under the direction of Messrs. George Heasman, Ross Hermiston and Chas. Barnard proved very successful with prizes going to 1st Lady, Mrs. D. C. Scott; Lady's low, Mrs. G. Cherry; 1st Gent, Sid Demorest; Gent's low, Mr. D. C. Scott.

Following the card games Dr. Cornett showed a series of films taken during his recent visit to California. A feature of his trip, he explained, was the Parade of Roses, preceding the Rose-Bowl game. He told of the miles-long parade of floats composed entirely of flower blossoms. The pictures were most interesting to those present and Dr. Cornett is to be congratulated on his commentary which accompanied the showing of the pictures.

A lunch was served at the conclusion of the evening's entertainment. Mrs. R. A. Hermiston graciously thanked the Branch on behalf of the ladies present and President Abernethy voiced the hope that there would be many more opportunities for them to visit the Branch in the future.

Phillip Carr President Cheese Board

Phillip Carr, R.R. 2, Stirling, was elected President of the Belleville Cheese Board at the annual meeting held in Belleville, Tuesday night. He succeeds former President H. B. McColl, Wooler.

Lindsay Pollock, of Wellmans, was chosen 1st Vice-President, and F. R. Mallory, of Stirling, was re-elected Secretary-Treasurer for his 27th year.

Other officers are 2nd Vice-President, Roy Sills; 3rd Vice-President, Blake Richardson; Auditors, E. Bateman and H. L. Adams.

Stirling Cubs Win "Cubaree" At Picton

The Stirling Cub Pack with Cubmaster Joe Irish, and assistant, John Anderson in charge, took part in the district "Cubaree" held on the Picton Fair Grounds on Monday.

Approximately 330 Cubs from Belleville, Trenton, Batavia, Stirling, Picton, Port Hope, Trenton Air Station, Napanee and Castleton took part in the contest.

The Stirling boys took part in all contests and ran up a sufficient number of points to put them in first place. The boys had a grand time and learned what team play means, as most of the contests were in relays.

The boys are to be congratulated on the fine showing they made. Cubmaster Irish wishes to thank the boys' parents who have been a great help any time he asked and hopes that next fall when the pack meets again to be able to lead the boys to another victory in Napanee where the Cubaree will be held. On behalf of the Pack he wishes to thank Rev. Baker, David Duffin, Don McIntosh, X. P. Mayhew and Earl Wallace who made it possible for the boys to go by driving their cars and giving the boys a good time.

CUB NOTES

Saturday, June 3rd, the Cubs held their annual wiener roast at Oak Lake. On Sunday, June 4th Cubmaster Joe Irish, Ralph Ray and Allen Munro attended the Cubmaster camp at Point Ann.

Called For Jury Service

Messrs. J. B. Belshaw was called for service on the Grand Jury at the Hastings County general sessions of the peace in Belleville of this week, while Messrs. X. P. Mayhew and Wm. Cairns are serving on the Petit Jury. Oscar Merrick, Stirling R.R. 3, was also called.

Defeat Wooler

Stirling Intermediates put on a rousing finish to eke out a 8-7 victory over Wooler in a scheduled Trent Valley League fixture at the Recreation Centre under the lights Monday night.

The visitors opened the scoring in the first with two runs and added four in the fifth and one in the seventh. Stirling got one in the first and three in the fifth and two each in the seventh and eighth. Utman hit a double in the eighth with two on to give them their margin of victory.

Barney McCall was on the mound for the losers and Rodgers for the locals.

As a result of their win Stirling shares first place with the Frankford Merchants who defeated Campbellford on Monday night.

Stirling Triumphs Over Hastings

Stirling defeated Hastings Legion 7-5 in Hastings on Friday night in a well played game. The rain came to mar the opening of the park and the game finally broke up in the bottom half of the eighth, when Hastings was threatening to take the lead. West started on the mound for Hastings, and was in trouble right from the first batter. Two hits and three errors behind him netted Stirling three runs.

Stirling added three more in the third on three more hits, one of them a long homer by Utman with one mate aboard. Crowley took over the mound duties in the fourth and showed the old form, and was in control of the game from there on.

Rodgers went the route for Stirling and tied the Legion batters in knots till the seventh, when his control slipped and Legion finally found their batter's eyes.

Baptismal Font Is Dedicated

Impressive Service At Wellman's United Church — Mrs. H. C. Martin Donor

On Sunday afternoon, June 4th, an impressive service was held in Wellman's United Church, when Rev. H. C. Vachlavik dedicated to the service of the church a beautiful baptismal font, given by Mrs. H. C. Martin, of Stirling, in memory of her parents, the late Cornelius Urban Clancy and his wife, Eleanor Hall Clancy.

Mr. and Mrs. Clancy worshipped for many years in this historical church built by the early pioneers in the year 1869. Mr. Clancy served for several years as choir leader and Bible class teacher. Mrs. Clancy was interested in organizing the Women's Association and was the first 1st vice president in the year 1935.

She was also a valued member and President of the Women's Institute and much of the credit of the fine appearance of the cemetery is due to their untiring efforts in working to beautify it. Their home was always open for any church or community gatherings in the social life of the district.

Friends present for the service included Mr. and Mrs. H. C. Martin, of Stirling; Mr. and Mrs. Percy Hubble and daughter, Mrs. Fern Morgan, of Stockdale, and Mr. and Mrs. C. Morgan of Belleville. Mrs. Morgan was formerly Miss Ila Vandervoort, daughter of the late Geo. Vandervoort and his wife Susan Clancy, who lived for many years at Wellman's.

After the service friends lingered reminiscing with the members of these pioneer families. The members of the Wellman's congregation appreciate the fine spirit of Mrs. Martin in giving this gift and receive it with thanks.

Fiftieth Anniversary of W. Hastings District W.I. Held At Stirling

Stirling Branch of the Women's Institute under the leadership of their new president, Mrs. Perry Bronson, and their District Director, Mrs. Louis Rodgers, entertained the West Hastings W. I. District Annual on Thursday, June 1st, when one hundred and fifty delegates from the eight Branches were in attendance.

The District Banner which has been newly re-decorated gave the names of the eight Branches as follows: Wallbridge, River Valley, Chatterton, Uniondale, Bay of Quinte, Stirling, Pine Grove and Sidney Juniors, and was prominently placed at the front of the Hall. A lovely chart made by the President gave the names of every member of every Branch in the District. There were also Press Scrap Books and Tweedsmuir Histories on display.

The Stirling ladies worked hard to have the Hall in readiness for the meeting at 9.45 a.m. as a dance had been held the evening previous and all the tables were set up and decorated that morning. Blue and gold crepe paper streamers centred each table with vases of marigolds and lilacs. Suitable place cards prepared by Mrs. Rodgers were for all honoured guests.

A full course of luncheon was served at noon by members of Stirling Branch, which included Mrs. Hiram Rodgers, Mrs. George Megginson, Mrs. Carleton Wright, Mrs. Alfred Lake, Mrs. N. Heath, Mrs. A. Foster, Mrs. E. Cooke, Mrs. John Morrison, Mrs. George, Sarles, while several other members assisted with cooking. The anniversary cake was cut by Mesdames Bronson and Rodgers, and served by Stirling W.I. members. At noon the honoured guests were seated by the District Directors.

Mrs. Roy Bush, Stirling, District President, and Mrs. E. B. Finkle, Hallway, District Secretary-Treasurer, welcomed the guests assisted by Mesdames W. C. West and H. Cooke, of Stirling, who were in charge of registration.

With Miss Lugo Prest, Hallway, at the piano and Mrs. H. Rodgers, Stirling, as song leader, community singing followed by The Lord's Prayer opened the morning session.

The District President presided throughout the day and presented a prize to Mrs. C. Jeffrey, President of Bay of Quinte Women's Institute, for the largest number of members present (16) from that branch.

Reporting the activities and projects of the branches for the past year through its standing committees, the conveners congratulated the Institutes on their achievements. Mrs. Milton Grills, Frankford, convener of Agriculture and Canadian Industries, and a delegate from the district to the Federated Women's Institutes of Ontario Conference at Guelph, reported Insti-

tutes are Canadian conscious using home grown fruits and vegetables and Canadian made articles in their homes. She urged a study of the government Farm Loan Act and that recommendations for its improvement be forwarded to the provincial government. Conservation of food was stressed, along with methods to combat soil erosion, as increased food production would mean the nation's security.

Reports Given

Mrs. Harold Phillips, Belleville, R.R. 2, reported for Citizenship and Education. New Canadians were being welcomed and invited to display and demonstrate their arts and crafts at Institute meetings. Local schools were visited and women are accepting their franchise responsibility.

Historical Research and Current Events were reported by the convener, Mrs. Alex Tanner, Stirling. The film "Let There Be Light," depicting the story of the growth of the Women's Institute of Ontario during the fifty years since its organization has been shown in nearly all Institutes. Address was given on "Air Conditioning," "How World Has Changed Since 1900," "The History of the Automobile," and "Seed Drill."

A debate "Resolved that times 50 years also were more enjoyable than today" was enjoyed by one branch, while another discussed "Grandmother's Problems vs Mother's of Today." Mrs. Tanner complimented the branches on the Tweedsmuir Histories each is compiling.

Urges Further Study

Mrs. Percy Utman, Stirling, convener of Home Economics and Health, reported all branches interested in labor saving devices and handy kitchens. At one meeting a demonstration on "How To Make Windows Attractive," proved interesting and helpful. She urged a further study of mental health.

Reporting for Community Activities and Public Relations, Mrs. Clarence Holmes, Belleville, commended the branches for the various ways they were presenting and reporting Institute activities to the public. She urged friendly contacts and co-operation with other organizations, and a campaign for legible names on rural mail boxes, attractive entrances to farm homes, with name of farm displayed.

Miss Jean Morris, of Frankford, R.R. 2, reported for the Sidney Junior Institute.

Financial Report

Mrs. Finkle gave the financial report showing \$4,177.25 had been raised by the branches. Mrs. Fred Campbell, Foxboro, and Mrs. Harry Coulter, Foxboro, reported for the auditors.

The president gave a resume of her activities during her year of office and spoke of the Conference at Guelph, she had attended as delegate from this district.

A motion of appreciation for her out-

standing leadership and the efficient services rendered by the secretary-treasurer was duly received.

Honored guests were Charter members of West Hastings district, past presidents and secretaries; Miss Grace Hamilton, R.N., representing Department of Agriculture, Women's Institute Branch; Miss Elsie Irwin, Home Economist; Mrs. James Black, Warkworth, Provincial Board Director, Sub-Division 5; A. O. Dalrymple, Agricultural Representative; Mr. Stone, Assistant Agricultural Representative; Reeve H. Wells, Stirling; Mr. W. H. Ireland, ex M.P., Trenton; Rev. J. E. McLean, Trenton; Mrs. Clifford Clancy, district president North Hastings, and Mrs. J. E. McCullough, district president East Northumberland.

The Charter Members present were Mrs. S. W. Lloyd, Belleville, R.R. 5, the first district president; Mrs. John Spencer, Belleville; Mrs. Frank Trevorton, Thurlow, past secretary-treasurer; Mrs. Judson Kelly, Belleville, R.R. 2; Mrs. C. C. Davis, Foxboro. These were presented with a corsage of Tullman roses. Former district officers also received favors.

Reeve Brings Greetings

After the toast to "The King," Reeve H. Wells brought greetings to which Mrs. Percy Westover, Belleville, fittingly responded.

Mrs. George Burkitt, Frankford, 1st

vice president, read a complete list of Charter members and those five present were presented to the meeting and given a suitable ovation.

District presidents during the past fifty years gave highlights of Institute achievements during their terms of office. Those reporting were Mrs. S. W. Lloyd, 1900-1902; Mrs. E. B. Finkle, 1921-27; Mrs. Kenneth Paul, Belleville, R.R. 2, 1933-35; Mrs. Clarence Holmes, 1935-38; Mrs. Casey Ketcheson, of Trenton R.R. 4, 1938-41; Mrs. W. C. West, Stirling, 1941-43; Mrs. Fred Heasman, Stirling, R.R. 4, 1943-45; Mrs. Ben Bleeker, of Hallway, 1945-47; Mrs. S. M. Nicolson, Belleville, R.R. 2, 1947-49, and the present president, Mrs. Roy Bush.

Hospital Given Cheque

A district project of the past six months was terminated when Mr. W. H. Ireland, chairman of the new Trenton and Vicinity Memorial Hospital, was presented with a cheque for one thousand and twenty-five dollars by Mrs. Finkle. Mr. Ireland was overwhelmed with gratitude for this voluntary gift and in thanking the district, reminded us we were building for the future. Rev. McLean, Trenton, addressed the gathering briefly, saying atheists never promote new hospitals, schools or churches. They are built by men and women who consecrate their lives to help and succor those in need. The new hospital in Trenton will be, indeed, he said, a living memorial to our boys who defended the cause of freedom.

Memorial Service

Mrs. Clarence Holmes conducted a memorial service for those Institute members, who during the fifty years had given leadership and service, but who had just gone on. She was as-

isted by Mrs. Bush and Mrs. Finkle. This impressive service was concluded with a solo "Crossing the Bar," by Mrs. Don Rose, Hallway, with Mrs. Roscoe Vanderwater, Foxboro, at the piano.

Mrs. Finkle read congratulatory messages from Miss Anna P. Lewis, director Women's Institutes of Ontario; Mrs. Fletcher, St. Thomas, provincial president, Federated Women's Institutes of Ontario; Hon. T. L. Kennedy, minister of Agriculture; E. M. Collins, department of Agriculture; Miss Violet Graham, Belleville, R.R. 2; Mrs. Walter Grass, Gilmour.

Mrs. Clancy brought greetings from North Hastings, Mrs. McCullough, East Northumberland, and Mrs. Carl Clancy, Wellman's, from the Belleville area. Greetings were also extended by Mr. Dalrymple.

Miss Irwin in her address reminded the district that homemaking clubs had been in existence sixteen years, and last year had reached an all time high record in attendance and achievements.

1st Girls Completing The Project

"The girls' project for next year is 'Cotton Accessories for the Girls' Bedroom.' The Canadian Council of Boys' and Girls' Club Work have issued certificates for club leaders of five years' service and two of these were presented by Miss Irwin to Mrs. Louis Rodgers, Stirling, and Mrs. E. B. Finkle, Hallway.

Birthday Cake Lighted

The past district secretaries, Mrs. Bronson, Stirling; Mrs. Mary Vandervoort, Stirling, R.R. 4; Mrs. Mary Frankford, Frankford; Mrs. E. B. Finkle, Hallway; Mrs. Frank Trevorton, of Thurlow, assisted in the birthday cake lighting ceremony while Mrs. Harold Phillips, secretary-treasurer, Belleville convention area, extinguished them.

To Mrs. S. W. Lloyd, first president, fell the honor of cutting the cake.

Mrs. John Reid, Trenton, 2nd vice-president, read the Mary Stuart collect, after which "Bless Be the Tie That Binds," was sung concluding a delightfully arranged anniversary ceremony.

Mrs. James Black then addressed the meeting, bringing greetings from the Provincial Board of the Federated Women's Institutes of Ontario. She gave a detailed account of the Spring and Fall sessions of the Board, with recommendations for the improvement and success of this district. She urged all Institutes to bring their Tweedsmuir Histories up-to-date and from this record, send on to the department by June 20th, a brief summary of their organization — when organized — officers, outstanding projects, etc.

Mrs. Black urged the film owned by "Children's Film Library of Canada." These are 16 m.m. film and have been carefully screened. "Culture Activities in Communities," should be sponsored by Women's Institutes. A gavel will be presented at the Belleville convention to the Institute with the greatest percentage increase in attendance and membership. The Provincial Board will maintain a test at the Provincial Pique Match in Simcoe County and request Institute members to visit this spot.

Appeal For Fund

An appeal for the continued support of the Scholarship Fund was made. Any Institute raising two thousand dollars may have an individual scholarship named for their branch. These scholarships are used for sending junior rural girls to Guelph for a course in Home Economics.

A two-weeks' holiday at the O.A.C. Guelph, is planned for Institute women beginning July 10th. All expecting to attend, are asked to register by June 25th. The fee is \$3.50 per day. Outings, sight-seeing tours, addresses, music festivals etc., are arranged for the enjoyment of the vacationers.

Mrs. Black closed her address with a plea for further study on the sessions of the day. We must be well informed to intelligently promote projects.

Miss Hamilton graciously presented the Co-operative Program to the delegates with the result — "Brighten Your Home With Color," was unanimously chosen. This one-day course will be held at Bay of Quinte, Uniondale and Stirling Institutes.

The courtesy committee comprised of Mrs. Harold Morgan, Stirling; Mrs. Gerald Herrington, of Frankford, and Mrs. Frank Finkle, Foxboro, reported through their convener, Mrs. Morgan.

Election of Officers
The election of officers was conducted by Mrs. Blanche Rodgers, Stirling, report of the nominating committee by Mrs. Morley Sine, Frankford. The result was as follows:

President, Mrs. Roy Bush, Stirling, R.R. 4; 1st vice-president, Mrs. George Burkitt, Frankford, R.R. 2; 2nd vice-president, Mrs. John Reid, Byron St., Trenton, R.R. 7; secretary-treasurer, Mrs. E. B. Finkle, Hallway; Federation representative, Mrs. Morley Sine, Frankford, R.R. 2; alternate, Mrs. Ben Bleeker, Hallway R.R. 2; district delegate, Mrs. Louis Rodgers, Stirling, alternate, Mrs. W. C. Intimate Journalism

Every newspaper has its own rules and establishes its own tone. As a general thing the rules are the result of widespread newspaper experience, and in Canada the tone tends to be an impersonal, somewhat formal one. But we are always delighted when we hear of a dissenter, and it is a long time since we discovered anything comparable to this notice from a weekly paper in Kansas:

"Ten cents straight a line will be charged for all obituary notices to all business men who do not advertise while living. Delinquent subscribers will be charged 15 cents per line for an obituary notice. Advertisers and cash subscribers will receive as good a send-off as we are capable of writing, without any charge whatever. Better send in your subscriptions, as the hog cholera is abroad in the land."

As a means of making friends and influencing people this may leave something to be desired, but for verve and tang it will not be easily surpassed.

MODERN FARMING

Depends Upon

POWER EQUIPMENT

Never before could a man on the farm get so much work done in such a short time so easily and so efficiently. Modern tractors and power farming equipment have established a new standard of farming operations and farmers everywhere are benefiting from the time-saving and labor-saving features of power machinery.

In the great swing to modern mechanization, Massey-Harris tractors and power machines offer the latest developments in agricultural implement engineering designed to make farming less laborious and more profitable.

St. Paul's-Carmel Silver Jubilee

Year Briefs

(By Rev. A. E. Baker, U.E.)

The Bay of Quinte Conference meeting in George St. Church, Peterboro, last week elected Mrs. Walter T. Elliott to be a Commissioner to the Silver Jubilee gathering of the great General Council of the Church. She will hold office for two years, though required unless an emergency should require it to attend only the ten day sessions to be held next September. Mrs. Elliott is the first of the two women to be elected by the 25th Conference of the Bay of Quinte. Her election is not only a great personal recognition of her qualities of leadership, but an honour to St. Paul's and the Village of Stirling.

Silver Jubilee Services will highlight the 25th Anniversary of the United Church of Canada. Lt.-Col. the Rev. Sidney E. Lambert and Mrs. Lambert will be our guests and will share in all services. Col. Lambert will bring a brief message to the Carmel congregation in the afternoon and by special request repeat his great message "Going The Limit," at St. Paul's at night. (8.00 p.m. D.S.T.).

Veterans from many centres will honour the unequalled service of Col. Lambert by their presence Sunday night. The Dominion President of the "Amps," has been described as the Padre with "one foot in heaven." The Stirling Branch of the Canadian Legion will provide a color party and spearhead the occasion.

A farmer termed last week's showers a "million dollar rain." What could better emphasize an expression of gratitude to Almighty God? The return of your Missionary and Main-

tenance Fund envelope next Sunday with a generous gift provides a ready means of thanksgiving.

A Silver Jubilee Thank-Offering of \$1000 would go far in meeting our objective for 1950 of \$1640. There are approximately 250 families represented in the Stirling Pastoral Charge. Participation by everyone is desired by either or both of the open channels namely the regular return of the red pocket weekly envelope or the use of the special envelopes sent with the Silver Jubilee Appeal to each recorded address.

The Moderator's appeal for the Manitoba Flood Relief includes new quilts, sheets, pillows and pillow cases, towels, new or good used blankets, but not used clothing. These articles should be sent prepaid to Grace United Church, Winnipeg. Cash donations for this Fund should be paid to Mr. C. E. Macklin or Mrs. Chas. Bailey.

The Silver Jubilee observance of the Lord's Supper at St. Paul's at 11.00 a.m. and Carmel at 3.00 p.m. next Sunday, falls on our regular quarter day. Every member of the Church will please be particular to record attendance by an attendance registration card to be supplied by the ushers.

The Session invites all who are followers of Jesus Christ whether members of the congregation or not to share in this observance if it is in their heart to do so.

All who desire to join the Church on Sunday whether by transfer of membership or on profession of faith, please advise the minister of the clerk of Session.

The pictures of 24 graduate woman workers has been placed on the Church bulletin board. They are on their way to serve as nurses, teachers

and specialized workers in Canada. (15) Japan, (4) and Central India. (5)

Peter Headman was awarded "The Bk Fisherman" for attendance and interest in St. Paul's Junior Choir for the month of May.

Mr. Meighen Rodgers has succeeded Mr. Everett Ketcheson as Registrar of Sunday attendance under the Cross and Crown system.

The work of the W.A. has steadily progressed since its organization through the untiring efforts of Rev. Saford A. Dixon in 1933 at the Tabernacle Church, Belleville. The first president was Mrs. J. A. Lott, Frankford, who presided for three years. She was succeeded by the following who have each held office for two years: Mrs. C. E. Macklin, Mrs. F. Lent, Mrs. Florence Bateman (McKeown), Mrs. E. Ward, Miss Audrey Brickman, Mrs. Harold Elliott, Mrs. J. M. Woods, Mrs. G. Dobbs has just entered upon her term of office. These fine women have rendered great service to the Church. Mrs. Lott, the first president has been a continuous member of the Executive and for many years has been the District Organizer.

The Mid-Century World Convention on Christian Education will be held in Toronto August 10th to 16th. Delegates will be present from all parts of the world.

Application forms for girls aged 12 to 14 years to attend Quin-Mo-Lac Camp July 12th to 22nd are now available. They must be sent in by June 15th.

It was a privilege for our Minister to visit the fine people of Moira and West Huntingdon congregations last Sunday morning. He complimented the builders of the Moira Road.

To meet requests an order has been placed for new Pew Bibles for dedication on Father's Day. All persons desiring to honour "Father" by this worthy means will please call the minister or Mr. Robert Patterson.

Charter members will be presented with the Silver Jubilee pins at the close of the evening service. Seats will be reserved for them on the left front of the Church.

Pews will be reserved for Silver Cross mothers and all veterans at the right front of the Church.

The Junior Choir will sing from centre front of the gallery. Reserved sittings will only be held until 7.45 p.m.

We regret the omission from the published list of Charter Members of the names of Mr. and Mrs. Wm. Patterson, Mr. and Mrs. Oliver Stapley, Mrs. Arthur Hulin and Rev. and Mrs. Baker. Mr. and Mrs. R. B. Duffin, Mrs. Warren Preston, Mrs. C. A. Wells.

Veterans of the District Command Canadian Legion will muster at St. Paul's Sunday night to hear the beloved Padre, Col. Lambert.

Dr. James Semple Leaving Peterboro

An exchange of pastoral charges between the Rev. Dr. James Semple, of George Street United Church, Peterboro, and the Rev. Arnold Matthews, Trinity United Church, North Bay, was announced at the final session of Bay of Quinte Conference meeting held in Peterborough on Friday. The transfer will take place early in September.

Dr. Semple went to George Street six years ago after a successful pastorate of 12 years at Bridge Street United Church, Belleville. Dr. Semple was born in Ireland and entered the ministry of the Irish Methodist Church in 1910.

Major J. Foote, V.C. Spoke at St. Paul's

The gallantry of Major John Foote, V.C., whose courage and sacrifice on the beaches of Dieppe was recognized by the awarding to him of the Victoria Cross, most coveted of a nation's honours, was seen Sunday night at St. Paul's Sunday School Anniversary and flower Service, when he, a Presbyterian, extended graciously every good wish to the United Church in its Silver Jubilee observance.

Major Foote is the member of Parliament for Durham and Deputy Liquor Commissioner for the Province. He said we should "build the house of life so big that nothing as pitiable as liquor can destroy it." He continued the Sunday School can do much to build character, honour, honesty and service the safeguards from shipwreck but it could not do as much as it used to because the home was not backing it

as it should.

"Men who fail to respond to the means of grace are damned," said the speaker in this sermon based on the parable of Dives and Lazarus. When man failed to honour God's World, absented themselves from Church and neglected the sacraments by a "loyalty to the lowest" they fixed a gulf between them and God. He paid a tribute to the careful parental training he received and rebuked the attitude which asserts "I got so much religion when I was young I turn from it now," as a misrepresentation.

Major Foote was given a civic welcome by Reeve Harold J. Wells and was accompanied by Mrs. Foote and Mr. and Mrs. J. W. Cumming, of Port Hope.

In a special tribute to the Reynolds brothers he said their rendition of "Watchmen What of the Night," was well worth coming many miles to hear. He was delighted to hear Wm. Aylsworth from his native Madoc, so splendidly play Handel's "Largo," and "The Holy City," on the Silver Cornet. The Anthem "O Gladsome Light," interpreted by the Choir and the organ music received his unstinted praise.

Clerk of the Session, Geo. Carlisle, presided in the absence of Supt. J. L. Good of the Sunday School. His grasp and grace was an inspiration. Rev. W. H. V. Walker pronounced the benediction.

Large pink tinted silver letters "25 yrs." glistened high on the organ front, while a wall of lilacs of every shade dotted with many coloured tulips and bleeding hearts surrounded the pulpit and altar rail. A pulpit announcement read "we are grateful to Mrs. Walter Elliott and Mrs. Preston for the decorations and arrangement of flowers in the sanctuary and to Mr. C. A.

Mount Pleasant

All the ladies at Mount Pleasant are cordially invited to attend the Twenty-Fifth celebration of Union sponsored by the Woman's Missionary Society at the Church on Wednesday afternoon, June 14th, at 2.15 p.m. Guests have been invited from near-by points, and a good programme is planned for this special meeting. Refreshments will be served by eight members Mrs. Herbert Smith, Mrs. Raymond McConnell, Mrs. Kenneth Weaver, Mrs. Ross Jeffs, Mrs. John Mulhoren, Mrs. Ralph Jeffs, Mrs. Burton Sharp and Mrs. Frank Spencer Jr., with Mrs. Milford Wrightman as Conventor.

The kitchen duties will be in charge of ten members, Mrs. Gordon Linn, Mrs. Will Potts, Mrs. Cyrus Summers, Mrs. Blake Sharp, Mrs. Elwood Johnson, Mrs. Ross Hoard, Mrs. Roy Thrasher, Mrs. Frank Jeffs, Mrs. Percy MacMullen and Mrs. George Weaver.

Mrs. Frank Smith, Corresponding Secretary wrote the letters in invitation. Mrs. John Holmes and Mrs. Geo. Weaver will welcome the guests.

Two other members, Mrs. John Hay and Mrs. Arthur Phillips will be special guests if they are well enough to attend. The society has 5 life members and eighteen annual members, and was organized in 1901. Mrs. Roy Thrasher is the President and will preside on this auspicious occasion. A silver collection will be taken for Missions.

The pupils enjoyed a holiday on Monday, June 5th, to celebrate the King's birthday.

Mr. and Mrs. Sid Williams entertained Mr. and Mrs. C. Reid and family of Trenton, on Sunday.

Mr. and Mrs. Frank Smith spent a few days in Toronto, when Mrs. Smith and her sister, Mrs. A. Sweeting celebrated their birthday anniversaries.

Mrs. Mac Martin, of Ormsby, and a group of ladies from that district recently called on an old neighbour, Mrs. James Menzies.

Mr. and Mrs. Ross Hoard, Mrs. John Holmes, Mrs. Frank Jeffs and Mrs. Roy Thrasher attended the funeral of Mrs. F. G. Joblin at Port Perry United Church on Thursday afternoon, and

F. R. MALLORY, Clerk

Hello Homemakers! When one becomes interested in frozen food equipment for the home, many questions as to type, size and usefulness of equipment comes to mind. If there is a freezing locker plant in the district, you may not have any intention of buying a home freezer. The freezing unit will be your best buy when garden produce, poultry and meats, are available where you live, or at wholesale prices. The home freezer is the type where produce is frozen and kept frozen in a constant temperature of below 10 degs. If the country home owner is interested in selling produce such as poultry, eggs and fruits, then a zero cabinet or a space rented in the chilling room of a locker plant is advisable.

The decision whether a home freezer will be of value or not depends on how much produce can be grown at home or purchased at wholesale prices and whether you can keep that freezer filled to capacity for practically the year round. The operation is not much more than 2 kilowatt hours a day if the home freezer is kept filled. Defrosting should only be necessary once every 8 or 12 months. At this time the method is simply to disconnect the cabinet at the convenience outlet and remove packages to a well-padded box then scrape the frost with a dull tool such as a wooden ruler.

TO PREPARE FRUITS FOR FREEZING

1. Fruits are prepared in the same manner as for the table or for other use—sort, wash and drain.
2. Precautions are:
 - (a) Select varieties recommended by your local agricultural advisor.
 - (b) Use only firm, well-ripened fruit.
 - (c) Wash quickly with as little handling as possible (clean fruits—raspberries and strawberries—do not have to be washed).
 - (d) Drain fruits on a clean tea towel or cheesecloth, pack into cartons allowing one inch of head space at the top.
 - (e) Fill cartons with a thin, cool syrup to cover the fruit.
 - (f) Seal, using melted paraffin or heat-seal method.

If packages are to be taken to a locker plant, we suggest that you place each package (as it is filled) in your electric refrigerator until all cartons are filled and ready.

3. Such fruits as black and red raspberries and strawberries will freeze

and keep their colour without addition of sugar or water although the appearance is better with a syrup for fruit to be served as preserves.

4. Blanching of peaches and similar fruit is necessary to remove skins. It is advisable when packaging peaches and pears to use 1 tsp. of citric acid in the syrup to prevent discoloration.

5. Strawberries hold their shape and do not float in syrup if they are left to soak in syrup overnight before packaging—the same holds true in canning strawberries.

6. Fruit juice, raw or cooked, keeps frozen in quart or pint jars providing one inch of head space is left before placing on the rubber band, glass top and screw head.

7. Vegetables may be frozen on the same day as fruits and placed in the same size cartons.

THE QUESTION BOX

Mrs. A. H. asks: How can we cook beets in a pressure cooker to keep them a good red colour.

Answer—To cook beets in a pressure saucepan, wash thoroughly, leaving all but one inch of tops and the roots on. Place beets on rack with ½ inch water in the pressure saucepan. Adjust cover and allow steam to flow out the vent to release all air, then place on indicator and cook for 10 mins. at 10 lbs. pressure. It is necessary that the saucepan be cooled immediately by placing in the sink or in a pan of water filled to one-half its depth. Remove the cover as soon as the pressure is normal and skin beets. Season with salt before serving to maintain deep red colour.

Miss S. R. asks: How to prevent a fresh fruit pie from boiling over?

Answer—Allow 3 cups of fruit for a 7 inch pie and blend together with 2-3 cups sugar, 4 tbsps. flour, 2 tps. tapioca, and 1½ tbsps. lemon juice. Wrap a piece of wet parchment paper along the edge of the filled pie plate and place pie in a preheated oven at 450 degs. for 10 mins., then reduce the heat to 350 degs. for about 30 mins. To reduce the heat simply move the indicator on an electric oven to 350 and let the temperature gradually fall.

The newly-reconditioned flagship of the Canadian Pacific's Atlantic fleet, the 26,000-ton Empress of Scotland is pictured above as she passed Father Point on the St. Lawrence River just 120 hours and 36 minutes out of Greenock, Scotland, to establish a trans-Atlantic record between those two points on her post-war maiden voyage completed last week. Plying between Liverpool, Greenock, and Quebec City,

the three-funnelled speedster carried on her first voyage the All-England Football Team (lower left), which included among its ranks such stellar performers as Stan Matthews, Britain's "Mr. Football." The team, on a tour of Canada and the U.S. will play in Montreal, Toronto, Winnipeg, Calgary, Regina, Vancouver, Victoria and Detroit. Lower right inset shows the skipper of "Scotland," Captain E. A. Over 400 Ladies Attend Annual Convention W.A. and L.A. Societies

Over 400 ladies attended the 18th annual convention of the Women's Association and Ladies' Aid Societies of Prince Edward and Hastings Counties, of the Belleville Presbytery of the United Church of Canada, convened in St. Paul's United Church Stirling, on Thursday, May 25th.

Mrs. J. Wood, president, presided. Community singing was in charge of the Stirling group with Mrs. Walter Elliott as song leader.

The devotional period was in charge of the Salem (Ivanhoe group). The Scripture was read by Mrs. Heagle, and the "Lesson Thoughts" by Mrs. McGee. The treasurer's report was given by Mrs. Murphy, which showed a balance on hand of \$145.63.

Mrs. C. Macklin extended a cordial welcome to Stirling and hoped that the combined meetings would be profitable to all. She also read an address of welcome, to which Mrs. N. McKibbin, of Picton, responded, thanking Stirling for their kindly welcome and hospitality. Greetings were brought from the Belleville Presbytery W.M.S. by Mrs. F. Wilson.

How To Live

The president's address was given by Mrs. J. Wood, who asked "What are we going to do today? Are we going home inspired to live as God would have us live?" Let us look back at Jesus' three years of ministry. He had just so long to preach and teach and yet He turned the world upside down. He healed the sick, restored sight to the blind, and did everything to make this a better world.

The secretary's report was given by Mrs. Morley Davidson and the story of the year by Mrs. A. Pye, of Carmel, who gave reports from 70 W.A. Societies having a total number of 2,268 members. Visits made, totalled 3,071, and the amount of money raised, \$35,612.14. This was an increase over last year. Following this report, Mrs. Baker, of Stirling, favored with a fine vocal selection, "Count Your Blessings."

The temperance topic was taken by Mrs. Farnsworth, of Belleville, the motto being, "For God and Home." She said, it was a pity so much money was spent on alcohol, gambling, movies and tobacco. The church comes fifth.

More money is spent on each of the others than on the church. It is the women of this country who set the standard and if women would respond against the evil, they could overthrow it. Let them join hands, and under God's leadership, to protect the boys and girls across Canada.

Faithful Women

In her address, Mrs. Gage, of the Salvation Army, Belleville, said that in Jesus' time the women were His greatest followers. They were not looking on, they were ministering to Jesus and His deeds. They were storing up His presence and deeds in their mem-

ories. Jesus came as a guest of Simon, but he was not given the courtesy usually extended in those eastern homes, of a basin of water to wash His weary sore feet.

Mary came with the precious alabaster box of ointment and breaking it, anointed Jesus' feet. Jesus said that she had done a good deed, but Judas said the ointment had been given to the poor. Mary loved her Lord, and the expensive gift of ointment was her only way of showing it. Let us not keep our alabaster boxes of love sealed up from our friends, but tell them now; give the flowers while there are still here to appreciate them.

Mary had to deny herself of other things to give Jesus that which was worthwhile. Have we poured out our best on our crucified Saviour? May we not perfect in doing the things that lie before us before it is too late.

It is believed the Garden of Gethsemane was owned by the mother of Mark who loved her Lord. She and her son were both followers of Jesus. Jesus went to the garden so many times alone to pray; what wonderful thoughts Mark and his mother must have had in that garden!

It was also women who were the last from the cross, and the first to the tomb. They planned the removal of the stone and the anointment of Christ's body; they were the ones who were faithful to His ministry. Women today have just as much to give if they are only faithful.

Beautiful Reflected Picture

Mrs. Gage also told a story of a woman who travelled to a far country to see a beautiful picture, but after arriving at the art gallery, was unable to find it. Disappointed, she saw a large crowd around a huge table in the centre of the room whose top was covered with a beautiful mirror in which was reflected the picture she had wanted to see. In the dome it was so small, but readily seen in the reflection.

So many of our lives reflect and bring our gifts of love and service to Jesus. This address was an inspiration to all who were privileged to hear it.

Following the morning session, the ladies of Stirling served a delicious dinner which was enjoyed by all present.

At the afternoon session community singing was in charge of the Stirling group.

Mrs. Embury, of St. Ola, was called to the platform and Mrs. Wood extended congratulations to her as Mrs. Embury has been a member of the W.A. for 54 years.

The devotional period, under the supervision of Bethel, was taken by Mrs. Ernest Way and opened with a poem. The Scripture was Matt. 12. Mrs. N. Crawford presided at the piano. Mrs. Folkard favored with a solo, "His Eye is on the Sparrow."

Mrs. Harry Alder led in prayer and "Lesson Thoughts" were given by Mrs. Norman Crawford. Today one hears much about the open Sunday. God bless the Seventh Day. One of the Commandments states we are to remember the Sabbath Day to keep it Holy. When Sunday ceases to be a day of rest it will become a day of unrest.

A solo by Mrs. Scott, Shannonsville, "Bless This House," was specially pleasing.

Church Must Advance

Mrs. Garnet Dobbs introduced the guest speaker, Mrs. C. H. Searles, of Sarnia. She said, "There is an undercurrent, we must advance." Mrs. Searles had attended a convention of the Council of the Church Women in Milwaukee, of 84 Protestant denominations. Hence the need for a body of women to speak as one voice. Ten million women can change the course of the world. On Sunday there were 43 Protestant churches in Milwaukee occupied by 43 women as speakers at their Sunday services.

At this convention 2,500 women met in one large auditorium whose theme was "Thy Kingdom Come." The Hands of Christ reach out to the torn nations of the world. Most women are capable of living nearer to God than men. It will never again be repeated, the Birth of Christ; but every woman has a great responsibility to her home, her family, and her church.

The purpose of the W.A. is to assist the pastor in his pastoral work. The W.A. is the parent or the mother of the church. The W.A. will be a training place for all officers, and by all means train your women to pray. Women don't know how to pray.

Need For Real Prayer

A Missionary from Japan said, "going to a prayer meeting in Canada was like taking a cold bath in December." She said if you wanted to hear women pray you wanted to go to Japan. Women, what are we giving our children to live up to? How many children ever hear their mother's

voice in prayer? The W.A.'s responsibility is to the parsonage. All must make it a thought and a prayer. It is our task to welcome strangers into the community and church. We must assist in the pastoral work, spiritually, and socially, by knowing God our selves. Do others looking at you see God in you? The majority of people today are Christian by name only. A new spirit must infuse humanity. We must develop spiritually in our home, church, community and nation.

Dr. Sisco said that on his return from Europe "we haven't the slightest idea of the sin and suffering in the world today. We must help socially by being a friend to all, putting the love of God in our work. We must release the Christ in us to others. The W.A. and the W.M.S. are the largest units in Canada and must work together." In closing she told of the large audience in Milwaukee at eight o'clock in the morning when they met and had communion.

A beautiful solo was then rendered, "Were You There When They Crucified My Lord?" which stirred the hearts of each one present. What are we going to do when we go to our homes? Mrs. Searles closed this wonderful address with prayer.

Installation of Officers

Report of the nominating committee for 1950 was read by Mrs. R. W. Neelands, and Mrs. J. A. Lott installed the following officers—Hon. Pres. and District Organizer, Mrs. J. A. Lott, of Frankford R.R. 2; Past Pres., Mrs. J.

M. Wood, 142 Queen St., Belleville; President, Mrs. G. E. Dobbs, 163 Yeomans Street, Belleville; 1st Vice Pres., Mrs. M. R. Davidson, Belleville R.R. 7; 2nd Vice Pres., Mrs. Ellis Mather, of Bancroft; 3rd Vice Pres., Mrs. Wesley Kiser, Concession Ont.; 4th Vice Pres., Mrs. Perry Paul, The Ridge, Ont.; Secretary, Mrs. Arthur Pye, Frankford R.R. 3; Treasurer, Mrs. Harry Murphy, 28 Everett Street, Belleville; Press Reporter, Mrs. W. Kingsley, of Concession.

Executive

Mrs. Norman Crawford, R.R. 8, Picton; Mrs. Walter Elliott, Stirling; Mrs. B. Tanner, Madoc; Mrs. Jack Parrott, R.R. 4, Belleville; Mrs. Rae Ferguson, R.R. 2, Concession; Mrs. G. Meiklejohn, Springbrook; Mrs. W. Bush, R.R. 5, Belleville; Miss Audra Brickman, Carrying Place.

After the installation ceremony was over, Mrs. Harold Elliott, on behalf of the convention, presented Mrs. Wood with a gift at the close of her term as President. Mrs. Noble Brown, of the Courtesy Committee, extended thanks to all who had made the convention, such a success; to the ladies of Stirling for their excellent dinner, and to speakers for their excellent addresses; to one and all who helped in every way to make the convention such a fine success.

NEWS FOR THE BUSY FARMER

LUBRICATION OF FARM MACHINERY

Good maintenance of farm equipment requires the careful selection and correct and regular use of suitable lubricants. Costly precision built machines or parts, such as tractor and threshing cylinder bearings justify the use of good quality lubricants, even though they may cost a little more points out H. J. Kemp, who is in charge of machinery and equipment development at the Dominion Experimental Station, Saanichton, B.C.

Generally lubricants are obtained from three main sources, and are classified as animal, vegetable and mineral. Lard, tallow and fish oils supply mineral oils. Cotton seed, rape seed, flax seed, castor beans and olives are examples of vegetable oils. Mineral oils are obtained from crude petroleum. Different kinds of lubricants are obtained by combining and blending these three types of oil.

The combining of animal, vegetable mineral oils and other ingredients is not a hit and miss arrangement. All high grade lubricants today are the outcome of research by scientists and engineers of commercial and other institutions. Many factors which complicate lubrication have made this necessary. Various loads or pressures, speeds, temperatures, chemical action, design and manner of operation or working parts, high and low grade

fuels, exposure to dust or grit, are a few of the problems which lubricants are designed to meet. The conditions under which most farm equipment must operate are not ideal from an engineering standpoint, but manufacturers of farm implements and their designers have provided satisfactory methods for lubricating their machines. For this reason, the lubrication instructions supplied by the implement manufacturer should be followed closely. Oil companies also supply much valuable information as to kinds of oil and their correct use. The Agricultural Engineering Department of Universities and the Dominion Experimental Farms Service may also be consulted.

POTATO BLACKENING CAUSING CONCERN

Why potatoes turn dark when cooked is a question that is being asked by consumers in many parts of Canada. For years scientists in different parts of the world have been asking the same question, but so far without much success. They admit that the problem is an involved and complex one and agree that no single factor is responsible for this blackening of potatoes on boiling and suggest that a combination of related factors all play some part in the process.

Some of the contributing factors causing potatoes to discolour on cooking are considered to be temperature, fertilizers, soil, variety and certain complex chemical factors that to date are proving elusive to investigators. They do know, however, that temperature plays some part in increasing or accelerating the production of the factor that eventually causes the blackening in the potato. Investigators have found for instance, that little or no blackening was observed in potatoes that matured when the temperature was 70 degrees F. or higher, but that blackening was increased when the temperature dropped to 60 degrees.

Realizing the importance of the problem to the potato growing industry, N. M. Parks, Associate Horticulturist and Potato Specialist, Central Experimental Farm, Ottawa, has set up an extensive series of experiments to study the problem. In addition to these investigations being conducted by the Experimental Farms Service, the problem is also receiving attention by the Canadian Fertilizer Advisory Board for Ontario and by other provincial agencies.

WORLD CATTLE NUMBERS RISE

Cattle raisers in most parts of the world have expanded their herds during the past two years due to the improved feed situation and the strong demand for beef and veal. Cattle numbers in Asia, Europe and the Soviet Union are on the increase, though the figures are still below pre-war, with no increase reported from Africa and South America. Considering North America as a whole, there are more cattle than a year ago, United States accounting for the increase, as Mexico has been hard hit by foot-and-mouth disease, with Canada showing even fewer cattle than pre-war, the result of cutting the cattle population over a six-year period.

NEW FIRE-FIGHTING EQUIPMENT

A summer toboggan, aimed at removing the pack from the back of the hard-pressed bush fire-fighter, has proved successful in early trials and now the Research Division of the Ontario Department of Lands and Forests is making three more of the gasoline-powered pack-carriers.

Sportsmen who recently visited the Southern Research Station of the Department, near Toronto, were intrigued by the little machines which, powered by a single-cylinder motor, will carry seven hundred pounds of fire fighting equipment up hills which would exhaust a pack-carrying ranger. They are driven by a half-track arrangement and steered through a dual clutch which throws one track out of gear while the other continues turning. The carriers are reversible and will operate for hours on a single tankful of gasoline.

A complete fire-fighting unit, including a power pump, bags of hose, nozzles, extra fuel cans and other equipments, can be portaged through the bush by a single man. Ontario has taken the lead in developing these little machines to their present standards of efficiency.

TWENTY-SEVEN GIRLS — including Mary Dee Girroir, the leader (middle) make up the Armdale Chorus which broadcasts a fifteen-minute programme on the CBC Trans-Canada network every Saturday evening at 7.00 o'clock. The group is named after the suburb of Halifax where — eleven years ago in a public-school classroom — several of the present members first made music together, Miss Girroir has been the guiding light from

the start and arranges many of the selections herself. She is also head of the vocal department of the Maritime Academy of Music. Solest with the girls on June 3rd will be Terry Monaghan. Selections on that date will include Memory Lane, In the Shade of the Old Apple Tree, Along the Pathway (by Charles Rice, of Montreal) and Sing You Sinners. In July the chorus will sing at the famous lobster festival at Shediac, New Brunswick.

PULVER — BROOKS

On Saturday, June 3rd at 2:00 p.m., a very pretty and impressive double ring ceremony took place at the home of Mr. and Mrs. Gerald Brooks, River Valley, when their daughter, Doris Mae, was united in marriage to Mr. Morris Wilbur George Pulver, son of Mr. and Mrs. Melvin Pulver, Carrying Place.

Rev. Henderson, of Rednersville, officiated, while Miss Nina Hudgins, of Selby, played Lohengrin's Bridal Chorus. The bride party made a very pretty picture as they took their places beneath an arch of evergreens, with pink and white streamers and flowers, centred with a large white bell.

The bride, given in marriage by her father, looked beautiful dressed in White Slipper satin, with sweetheart neck line, long tight sleeves coming to filly points over the hands, long scalloped waist line, tight bodice and a long full skirt. She wore a white satin Juliet cap with silk net fingertip veil with lace, and carried a white Bible with cream roses, lily of the valley and white ribbon.

Miss Elsie M. Richardson, of Belleville, was bridesmaid. She wore a pale green taffeta dress, fashioned on similar lines with short sleeves and mitts. Her headress was a green braided halo, and she carried Talisman roses and mauve sweetpeas in line arrangement.

The groom was attended by Mr. Wilbert Green, of Carrying Place. During the signing of the register, Miss Jean Rathbun sang, "Because."

The bride's mother, wearing a grey

and blue figured dress, a corsage of Talisman roses, sweet peas and lily of the valley, received assisted by the groom's mother, who wore brown and blue figured dress, with a corsage of cream roses and sweet peas.

At 4:30 p.m. the bridal party and about 30 guests were invited to the large dining room, which was beautifully decorated with bells, candles, pink and white streamers, where a luncheon was served by Misses Ruth Richardson, Jean Martin, Shirley Tanner, and Marion Stickle, with Mrs. Roy Irven, Mrs. Stanley Irven and Mrs. Roy Bush assisting in the kitchen.

The bride and groom left for Toronto and points west. The bride wearing a robin egg blue suit with black accessories. On their return they will reside on the groom's farm, Carrying Place.

Out of town guests were present from Selby, Lansdowne, Consecon, Carrying Place, Thomasburg and Belleville.

The bride is a granddaughter of the late Mr. and Mrs. John Green, of Rawdon.

BROWN—BARTON

In their future home, beneath an archway between two tastefully decorated rooms, and in front of a fireplace banked with mauve and white lilacs and foliage, Lois Grace, eldest daughter of Mr. and Mrs. Orris Barton, of Springbrook, and Roy Carman, second son of Mr. and Mrs. George Brown, of Hastings, were joined in holy wedlock at twilight on Monday, June 5th. Vases of iris, snowball, lilac and fern beautified the windows and other rooms, filling them with their delicate fragrance.

Rev. N. Cole, of Hastings, officiated. The bride wore a dress of tinted mauve taffeta, which blended perfectly with the quiet twilight hour. Her accessories were white, with a bouquet of yellow tulips, lily-of-the-valley and baby breath.

Mrs. Roy Tucker was her sister's bridesmaid. Her dress was of pale yellow with yellow and white accessories.

Geordie, 5 month old nephew of the bride, made an adorable little ring-bearer.

Mr. Roy Tucker, of Stirling, brother-in-law of the bride, was groomsmen. Following the ceremony Mr. and Mrs. Brown left for a trip through New York State.

Grane, pastor of the First Presbyterian Church officiated. Interment was made in Pomona Cemetery.

Mrs. E. H. Cumming is a sister of Mrs. Archie McGee and a sister-in-law of Mrs. Geo. Megginson of this village.

Present Roses To
Charter Members

The memorial basket of roses used at the Fiftieth Anniversary of West Hastings was divided and Mrs. Percy MacMullen had the honour of visiting Mrs. Duncan Ketcheson at the Green Nursing Home, who is a Charter Member of West Hastings District W.I. and presenting her with roses on behalf of this organization.

Mrs. Roy Bush visited Mrs. R. P. Coulter, a Charter Member of Stirling W.I., and made the presentation of roses to her on behalf of the District W.I.

Other flowers were sent to Mrs. Violet Graham, Belleville, another Charter Member.

St. Paul's-Carmel Observe Silver Jubilee of United Church of Canada

Lieut. Col. Rev. S. Lambert
Guest Speaker — Veterans
Attend Evening Service

From the thrilling story of the awakening of small communities in Saskatchewan who regarded as a folly two or three churches where one was sufficient thus spear-heading the great Church Union movement as related to the Sunday School by Mrs. Walter Elliott to the singing of the Doxology at the close of the evening service last Sunday was a great day for the congregations of St. Paul's and Carmel.

Lieut. Col. Rev. Sidney Lambert, O.B.E. spoke to the boys and girls at the morning service, brought a stirring message at Carmel in the afternoon, visited the Green Nursing Home and rounded out a full day with a thrilling message on "Going the Limit," to a congregation which overflowed into the gallery at night, including veterans who paraded under the auspices of the Stirling Branch of the Legion.

Col. Lambert paid gracious tribute to the work of the United Church, whose broad vision was pioneering the unity of Christendom. He cited the actions of a terribly mutilated "vet" who reached to the earth from his stretcher to rub it over his face so glad to be back home. Love of God and love of country were extolled by this veteran who served in the ranks in France and paced the "Lambert Walk" at Christie St., and later Sunnybrook Hospitals for over a quarter of a century.

Col. Lambert assisted the Minister in the observance of the Sacrament of the Lord's Supper at both St. Paul's and Carmel. He was accompanied by Mrs. Lambert and their son George. Col. Lambert was accorded a civic welcome by Reeve Harold J. Wells who also graciously received the visiting ex-servicemen.

Buglers from the R.C.A.F. sounded a fanfare, Last Post and Reveille calls. Due honour was paid to our war dead. The color party, the parade of veterans and the arresting music of our village band directed by Bandmaster Maurice Bell, as the veterans marched to the service will long be remembered.

A really notable ministry of the day was the naming by Col. Lambert of the Junior Choir. Henceforth it shall be called the "Royal Stirling Junior Choir of St. Paul's Church." This choir sang from the gallery at night, "Come Loyal Hearts."

The Church Choir did itself and Stirling great credit in the interpretation of the "Festival Te Deum," by Dudley Buck. This composition demands the best of every section. The rendition was superb in direction, balance and tonal qualities. Soloists and sections turned in a most creditable ministry. The evening prayer was concluded with the Lord's Prayer ably sung by William Reynolds.

Intermediates Drop Two Games

The Stirling Intermediates dropped two close games during the past week. On Friday night at home they lost to Campbellford 4 to 3, the winners putting across the winning counter in the ninth inning, and on Monday night in Frankford they were defeated 4 to 2 in a thrilling game. Inability to hit with runners in scoring position cost them both games.

Minto Midgets Defeat Frankford

Minto Midgets defeated Frankford 15 to 8 on the latter's home diamond Saturday night to share the league leadership with West Huntingdon. Colden and R. Ray formed the winning battery, with the former giving up 12 hits and 3 walks and having 7 strikeouts. Burkitt and Wannamaker divided the pitching duties for the losers and gave up 10 hits.

Frankford 1 0 3 1 0 2 1 — 8
Minto 0 2 3 7 1 2 x — 15

In the other scheduled games here West Huntingdon defeated Rotary 12-8 and Merchants defeated Glen Ross 21 to 10.

Awarded Decoration Of Chivalry

Miss Evelyn Bailey, of Harold, Past Noble Grand of Laurel Rebekah Lodge No. 211, Stirling, was among those awarded the Rebekah Assembly's decoration of chivalry on Monday at the annual sessions of that body in Toronto.

The award is made for "meritorious service to their fellowmen by the relief of the wants and sufferings of common people."

Miss Bailey, who is a Past District Deputy President, has taken an active part in the work of the local Rebekah Lodge, and the award is well-merited.

Has Operation

The many friends of Mrs. Charlie McMaster, Springbrook will be sorry to learn she underwent a major operation on June 8th in Belleville General Hospital. The latest report is that she is progressing favourably.

Newly-Weds Honoured By Friends

Friends and neighbours gathered Tuesday night at the home of Col. and Mrs. Roscoe Vanderwater to honour their daughter, Alison, and her husband, Mr. Basil Kuglin.

Rev. F. Gilbert was chairman for the evening and wished the bride and groom much happiness and joy during the coming years. Mrs. Fred Campbell led in community singing; Mrs. Chas. Ross gave a humorous reading; Barbara Brown and Winnifred Parks sang a duet, "Fairies," and John Campbell played a piano solo, "Cruising Down the River."

Mrs. Harry Coulter read the address and Mrs. Berson Mitts and Mr. Farley Lindenfield made the presentation of a coffee table and cushion.

Mr. and Mrs. Kuglin thanked their friends for the lovely gifts and invited all to visit them in their home at Toronto. The ladies served refreshments.

Shower Held For Miss Violet Cooke At Her Home, Harold

A delightfully arranged kitchen shower was held in honour of Miss Violet Cooke at the home of her parents, Mr. and Mrs. Albert Cook on Friday evening of last week.

Mrs. Everett Sine very capably acted as chairman for the evening. Mrs. Carman Sine and Mrs. E. Colden led in community singing. Readings were given by Mrs. Albert Tweedy and Mrs. Delbert Sine. Songs were sung by Lois, Marion and Shirley Broadworth, Marie and Carol Sine and Mrs. E. Colden. Several impromptu speeches were given. All congratulated Violet and extended best wishes for her wedded life. Miss Evelyn Bailey then read an address and Violet was presented with an array of kitchen gifts, after which the bride very graciously thanked everyone and invited all to visit her in her new home. A bountiful lunch was then served.

Charter Members Honoured

As arranged by the Silver Jubilee Committee all members of St. Paul's and Carmel Congregations who were recorded on the books of the United Church of Canada on June 10th, 1925, were invested with the special Silver Jubilee Church Crest pin at the afternoon and evening services on Sunday last.

At Carmel the presentations were made by Mrs. Sidney Lambert, assisted by Miss Marion Carlisle, President of the Woman's Association. At St. Paul's the presentations were made by Harold Hagerman, Recording Steward and George Carlisle, Clerk of Session, ably assisted by Mrs. R. A. Patterson. All who were unable to receive their pins last Sunday are asked to see Mrs. Patterson.

Dainty refreshments were served at the close of the evening service to Charter Members and their friends in the Sunday School Hall.

PLAN BOWLING ALLEYS HERE

Good news for the lovers of good clean recreation in Stirling and community is contained in the announcement this week by Don Ross that he plans to erect a building to house six bowling alleys in the village. He has purchased the lot just west of W. A. Sutherland's Feed Store and will erect a cinder block building 50' x 100', with stucco exterior. In addition to the alleys, space will also be available for a refreshment counter and lockers. Work on the construction is expected to start in the near future.

Sells Home

James V. Holt has disposed of his property on the north side of Front St. to Mrs. Florence Way, of Trenton.

Graduates In Engineering

Congratulations are extended Roy H. Thompson, son of Mr. and Mrs. Kenneth Thompson, Springbrook, who has secured his Bachelor of Applied Science Degree in Chemical Engineering at the University of Toronto.

The graduation ceremonies at Convocation Hall, Toronto, on Wednesday last, June 7th, were attended by his parents, Mr. and Mrs. Kenneth Thompson and sister, Miss Doris Thompson.

Broadcasting Facilities At Trenton

The Town of Trenton will soon have it's own broadcasting facilities, it was announced by Mr. W. H. Stovin, Manager of Radio Station CJBQ. Plans have been laid and work is now under way to establish branch offices and studios in the Trent Theatre Building, Trenton. Actual broadcasting should commence within a few weeks. "We feel that by having studios within the Town of Trenton itself, listeners, organizations and advertisers will receive better and more adequate service," Mr. Stovin declared.

Local Happenings of Interest About Town

Mrs. L. Leach is staying for a time with Mrs. Blanche Scott, Thomashurst. Mrs. J. R. Conley, of Highland Park, Mich., is visiting her mother, Mrs. J. E. McGee, who is ill. Mr. and Mrs. J. R. Carr, Port Hope, spent Sunday with Rev. and Mrs. W. H. V. Walker.

MASONIC SERVICE AT ST. JOHN'S

On June 25th, 1860, nine Masonic Lodges participated in the ceremony of Laying the Corner Stone of St. John's Church. Lodges represented were from Kingston, Belleville, Bath, Trenton, Frankford, Stirling, Madoc and Coneseon. About 250 Masons were present.

On June 18th, 1950, this coming Sunday, representatives of these same Lodges plan to attend a service in St. John's, commemorating the 90th Anniversary of the ceremony. The service is planned for 7.30 p.m. D.S.T., and the Rev. N. R. Burke, B.A., Rector of Christ Church, Deer Park, Toronto, will address the brethren.

Past Noble Grands' Club

The Past Noble Grand's Club of Laurel Rebekah Lodge met on Tuesday in the Lodge Room after Lodge. Sister Edith Utman was elected President and Sister Mabel Megginson, Secretary-Treasurer. The next meeting will be held on Wednesday, June 21st in the afternoon at Sister Utman's home with Sisters Utman and Maines co-hostesses.

Local Man In Accident

Four persons suffered severe injuries Saturday evening when a light truck, driven by George Maxwell, of Stirling, was in collision with a car on the Belleville-Foxboro road, about three miles north of Belleville.

Critically injured with a possible fractured skull, broken nose and face cuts, is Mrs. Herb Diamond, 47, of Belleville. Her husband, 51, has chest injuries and face cuts. Jack Orrill, of Campbellcroft, has a broken back and his wife a broken shoulder blade, badly cut knee, broken nose and face cuts.

Attend Rebekah Assembly

Among those attending the annual sessions of the Rebekah Assembly of Ontario held in Toronto this week were Mrs. Carl Clancy, Mrs. R. B. Duffin, Mrs. R. E. Fox, Mrs. E. G. Bailey, Miss Evelyn Bailey and Mrs. Don Heath, official delegate from Laurel Rebekah Lodge No. 211.

On the opening night, Rev. A. E. Baker, of Stirling, was guest speaker and Mrs. Baker, guest soloist.

Toronto on Monday, Tuesday and Wednesday of this week.

Mr. and Mrs. Douglas Scott and Miss Margaret Scott, of Huntsville, and Mr. Bob McLachlan, of Orillia, were weekend guests of Mr. and Mrs. Walter R. McLachlan, of Rainbow Fishing Camp River Valley. Miss Scott is the fiancée of Bob McLachlan.

Word was received recently by relatives here of the death of Fred Corrigan, eldest son of Mr. and Mrs. Bert Corrigan. The late Mr. Corrigan was born in Stirling and will be remembered by many of the older residents.

Mr. and Mrs. Chas. Vance entertained Rev. and Mrs. N. R. Stout, of Gannaque, and Miss Agnes Stout, and Miss Elizabeth Stout, of Peterborough, over the week-end. Canon Stout was preacher at the morning service at St. John's Church.

Week-end visitors of Mr. and Mrs. Harold Elliott were Mr. Robert Elliott and Mr. Harold Parker, of Faversham; Mr. Lillie Shortt and Mr. Doug Doodley, of Toronto; Mr. and Mrs. S. M. Elliott, Dean and David; Mr. and Mrs. J. P. MacPherson and Mr. Peter MacPherson, of Toronto; Mr. and Mrs. G. W. Green and Mrs. D. B. Bowerman, of Peterborough.

Enroute to the Atlantic Coast where they will spend several weeks' holidays, Dr. and Mrs. Irwin and grandson, Michael, of Swift Current, Sask., were guests at the home of W. J. Snarr, of Hoards, on Monday. Mrs. Irwin was the former Nellie Totton, of Wellman's. Mr. and Mrs. Don Sills and Grant, of Holloway, and Mr. and Mrs. Gerald Eggleton and Douglas, of Belleville, were Sunday evening guests of Mr. and Mrs. Carl Bateman, Stirling.

Rawdon Couple Celebrate Silver Wedding Anniversary Saturday

Tag Day Nets \$96.50 For Fund

A tag day in the interests of the Manitoba Flood Relief Fund on Saturday last netted \$96.60. Members of the Boy Scouts conducted the tagging and to them and all those who assisted in any way the committee extends thanks for a job well done.

Division Court Cases Set Over

Two cases scheduled to come up at the sitting of the Hastings County Fifth Division Court here yesterday have been set over until the next sitting of the Court on September 6th next.

Pedestal Vases Presented

The furnishings of St. Paul's Church Stirling were enriched by the presentation of two pedestal memorial vases last Sunday.

One of these was given by Mr. Will Pearson and family, of Camrose, Alta., and Mrs. Catherine Hanna and family of Provost, Alta., in loving memory of a sister-in-law, Mrs. Annie Carr, who entered her rest on the 19th of November, 1949. The other was given by Mr. Robert A. Patterson in loving memory of his parents, Mr. and Mrs. Samuel Patterson.

Mr. Patterson also provided cut flowers for both baskets which were tastefully arranged by Mrs. Nina Morton, while Mrs. Patterson provided vases of deep red peonies for the Church entrance tables.

Bowling Notes

The first Jitney of the season held by the Stirling Lawn Bowling Club took place last Friday evening with a fine attendance, particularly of new bowlers present.

Two twelve end games were played and at the close of the proceedings it was found that Mrs. Bob Phillips had won the prize for the highest score among the ladies, while in the men's section Bob Hulin was high. (The name "Bob" seemed to be carrying horse-shoes). Just in passing we would like to see a greater number of our "old" bowlers on the greens on these delightful evenings. Remember you can not bowl in January.

On Monday evening another pot luck supper was held and afterwards, those present, numbering about twenty enjoyed some delightful games.

Bowling is a healthful sport and should be enjoyed by everyone if at all possible. There is still time and place for new bowlers. You will be very welcome to come and enjoy our fellowship and association. There is always an extra supply of bowls. So come and try out the game.

Legion Softballers Defeat Tweed

Stirling Legionnaires proved too good for Tweed in a scheduled fixture played on the local diamond Thursday night last and won by a score of 13 to 4.

The visitors played smartly in the field but were "silent" with their bats against the offerings of Smith, Brooks and Faulkner, who divided the pitching duties for the locals. The locals on the other hand, bunched their hits in the early innings to run up a commanding lead.

Tweed opened the scoring in the first, added two in the fifth and one in the ninth. Stirling scored four in the first, five in the second and one in the third to lead 10-1. They added two in the fifth and one in the eighth.

Royle, with a homer and triple, led the local hitters.

Score By Innings
Tweed 1 0 0 2 0 0 1 — 4
Stirling 4 5 1 0 2 0 1 x — 13

Loss To Madoc

In Madoc on Friday night the local Legionnaires were away below form and dropped a 9 to 3 decision to the Northerners, who deserved their win on the night's play.

Mr. and Mrs. Carl Clancy Presented with Purse of Money By Their Relatives

On June 10th, 1925, Marguerite Haggerty, of West Huntingdon, was united in the bonds of Holy wedlock to Clifford E. Clancy, of Rawdon, by Rev. Fred Lane. They went to reside on the Robert Clancy homestead (Clifford's grandfather's home). Here they have carried on the goodly traditions of the Clancy family and have been blessed with two children, Gerald, who is continuing the profession of farming, and Ruth, who pursues music and home crafts.

On June 10th, 1950, their relatives of both sides surprised them in the evening by going to their home, taking the lunch and a beautiful anniversary cake with them; these coupled with affectionate good wishes started a happy evening which became a memorable one to all present.

Mr. George Pollard, of Stirling, was chairman for the evening and added much humour and foods for more serious thoughts to the evening's enjoyment.

Choruses and solos and instrumental music were enjoyed by all present, with Mrs. Percy Hubble as pianist. Mrs. Don Haggerty gave a splendid reading as did George Varty, Mrs. Hugh McMullen and Mrs. J. Wallace. Solos were acceptably rendered by Miss Margaret Haggerty, Mrs. Percy Hubble and Miss Ruth Clancy.

Towards the end of the evening, several were called upon to make impromptu speeches and all paid tribute to Clifford and Marguerite. Mrs. Richard Haggerty, mother of the bride of twenty-five years was present, and presented the "bride and groom" with a beautiful bouquet of pink and white carnations, while Mrs. George Varty, of Toronto and Mr. John Wallace appeared together dressed in the bridal costumes of twenty-five years ago and presented Mr. and Mrs. Clancy with a well filled purse. At this gathering were Mr. and Mrs. Don Haggerty, who had been groomsmen and bridesmaid at Mr. and Mrs. Clancy's wedding. Seven members of the Haggerty family of ten children were present. The remaining three sent their congratulations and best wishes.

Among those present were Mr. and Mrs. John Wallace; Mr. and Mrs. George Varty and Miss Virginia Varty, of Toronto; Mr. and Mrs. Wallace McInroy, Moira; Mr. and Mrs. Morley Haggerty and Miss Margaret Haggerty; Mrs. Edward Fitzpatrick, Toronto; Mr. and Mrs. Don McInroy, of Moira; Mr. and Mrs. Hugh McMullen; Mr. and Mrs. Harry Thompson; Mr. and Mrs. Thomas Elliott; Mrs. James Haggerty; Mr. Kenneth Ray, Stirling; Mr. and Mrs. Percy Hubble, of Stockdale; Mr. and Mrs. Harold C. Martin, of Stirling; Mr. and Mrs. Hamilton Morgan and Gail, of Stockdale.

After a feast of good fellowship and happy remembrance, all enjoyed a dainty lunch and had each other "au revoir" in the hope that they might meet again in the same home for the same purpose twenty-five years hence.

North Hastings W.I. Hold Convention In Orange Hall Springbrook

The District Annual convention of North Hastings District Women's Institutes met at the Orange Hall, Springbrook, on June 2nd. Registration under the management of Mrs. T. M. Reid, commenced at 9.30 a.m., with Mrs. A. Burdett as reception committee and press reporter. There was a good attendance at the opening exercises which were conducted by Mrs. C. Clancy, District President, of Wellman's Corners. Mrs. Mel Neal and Mrs. Fred McKeown were in charge of dinner tickets.

Mrs. John McKeown gave the address of welcome to which Mrs. McMaster, of Ivanhoe, replied.

Mrs. W. J. Barlow gave the minutes of the last meeting, the financial report and auditors' report, which showed a substantial amount of cash on hand.

The reports of Standing Committees were given by Mrs. Ken Bateman, Agriculture and Canadian Industries, whose paper was much enjoyed and pointed out possibilities in Alaska.

Mrs. Moore, who was in charge of Citizenship and Education, showed how the W.I. must help the new Canadians and the youth and asked "Are we easy to live with?"

Community Activities in charge of Mrs. Milton Shaw, of Ivanhoe, who said each should take part in a community activity. Many showers have been held in the district for the Dutch families. Some had chartered buses and enjoyed trips to the 1000 Islands. She stressed that all keep busy with community activity and public relations.

Historical Research was given in a well prepared paper by Miss Grace Warren, of Marmora, who gave an account of the early settlement of McArthur's Mills and stated that four Life membership cards had been given to members of Madoc W.I. and that all members should gather material for

the Lady Tweedsmuir book.

Community singing was enjoyed with Mrs. Prentice at the piano and Mrs. P. Grey as leader.

Second Largest Amount

Mrs. M. Meiklejohn gave Health and Home Economics, and gave as items for her address: Overweight, My Favorite Labor-saving Hint, More Vitamin "C" goes down the sink than is imported from United States; Hints for Hot Weather, Asthma and First Aid and many more. She stressed the point of no waste, sanitary conditions, make children happy, good health before wealth and more milk must be used by all, mentioning that over \$6,000 had been raised by the March of Dimes for health by CJBQ, Belleville, which was the second largest amount raised in Canada.

Mrs. E. Moore, of Madoc, was in charge of the resolutions handed in. Several were that Daylight Saving Time be abolished, as railways and rural districts are on Standard Time, also the inconvenience it is to young school children as well as those engaged in agriculture.

McArthur's Mills asked that electricity be installed in that community to help stop the migration of young people from that community to the cities.

Activities Report

Mrs. J. Thompson, of Eldorado, gave the report of the junior activities and their achievements.

Miss Hamilton, representative of the department, led in the discussion of the reports and said that the reports showed that the W.I. are leading up to the things it is trying to achieve.

The representative of the Federation Board, Mrs. Black, said work would not progress if it were not for Miss Lewis and her staff. She also spoke on the films shown in theatres for children and that these should be on "Anne of Green Gables" and many

others; that parents must show more interest in schools; Special study on nutrition or children; interest in art, and music and parent education.

There were 250 essays sent in by Women's Institutes.

She also spoke on the unveiling of the portrait of Mrs. Hoodless, by Mrs. Sayre on May 8th last.

The meeting closed for dinner served in the basement by an efficient staff of ladies.

Lovely Table Decoration

The tables were beautifully decorated with yellow and blue crepe paper, yellow and blue candles and blue flowers and yellow tulips.

On the centre table was a beautiful cake with 50 candles in honor of 50th anniversary of the W.I. at Springbrook. After a sumptuous dinner was enjoyed, Mrs. Clancy, District President, proposed the toast to the W.I. and Mrs. Whytock, of Madoc, replied.

Mrs. S. R. Beatty, of Madoc, proposed the toast to Springbrook W.I., and Mrs. John McKeown replied. Mrs. W. J. Barlow lit the 50 candles and Mrs. Thomas Webb blew them out.

Miss Emma Rainnie gave a splendid talk and then cut the cake which was passed on silver plates.

At 1.30 p.m., Wellman's branch led in community singing and each Institute gave their achievement for the past year.

Girls' Work Report

Miss Irvine gave her report on the Girls' Work and achievement day held in Madoc.

Mrs. L. R. Green, of Marmora, gave the list of deceased members and one minute silence was observed. Music was given by a Queensboro W.I. member.

Miss Hamilton gave a splendid address and held a discussion on the co-operative programme and asked the Institutes to remember Mrs. Bailey, a former president, who met with a serious accident recently.

A vocal duet was given by the ladies of Queensboro Women's Institute, with Rev. Gordon McKenzie at the piano.

Mrs. Murray Meiklejohn gave a splendid reading during the afternoon.

Mrs. Roy Bush, District President, brought greetings from West Hastings and Mrs. McCullough, District President, brought greetings from Northumberland.

Members were asked to pin on cards next year with the name of their W.I. on it.

Mrs. Percy MacMullen gave a humorous reading.

Safety Campaign Impounds 20 Cars

Impounding cars of drunk drivers at the time of arrest instead of after the trial under an amendment to the Highway Traffic Act passed at the recent Legislature session has resulted in twenty cars being impounded and seven forfeited to the Crown. This change in the act is part of an intensive safety campaign by the Highways Department who disclose 100 persons have been convicted of driving while their licenses were under suspension.

Formerly, drivers escaped the impounding of their cars by selling them before they came to trial. The seven cars forfeited to the Crown were owned by drivers who bought them while the license for a previous car was under suspension.

The department also has the power to increase the period of suspension imposed by the magistrate. A convicted owner may apply for a license after two years and may receive it at the discretion of the department.

patients became aware of the disease reports all over America."

Many of the older tubercular only through routine case-finding programmes after having been admitted to hospital for surgical procedures entirely unrelated to their chest condition. However, there was a tendency, when consideration was being given to a single chest x-ray film, to think of tuberculosis if the individual was under 40, and of neoplasm, a new or abnormal formation such as a tumor, if the patient was more than 40.

"We fear that in many cases so much emphasis has been placed on the incidence of neoplasm in the over-forties that students are not sufficiently aware of the fact that tuberculosis must be considered," state the two St. Hyacinthe doctors. They add that as a high percentage of the older sufferers have positive sputum they constitute a definite menace not only to their household contacts, but to staff and other hospital patients.

T.B. Not Restricted To Younger Adults

The maximum incidence of tuberculosis morbidity and mortality, particularly in men, is slowly shifting from the young adult to the middle age group it is stated by two St. Hyacinthe, doctors in an article in the June issue of the Canadian Medical Association Journal. The authors are Dr. A. D. Temple and Dr. E. F. Crutchlow, of the St. Hyacinthe Veterans' Hospital.

They state that pulmonary tuberculosis, particularly the type with positive sputum, is by no means restricted to young adults, and that it can and does, occur in the older age group at an early stage.

"Many cases of mineral or moderately advanced lesions with positive sputum have come to our attention in individuals over 50 and even over 60 years of age," writes Doctors Temple and Crutchlow. "This is in keeping with recent findings in public health

River Valley Women's Institute

The June meeting of River Valley Women's Institute was held on Thursday, June 8th at the home of Mrs. Jennie Donohoe, with twenty ladies in attendance despite the heat wave.

The new President, Mrs. Don Donohoe presided and opened the meeting at 2:00 p.m. Mrs. J. L. Donohoe read the minutes and gave a financial report. The Institute contributed one hundred and forty-three dollars as their share to Trenton Memorial Hospital at the District Annual W.I. meeting on June 1st. The balance in the Treasury is nine dollars.

A collection was taken to send a parcel of food to Mrs. Clarence Chard, who is visiting relatives near Bristol, England. This she can share with her friends in the old land. Mrs. Chard is a valued member of River Valley W.I. and her Institute friends here decided this would be a good way to show their appreciation. It was voted to contribute five dollars to the Manitoba Flood Relief Fund. The next meeting will be held on July 6th, at the home of Mrs. John Kane.

One new member, Mrs. Murney Scott joined the W.I., and this is a total of thirty-nine paid members to date.

Highlight of Programme

The afternoon programme was in the form of a special report given by Mrs. Roy Bush of River Valley, District President of West Hastings W.I., who had the privilege of attending the Provincial Convention at Guelph in May.

Mrs. Bush said this great gathering with its large array of reports took one high up in the clouds and gave each individual a world picture and then graphically pointed out where each officer in attendance could fit in that picture. Then you were brought down to earth and told to go to work and do something.

Mrs. Bush passed around pictures of MacDonald College and various buildings at Guelph O.A.C., and she explained to her audience the method of feeding this large group of people in a most systematic and efficient way with a minimum of labour and time. All delegates were special pins on this occasion and these were truly a work of art.

Music between programmes and at the recess period were in charge of Mr. and Mrs. Kidd playing the Hammond organ and Mr. Young as song leader. They always had an audience at any recess as the music was so out-

standing and folks delighted to sing.

Mr. W. R. Reek M.B.E., President of Ontario Agricultural College welcomed the guests followed by words of welcome from Mrs. J. R. Futor, Provincial President and Miss Anna P. Lewis, Director of Women's Institutes. Mrs. John McCullough, Provincial Secretary Treasurer, and Mrs. Arthur Hamilton, Regional Vice President were in charge of all arrangements and they all put forth great efforts to make this Conference the glowing success that it was.

Mrs. J. C. Thompson, Provincial Convener of Agriculture and Canadian Industries, pointed out many problems confronting agriculture in Ontario and said through the great W.I. group of women they hope to solve some of them at an early date.

Mr. C. D. Graham, Deputy Minister of Agriculture gave an interesting account of "How The Economics of Agriculture Affect the Farm Woman." Here again the delegates received good advice to carry home. Dr. Margaret McCready, Director of MacDonald Institute, O.A.C., explained the "Economics of the Homemaker." The delegates were taken on a tour of the College and in one room they saw the girls in residence making their graduation gowns. Following every address there were helpful discussion groups and these proved so worthwhile that more time will be allowed at the next Conference for this phase of the work. One discussion of special interest was on the subject "So your son decides to be a farmer."

Mrs. F. E. Wright, Dominion President of the Canadian Association of Consumers told what this great organization is doing, and what they hope to do in future years, but the great need today is more farm women as members of this great organization.

Miss Marjorie Scott, Nutrition Division Food and Agriculture, from Washington, D.C., gave the current information on the Food and Agricultural organization. She was a former teacher at O.A.C., Guelph, and is now a teacher in the Nutrition Division of the United Nations. She gave an international picture of the food situation of the world. This group is trying to compute a proper food level for each country. She explained the food value of skim milk, quite often a waste product on the farm. Nutrition is related to Welfare and both groups are trying to mould public opinion in order to help everyone realize that "Food is Ammunition for World Peace."

Dr. H. L. Patterson brought a message on the theme "Where are we going in Canadian Industry?" and this

brought out many interesting thoughts.

Mr. John Rockwood, of Rockwood, Ontario, delighted with humorous entertainment at the evening session.

A get acquainted party and official reception was held in the cafeteria of the Administrative Building and delegates travelled fifteen hundred miles to be in attendance. Mrs. Bush praised Mrs. J. Black, Provincial Board Director for her untiring efforts to make the delegates from the Belleville area comfortable. Rex Frost conducted a broadcast with several delegates having a part.

Mrs. Raymond Sayre, of Ackworth, Iowa, U.S.A., President of Associated Country Women of the World, gave her message and since then many have heard her speak at Belleville. A special reception hour was held in Mrs. Sayre's honour. Every speaker brought out the thought that world peace must come spiritually, that it will never come through worldly ideas and every W.I. member must realize that she belongs to a Christian organization.

Miss Anna P. Lewis gave many timely hints to conveners to assist them in compiling reports. The various Vice Presidents of the Province presided and one day was devoted to Citizenship. Mrs. Cooper, of Fort William, told about Northern Ontario and how the people of the North had met the challenge. Miss Constance Hayward, officer of the Canadian Department of Citizenship and Immigration, Ottawa, spoke on the theme "Conveners spark citizenship programmes," and gave the delegates a wealth of information. Mrs. J. E. Houch of the Federated W.I.C., speaking on "Persistent Citizenship Problems," told her audience a lot of nice things connected with middle age and left them with many new ideas to work out on their own group at home.

Conservation was another highlight of the Conference dealing with food, hydro, soil and many other topics. Mrs. Fletcher Thomas, a member of the Legislative Assembly gave a special report of a select committee on Conservation. She is appointed by the Ontario Government. Mr. Graham, Director of Farm Economics, Ontario Department of Agriculture was the special speaker at the night session.

At the close of Mrs. Bush's fine report, Mrs. George Heasman spoke briefly and told of the work at MacDonald College when her father, Mr. A. D. McIntosh, former Agricultural Representative was located in Stirling.

The lunch committee served sandwiches, fruit loaf and tarts, followed by a vote of thanks for hospitality and Guelph report.

Letter To The Editor

SIDNEY TOWNSHIP SCHOOL AREA

The Editor,
Dear Sir:

School Area was introduced to the Township of Sidney about three years ago. At that time it was pointed out to the ratepayers that we had everything to gain and nothing to lose. As a lot of other policies a great number of people looked upon it with a good deal of caution, especially people who had served on school trustee boards. It was stated that we would all be on the same standards, teachers, equipment and buildings; and also it was pointed out that it would be cheaper. We all want to advance but we must have a limit somewhere. Sidney Township is not the only municipality opposing School Area. There are other municipalities both east and west of us that are dissatisfied and are wanting out.

When the Inspector had the meetings around the Township at the schools for the purpose of explaining the aims and also the workings of the school area, it was through a very small majority of the total ratepayers that we were voted into school area. Our inspector suggested we enter into it for two years and if dissatisfied at the end of that time we could revert to the former system. There was figures and facts presented to show that the cost to the ratepayer would be down from the beginning. The Department of Education was giving a grant of \$150.00 to each section entering the area. It was stated this would help cut down on the expenses as it was over and above our regular school money. This did not help out, instead the cost went up and is still bound to. This year the Department of Education is advancing the grant to \$300.00 per former school section to assist the area board. Will it?

One of the first duties of the area board was the selection of someone as Supervising Principal and Secretary Treasurer. There was a considerable number of qualified applicants, some teachers had applications and at more reasonable salaries. It was decided to hire Mr. Warren at a salary, which now is \$3000.00. This is an over-lapping of services. It cuts down the Inspector's work. One instance is, instead of receiving 14 reports as in former years he receives one now; also he is doing supervisory work that our Inspectors always have done. As

for the education of our children what are they receiving today that they did not get before School Area came into being?

The School Area Board stated in their circular letter that they had organized Music Festivals, Public Speaking and Reforestation Plan. These projects came into being long before School Area Board was formed. We also had our township School Fairs which are now taken into the local Fall Fairs. In this connection the pupils had Public Speaking contests, the growing of calves, poultry, vegetables and various kinds of handicraft both for boys and girls. There was also a film projector in operation which was serviced by the National Film Board free of charge and films were circulated at a very small charge. This was also used by adult organizations.

It has been said that a School Area Board is similar to the Township Council. There is no comparison as there are 18 schools and there are that many separate organizations which have individual problems. There are times when immediate action is more efficient and meets the need that can be done by three local trustees, which cannot be accomplished by a Board spread over the whole Township, or in the one half which is the case at present. How can a five man board operate as efficiently over 14 sections or 18 schools as 3 men per school section?

As for economy here are some of the facts that speak for themselves: Our Area stated that during the year 1949 the average cost per pupil was \$100.00. In S.S. No. 12 Sidney, which did not enter the Area and is operating with the three trustees; and also in the central part of the Township with an enrollment of 30 pupils which is an average school, the cost per pupil for the year 1949 was \$70.00 and they received a smaller grant. During the latter half of 1949 they had a teacher which was formerly engaged by the School Area Board.

With the memory to most of us of the hard times of the 30's it would be well for us to stop and think carefully. We don't want that to occur again. Everything we have to sell is on the downward trend, while all manufactured articles are still advancing.

Under these conditions it is hard for us to make the balance come out on the right side. We want the best for our children, but we don't want the following generation to be so burdened down with taxation that they cannot maintain their farms and homes.

We have always co-operated with our Public School Inspectors in the hiring of teachers with first class certificates. In this way the local Board maintained as high a standard of teachers as we have in the Area today. Some of our greatest scholars and statesmen got their start right in our country schools.

It is stated that 60% of Rural Schools are in School Area. However, the percentage that would like to return to the former system has never been stated.

If you have a good article or proposition to place before the public you don't have to sell or force it. It will be gladly accepted at its face value.

A large majority of the ratepayers signed a petition to have the School Area dissolved and return to the former system which we believe to be more satisfactory. The minority is trying to overrule this decision. As one general objection to School Area many people feel that a Democratic country like Canada should not give over her educational system to state control.

Fellow citizens, men answered the call to arms in two World Wars to fight for freedom and democracy. Now, let's protect it.

Yours very truly,
Gerald Irvine

Stirling Women's Institute Monthly Meeting

Mrs. M. Ward was hostess to the Stirling Women's Institute on Wednesday night, June 7th.

The President, Mrs. P. Bronson, opened the meeting with all joining in singing the "Ode." The Secretary-Treasurer read the minutes which were adopted. Bills and accounts were presented and ordered paid. The auditors report was given by Mrs. Megginson and Mrs. Wright.

A motion was made by Mrs. L. Rodgers and Mrs. E. Cooke, that 5 doz. chairs be rented for the District Annual. A motion made by Mrs. J. Morrison and seconded by Mrs. Megginson that a 10 cent collection be taken up when lunch was served. Other business pertaining to future activities were properly discussed.

Business closed with the Mizpah Benediction; after which a short social time was spent. The hostess served chocolates.

A vote of thanks was extended Mrs. Ward for opening her home.

Superb Flavour!

RESIDENCE BURNED

On Friday night, fire of unknown origin burned to the ground the residence on the former Duncan McKenzie farm about one mile west of Madoc village. It was a stone and frame structure and was considered one of the old landmarks of Madoc Township. The property is owned by Carl McCoy, of Madoc, and the house was occupied by Mr. and Mrs. Irwin Weese and their five small children, who were fortunate enough to save most of the contents.

Revised Legion Softball Schedule

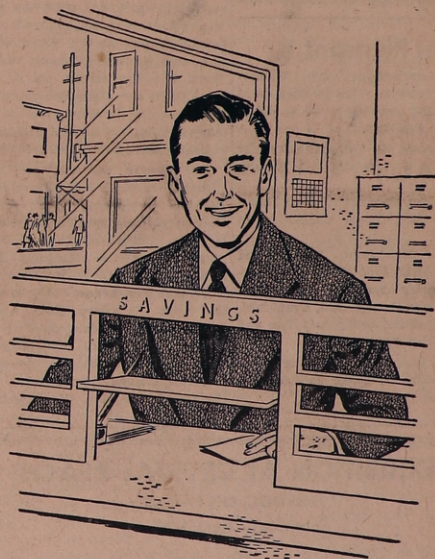

June 16th — Stirling at Tweed.
June 19th — Madoc at Marmora.
June 22nd — Madoc at Stirling.
June 23rd — Marmora at Tweed.
June 25th — Stirling at Marmora; Tweed at Madoc.
June 29th — Marmora at Stirling.
June 30th — Madoc at Tweed.
July 6th — Tweed at Marmora.

July 7th — Stirling at Madoc.
July 10th — Marmora at Madoc.
July 13th — Tweed at Stirling.
July 14th — Stirling at Tweed.
July 17th — Madoc at Marmora.
July 20th — Madoc at Stirling.
July 21st — Marmora at Tweed.
July 24th — Tweed at Madoc; Stirling at Marmora.

The winner of this group will proceed into the provincial play-downs.

Will Map Area

The Hastings County area will hold the attention of two survey parties from the Geological Survey of Canada during the coming summer, according to information released by the Department of Mines and Technical Surveys. In all there will be 83 different survey parties working in Canada this year, eight of them in Ontario. Geological structures in Tweed will be mapped by C. A. Burns, on a one-mile scale, and R. B. Rowe will investigate pegmatite dikes in the Hastings area in reference occurrences of rare minerals and non-metallic deposits.

TO EIGHT MILLION

Canadian men and women have 8,000,000 deposit accounts in the chartered banks—equal to one account for every adult.

Banks value each depositor's business highly . . . safeguarding your money, paying interest on your savings, standing ready to repay . . . striving to retain your confidence and friendship.

Your bank manager appreciates his obligation to you. Ask him what is a banker's first concern. He will answer, "Safeguarding the depositors' funds."

For he realizes that depositors are the very foundation of the efficient credit process by which banks mobilize deposits to serve the needs of this working, growing, enterprising Canada.

TRACTOR

With Ford Improved
Hydraulic Touch Control

With Hydraulic touch control "Lift-Type" implements are used — implements which can be quickly attached, detached, and transported with ease — implements specially designed to operate at the desired depth under varying soil conditions — implements that do away with back-breaking lugging and tugging, bruises and skinned knuckles — this all means smoother, safer, faster farming.

Remember the Ford-Improved Hydraulic unit is completely built in, not an attached "extra" with exposed oil lines to wear and leak. It's part of the tractor like the powerful Ford engine itself.

This is the tractor you have waited to see. Ask for a demonstration on your farm. Just get behind the wheel!

RIVER VALLEY WOMEN'S INSTITUTE

A special collection has been taken and a box of tea, sugar, etc., will be shipped to Mrs. Clarence Chard who is holidaying with relatives near Bristol, England.

Stirling on Saturday.

Mr. and Mrs. John Holmes attended the Jubilee Service at St. Paul's Stirling on Sunday evening. They had a chat with Rev. and Mrs. Lambert, who were neighbours of Mrs. Livingstone a few years ago, who is a relative of Mrs. Holmes.

Mr. and Mrs. C. Reid and family, of Trenton, spent their holidays with her parents at Mount Pleasant.

Folks here were delighted to hear that Rev. Boyd Beckel and family are moving in July to the Ivanhoe Circuit. If Boyd follows in his father's footsteps he will be a noted Minister. The late Rev. J. E. Beckel ministered to Rawdon Circuit for eight years.

Several folks from this burg and the pupils of the Allan School and their teacher enjoyed open house at the O. S.D. Belleville, on Wednesday.

Mr. and Mrs. Ernest Spencer, Toronto, spent a recent week-end here and Mr. and Mrs. G. F. Spencer accompanied them home.

Mr. and Mrs. Percy MacMullen attended the Silver Jubilee service at St. Paul's Sunday evening. Mrs. MacMullen was presented with a Silver Jubilee award in recognition of her assistance in covering the special services. They also had a brief chat with the guest speaker and his wife. Mrs. Lambert and the late Mrs. James E. McMullen, of Harold, were cousins.

Your correspondent received a letter last week from Rev. W. H. Clarke of Deseronto, and a clipping of the special programme in Deseronto United Church in honour of 25th Anniversary of Union and 50th Anniversary of Rev. Clarke's Ordination. Mr. Clarke was especially thankful for the kind letter sent by the Pastor of Rawdon Circuit. Rev. Clarke was given twenty minutes at Conference to reminisce. Both Rev. and Mrs. Clarke duly appreciated all the kindness on their behalf.

Mrs. Verna Sine, of Farnkford, spent Sunday with Mr. and Mrs. Ross Jeffs and Larry.

Mr. and Mrs. Milton Shaw and Wayne, of Ivanhoe, spent Sunday with Mr. and Mrs. Roy Thrasher.

On Sunday afternoon, June 11th, the replica of the twenty-fifth anniversary order of service used in 1925 at Toronto was again in evidence at Mount Pleasant United Church. Rev. H. C. Vaclavik gave a message telling what the United Church has accomplished during this period. A friend from Batavia took a film of the Sunday School, Choir, W.M.S., Congregation, Elders and Stewards.

Sidney School Area Board Meets

The regular monthly meeting of the Sidney Township School Area Board was held in the Wallbridge School on Monday evening, June 12th. All members present. The minutes of the May meetings were read and approved on motion by H. M. Rutter and J. R. Harry. The correspondence which consisted chiefly of outgoing letters was read and ordered filed.

A notice from Col. Vanderwater, Clerk of Sidney, regarding Harold Chambers request to have his assessment transferred to Stirling and Sidney Union Section had been received on the grounds that he was much closer to Stirling than to Eggleton's School. The Board concurred with the request. O. Latchford on the North Bayside farm asked for enough material to repair the chicken house blown over by the wind. This was granted on the understanding that he does not exceed the limit set by the Board and does the necessary work as he wishes.

The Secretary reported that no reply had been received from the Department on the Board's application for tentative approval to build an extension to the Avondale School. It was expected that a reply would be received soon.

Accounts totalling \$5,243.06 were assessed. These included teachers' and caretakers June salaries, supplies, operational and maintenance cost. A member of the teachers had taken advantage of the Board's offer to allow to \$5.00 per school for seeds, flowers and plants for the school grounds. Where this has been the grounds present a pleasing appearance.

Perfect Attendance awards were given to twenty-five pupils of the Sidney School who have qualified for the perfect attendance awards promised by the Board to those pupils who had perfect attendance for the school year. It was in the hands of the Supervising School to choose suitable books to present to them in recognition of good attendance. Much credit to the parents of these children in that they were able to attend

every day. Pupils to receive the awards as reported by the teachers are Avondale School — Jack Denyes, Verrall Clark; Quinteville School — Shirley Smith; Belcrest School — Lyle Mowers; Glen Miller — Bob Turner, Kay Morey, David Nilsson; Johnstown — Mona Smith, Gail Lohnes; Centenary — Dawn Woods, Marilyn Christopher, Ronald Hard, Betty Hubble; Wallbridge — Dianne Rikley, Roy Sine; Turners — Grace Stone, Richard Reid; Riverside — Malcolm Crowe; Marsh Hill — Douglas Dettlor, Ralph Dettlor, Bruce Coulter; Mapleview — Sandra Reid; Eggleton's — Elmer Prest, Paul Bridges, Billy Reide.

Glen Ross with Mrs. Armstrong as teacher won the attendance banner for May by a narrow margin over Quinteville. Glen Ross percentage was 98.86 while Quinteville's was 98.62. Harder's School was third with 98.01.

Teacher Changes

Since the last regular meeting resignations had been received from Miss Mary Hamilton, at Wallbridge; Mrs. Elsie Armstrong, at Glen Ross, and Miss Madeline Poole, at Avondale School. The following teachers were hired to fill the vacancies Miss Jean Roushorne, Eldorado, for Bayside School, at \$1900; Miss Joan Hoard, of Hoard's Station, for Glen Ross School at \$1900; and Mrs. Iva Rikley, of Foxboro, for Wallbridge School at \$1900. Miss Roushorne and Miss Hoard are at present teaching in Centre Hastings and come highly recommended. Mrs. Rikley has taught in Sidney for the last four years. Several applications for Avondale School had been received but Board had been unable to get enough information on them to engage one at this meeting.

Summer Repairs And Wiring Tender

Wiring tenders for Riverside School were not considered as the specifications from the Hydro had not arrived in time to give all those interested a chance to see them and submit a tender. This will be dealt with at a special meeting to be called within a week, when all tenders are received. Final plans on summer repairs to grounds and buildings will be discussed also at this meeting.

Plebiscite On Area June 16th

The coming plebiscite on School Area this Friday, June 16th, was discussed at some length. A hope was expressed that all entitled to vote would do so, with the best interests of the children of the Township in mind.

Tillage And Soil Structure

Tillage operations to improve soil structure are governed by existing soil conditions. If tillage operations are not ideal, then great care must be exercised in the choice of implement and its operation. Conditions of low percentage of soil moisture and the excessive disturbance of the soil by an implement because of design or high speed, are the main causes of the loss of good soil structure, says J. G. Kemp, Experimental Station, Swift Current, Sask.

One of the reasons for cultivating the soil is to obtain a desirable soil structure, which may be defined in terms of the number of small or large aggregates in a given sample of soil. A soil is said to have good structure when it permits the rapid infiltration and satisfactory retention of rainfall; when it provides an adequate air capacity and exchange of soil air with the atmosphere; resists wind and water erosion and offers little resistance to root penetration.

The three main factors which determine the resulting soil structure after tilling the soil moisture, method of soil manipulation and speed of operation. Of these, soil moisture has the greatest effect. The ideal percentage of soil moisture for tillage on most soils is just below the plastic or sticky stage, and good soil structure is formed or maintained if tilled at this stage.

The type of implement used determines the amount of soil movement during tillage. The best implement is one that will give the desired results without excessive disturbance of the soil. Greater pulverization in soil usually takes place in the summer-fall season, by increasing the number of operations and by using implements of the disc type which disturb or move the soil to a greater extent.

Speed of operation of the implement used definitely affects the structure of the soil after it is worked. For most tillage implements the disturbance of the soil is greatly increased if the speed of operation is high. However, when the soil has the optimum moisture content for tillage, the speed of operation has not such a pronounced effect on the soil structure formation. It is when the soil becomes too dry

or too wet that severe damage will result to soil structure because of high speeds.

Foreign Vehicles Entering Ontario

The number of motor vehicles entering Ontario on travellers' vehicle permits in April totalled 46,862, a decrease of 3.4 per cent as compared to April, 1949, when the number of entries was 47,494. For the whole of Canada, last month's total was 87,100, an advance of 4 per cent over the same month last year. The severe floods in Manitoba brought a drop of 35 per cent in the number of entries through that province, but increases were recorded in most of the other regions.

For the first four months, Ontario is still ahead of last year with 108,917 entries representing an increase of 0.5 per cent over the first quarter of 1949, when 108,405 foreign vehicles with permit entered our province. Total for Canada during the four-month period was 209,979, up 6 per cent over last year's 198,086.

Hello Homemakers. Wherever an accident happens it brings pain, tragedy and expense. We know that printed words, by themselves, cannot prevent an accident, so the most we can do here is to give you a few specific and practical suggestions for safety. By being careful you can help to prevent accidents. Children especially, need to be "briefed" on safety measures.

As soon as the school term is ended, the children feel "Scot-free" and become careless. On the other hand, we adults can be more thoughtful. The starting point in Home Safety is to locate the "danger spots." The next step in accident prevention is to find out the causes. Ask all the members of the family to eliminate danger spots and it will make them safety minded. For instance, if gasoline is stored in an unpainted can, have it painted red and labelled. If the cellar stairs need repair, have them fixed before anything can happen.

ALERT TODAY — ALIVE TOMORROW

Precautions:

1. Do not touch a light fixture or cord while standing in a wet place.
2. Shut off the current before replacing an old fuse.
3. Do not place fans, etc., where cord may be tripped over. Always disconnect electric equipment such as irons, toasters, when not in use.
4. Any electrical appliance that gives a light shock should be repaired at once.
5. Only rubber cords should be used where they may be likely to get wet as in the laundry.
6. Be careful of slippery floors.
7. When using a sharp knife, always cut away from you.
8. Use an oven mitt for carrying saucepans that are filled to brim.
9. Wipe any spills immediately.
10. Make sure that fire extinguishers are in good operating condition.
11. Keep matches out of children's reach.

12. Cross the street at an intersection and walk on the highway, facing the traffic.
13. Do not go swimming alone and observe the rules of swimming in supervised areas.
14. Do not leave children alone in the automobile unless emergency brake is on firmly and the keys are in your pocket.
15. Be a thoughtful, careful and skilful driver of your car.

TAKE A TIP

1. Put out a picnic fire with lots of water; smother out a small fire with a blanket.
2. Keep a first aid kit handy; observe the rules of first aid... call a doctor and make a patient comfortable.
3. Remember that mild soap and water is one of the best cleaning agents for bruises, and minor cuts.

THE QUESTION BOX

Miss T. E. asks: How to remove grass stain from a white dress?

Answer: On materials that soap and water might injure, sponge the stains with benzene or diluted denatured alcohol. On cotton or linen fabrics, dip in Javelle water for 1 minute (no longer) then rinse thoroughly.

Mrs. H. A. asks: How to remove chocolate ice cream from a silk dress?

Answer: Sponge chocolate ice cream from a nonwashable material with carbon tetrachloride. Let it dry; then sponge gently with a damp cloth.

Mrs. G. M. asks: How to remove mustard from grey flannel?

Answer: Work glycerine into the stain, rub lightly between hands and then sponge with soap and water.

Mrs. S. W. asks: How to remove varnish from blue woollen slacks?

Answer: To remove varnish, mix equal parts of benzene, carbon tetrachloride and bannana oil and apply to stain. You may rub in a dry cleansing soap to help loosen the stain. Finally rinse out with carbon tetrachloride.

FATHER'S DAY FOUNDED FORTY YEARS AGO

Remember Dad? He is the man who sees that we get safely over the hurdles of life. He is the man who was most keenly interested in seeing that we had the right amount of school books, the right kind of entertainment, and that our clothes came in the right quantities at the right season when we were youngsters. When we were no longer youngsters and started out in the world ourselves, he still followed us with a paternal eye and was always there with an encouraging word, the bit of advice when we needed it and even the helping hand when things got really tough. Yes, Dad was a real pal.

Well, this is the month when we pay it back. On Sunday, June 18th, Dad comes into his own, even though it is for one short day. This is Father's Day and Canadian tradition makes this the one day Father basks in the sunshine and glory of his family. It is the one day we make a real fuss about Father. Nothing could be more appropriate than the slogan put out by the Canadian Father's Day Council, which says in effect — "For Better Citizenship — Make Dad Your Pal." We all know that Dad is our pal, but how many of us attempt to be a pal to Dad? If more of us paid a more friendly patronage to our Father, there would be less trouble in this world — there would be less juvenile delinquency — there would be less family troubles — there would be less broken families — and there would be more fun.

Father's Day was first established forty years ago in Spokane, Washington by a Ministers' Alliance who were first persuaded by a Mrs. Bruce Dodds to look into a day to honour Father. Mrs. Dodds is described as a very spiritual person whose Father, a civil war veteran, had reared six motherless children. She never forgot the importance of a Father to her life. She thought it was unfortunate that many people did not recognise the importance of the male head of the family. To her it was brought home painfully by the lack of a Mother. Her idea was to institute a special day in which to honour Father — and bring home

the realization of his importance without the harsh lesson that she went through. Mrs. Dodds took her idea to the religious groups in her city. Backed by her pastor, Rev. Conrad Blinn, the Y.M.C.A. and a Minister's Alliance, the first Father's Day was observed on the third Sunday in June 1910. Mrs. Dodds' group met in church for song and verbal tribute. At that time, there were many songs and jokes in circulation making Father the butt of jokes. The group attempted to fight this disrespectful attitude shown to Fathers. Press, pulpit and women's groups took up the crusade and in very short order Father's Day was evolved.

Mrs. Dodds' goal to have "Fatherhood revered as greatly as Motherhood" is today a reality not only in the city of Spokane but in the United States and Canada and many other countries of the world.

Dad is often the forgotten man, but this is the one day that Father sits in regal splendour at the head of his family, this is the one day we all do little things to show our appreciation for Father's kind attentions in the previous 364 days of the year.

Smallpox Is Still A Menace

There is no drug, chemical or antibiotic, which has been shown to be specific in the treatment of smallpox. When it occurs in the haemorrhagic or severe confluent types, there is probably no more loathsome nor more deadly disease. Outbreaks of a mild form of the disease, described as Alastrim, have occurred on this continent and in various parts of the world, and their occurrence has given rise to an impression that the character of smallpox may have changed.

In Canada, the absence of any cases of smallpox for several years has tended to reduce the public's appreciation of the importance of vaccination. However, the outbreaks in Seattle in 1946, in New York in 1947, and now in Glasgow, Scotland, indicate that virulent smallpox is still a menace; in fact, air travel makes it possible for the disease to be brought from distant lands where thousands of cases still occur. In Glasgow, a score of cases followed exposure to an Indian sailor who arrived in London on March 5th and travelled to Glasgow while the disease was developing. In addition to the patient, five others lost their lives, including a physician who, it was stated, "did not believe in vaccination," and two others of the hospital staff.

Medical science is unable to meet the ravages of smallpox apart from the use of vaccination. It is known that a very substantial part of the population of Great Britain is unvaccinated. There are reasons for this, which fortunately do not apply in Canada. In the Windsor epidemic of 1924, and in other outbreaks, the effectiveness of vaccination was demonstrated beyond question to the people of Canada, and they have continued to endorse vaccination.

The price of safety through vaccination is small. Infancy is the time when vaccination should be performed, as reactions are then at a minimum. Vaccination in the presence of an epidemic results in mass vaccinations, providing conditions are far from ideal and tend to result in accidents.

Giant Sports In Apples

Giant apple sports are proving useful as a source of breeding material and anyone having knowledge of such trees is asked to communicate with the Division of Horticulture, Central Experimental Farm, Ottawa. If branch or a tree is found that appears to answer the description of a giant sport, it should be clearly marked at a sample of the fruit sent to Ottawa for examination, together with the tip of rapidly growing shoots for microscopic study, says Dr. A. W. S. Hunt. Sometimes a whole tree is made of "giant" tissue but often only single limb appears that are larger than the rest. These giants are readily spotted at harvest time, by careful grower who keeps his eye under continuous observation, locate one at any time of the year peculiar spreading growth habit draw attention to the tree even the leaves are off.

The origin of these giant sports due to an accidental doubling of chromosome number, producing is known as a tetraploid, a rearrangement of heredity components which is fairly frequently in plants. An apple, doubling the number of chromosomes usually causes a marked increase in fruit size, sometimes tripling in size, sometimes quadrupling. Giant sports have been reported in such varieties as McIntosh, Northern Spy, Ontario Golden Wonder, Rome Beauty and Wega and may in some cases give red apples. They may not be useful in fruit,

but it is anticipated that some at least may be useful for breeding.

In some of these tissues from which the germ cells are formed is tetraploid and the plant then performs as a tetraploid, or giant sport in breeding. In others again, this tissue is

normal and the tree, although it is a giant, behaves normally in breeding. The final determination, therefore, will require microscopic study of the tips of rapidly growing shoots, so these as well as the fruit, should be sent to the Division of Horticulture, Central Experimental Farm, Ottawa.

NEWS FOR THE BUSY FARMER

BOOKLET ON CHEMICAL WEED CONTROL

"Chemical Weed Control — 1950," is the title of a very informative booklet just issued by the Advisory Committee on Hericides for Ontario. The booklet, a very handy pocket-size affair, can be obtained from local Agricultural Representatives or direct from the Publications Branch, Ontario Department of Agriculture, Parliament Buildings, Toronto.

"For several years chemical weed-killers have played an increasingly important part in assisting man with his war on weeds," the committee points out in a preamble dealing with the subject of weed-control. "Chemicals should not, however, be considered as replacing sound cultural practice and other proven weed control methods, but rather as additional highly efficient weapons to aid in the fight. This publication outlines recommendations with respect to spraying equipment and chemicals."

The committee is made up of twenty officials of various branches of the Ontario Department of Agriculture, the Dominion Department of Agriculture, Ontario Hydro Commission and the National Weed Committee.

In its 28 pages, the book contains a wealth of information on combating weeds together with tabulated instruction for use of chemical weed-killers on grain crops, row-crops and pastures; roadsides, gardens and walks and every other conceivable spot where weeds grow.

All types of weed-killers are described together with instructions on methods, intensity of application and amounts to be used with safety. There are even instructions on susceptibility of various weeds and plants to the different chemicals.

REPORT ON FRUIT TREES IN ONTARIO

While overall condition of fruit trees in Ontario is good, some tree mortality is in evidence in the Niagara area due to last year's drought and heavy production as well as changeable weather during the winter, the Statistics Branch, Ontario Department of Agriculture, reports. The report prepared in May was prepared in co-operation with the Fruit Division, Dominion Department of Agriculture.

Some fruit buds are reported to have been affected in the Niagara region as a result of winter conditions. Norfolk and Elgin counties report some damage from ice-storms while wind, in the Georgian Bay area, caused localized limb breakage on cherry and pear trees.

Apple trees indicate that winter or rodent injury has been negligible. Pears look like a good bloom in most producing districts. Plums face good

prospects and tree conditions and foliage development is generally good.

In the case of peaches indications are for a crop below that of 1949 in Western Ontario, which includes Niagara. Cherries are in good condition except for some slight frost injury in low-lying areas of Burlington district. Strawberries are not indicative of a heavy crop due to light plant pollenization and winter damage from heaving on many plantations, particularly in Niagara, Norfolk, Elgin and Georgian Bay Districts. Raspberry canes are in very good condition and although vine-growth has been retarded and it is too early yet to make a prediction, grapes are looking extremely well and with pruning and tying practically complete.

In Eastern Ontario all tree fruits came through the winter in excellent condition and small fruit plantations also wintered well due to absence of low temperatures.

TO VOTE ON NEW MARKETING SCHEME

A vote of fruit growers in the Niagara Peninsula on a marketing scheme for their product has been requested by a provisional committee of growers

in the area, the Farm Products and Marketing Board of the Ontario Department of Agriculture, announces. A letter with ballots is being forwarded at once, together with copies of the proposed scheme. Ballots must be returned not later than June 19th.

The proposed scheme, for which approval or rejection is now sought, would regulate marketing of cherries, grapes, peaches, pears and plums produced in the counties of Lincoln, Welland, Wentworth and Halton.

The scheme proposes to establish a marketing agency of growers and dealers and to adopt or determine prices for cherries, grapes, peaches, pears and plums or any class variety, grade or size of these fruits.

It would also delegate authority to the local board to prohibit marketing of any grade or size of the fruits mentioned and would require persons engaged in producing or marketing of them, to furnish such information as the board may determine.

The scheme will not apply to fruits sold for processing, sold by a grower to a consumer or if shipped on consignment by a grower to a commission agent in Toronto or Ottawa.

It also provides that every person operating an establishment, who buys these fruits, shall be licensed and no grower shall sell or deliver fresh fruit except to a licensed dealer.

ANNUAL JR. FARMER FIELD DAY AT GUELPH

Saturday, June 24th is the day for the Annual Junior Farmer Field Day at the Ontario Agricultural College

Grounds, Guelph. Twenty counties are included in the area from which contestants will come for this important annual event.

Headed by Austin Martin, Lucknow, the general committee in charge is made up of Helen Nesbitt, Caledon; Robert Brown, Bradford; Ruth Nairn, Science Hill; Stuart Watson, Agincourt and W. F. Mitchell and Herb Pettipiece, of the Ontario Agricultural College.

For counties in Southwestern Ontario, the big Annual Field Day at the Western Ontario Experimental Farm at Ridgeway, will be held on July 3rd on the grounds of the farm. General supervisors for this event include Earl Morden, Muirkirk; Helen Balkwell, of Kingsville; J. J. Neilson, Ridgeway; Wendel Snow, Ridgeway and J. W. Edwards, Ridgeway.

At each of the two Field Days there will be a baseball game, a softball tournament, tug-of-war competitions and all the other competitions that are generally included in such events.

A dance will conclude both days and committees in charge are preparing to accommodate record crowds.

GRADED POULTRY

The fact that Mr. and Mrs. Consumer are buying their poultry by grade rather than by the old pinch-and-poke system has created an urgent need on the Canadian wholesale market for Grade A birds. The situation is highlighted by the current nine-cent spread between the wholesale price of Grade A milk fed and Grade B poultry, according to officials of the Canada Department of Agriculture.

partment of Agriculture.

With grading of poultry comparatively new on the retail market, the sale by grade has resulted in an urgent call to the farmer and poultryman to produce more Grade A birds.

Reports from the Montreal wholesale market, for example, showed Grade A milk-fed chickens, five to six pounds, selling at 48 cents, and Grade B at 39 cents. The price for Grade C was 27 cents, a spread of 21 cents between Grade C and Grade A milk-fed. Three years ago, prices on the same market quoted Grade A milk-fed at 37 1/2 cents, Grade B milk-fed (a category since discontinued) at 35 1/2 cents and Grade B at 33 1/2 cents.

Expect A Good Hatch Pheasants This Year

A good hatch of pheasants is expected this year from Lennox and Addington Fish and Game Protection Association's pheasant-breeding hives at the farm of R. J. Walsh, Napanee, President F. A. Correll has reported.

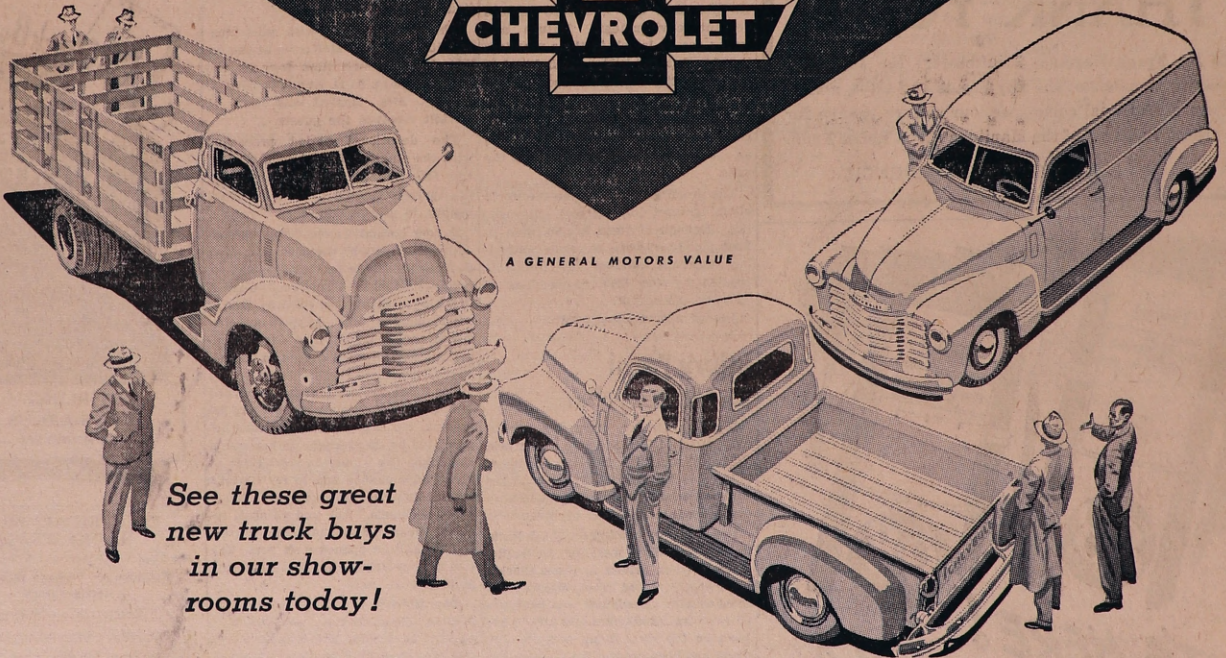

"The hens are laying every day and if the association can get the production they hope to have a hatch of 500," he said. The producers are in good shape.

MRS. NEIL McMILLAN

After being in failing health for some time, the death occurred early Monday morning, June 12th, of Janet Mercedes (Jenny) McMullen, wife of Neil McMullan, of Lintlaw, Sask.

She was born at Holloway, Ont., and was the second daughter of Alex McMullen and his wife, the former Elizabeth Burke. Her younger years were spent at Anson, Ont., and for the last 45 years she has lived in Saskatchewan.

She was a member of the Church of England and when health permitted took an active part in Church work. Her worthwhile life endeared her to many people and the announcement of her death, will be learned with regret.

Surviving to mourn her loss are her husband, Neil McMullan and three sons, Donald, of Yorkton, Sask.; Robt., of Lintlaw, Sask., and Gordon, of Yorkton, Sask., an only daughter, Mary, died when 21. Five grandchildren also survive as well as three sisters, Mrs.

D. J. Rollo (Bessie), Winnipeg, Man.; Mrs. Alex Moore, (Margaret) of Detlor, and Mrs. Frank Hutchinson, (Hazel) Detlor and one brother, Beecher, of Montana. She was predeceased by her oldest sister, Mrs. Geo. Leach, who died in 1944.

Interment took place at Lintlaw, Sask.

facts about our own church.

Mrs. Beare had charged of a memorial service for our departed members and the placing of white flowers at the altar in memory of the deceased. Our members who had been members for 25 or more years were asked to stand. They were commended for their faithfulness.

Mrs. Lott was introduced and brought greetings from Prince Edward and Hastings Counties Women's Associations.

Stanwood contributed a reading by Mrs. Lisle and a vocal solo by Mrs. D. Linn which were well received. Rylstone also contributed a good reading which concluded the program.

Mrs. Cosbey moved a vote of thanks to our speaker and to all who contributed to make the afternoon a success.

An invitation was extended to all to go to the Parsonage to have a cup of tea. Mrs. T. Webb and Mrs. A. P. Williams poured tea and a very capable lunch committee served a dainty lunch and brought a very pleasant afternoon to a close.

RAWDON REQUEST TURNED DOWN

The request of Rawdon Township to be transferred from the Centre Hastings High School Area to a proposed area with Stirling presented to Hastings County Council yesterday was rejected by a majority of one.

Promises Look Good In June

June is the most promising month of the year. Even a delayed spring cannot overcome completely the growth that brings optimism to most parts of Canada. The belief that two can live cheaper than one flourishes in this verdant environment. Nature and lovers are so lavish in their promises that farmers and brides are induced to gamble on the harvests of food and appreciation.

Lambs, bambol, roses bloom, grain grows and grass is green everywhere as the sun climbs to the zenith of the year.

The promises of June keep the world alive, forward looking and enterprising. Enough of them are fulfilled to keep people who are at peace contenting hopefully against the problems created by the broken promises of summer and winter.

June is a promising month.

Injury Fatal To Motorcyclist

Injured Monday when his motorcycle crashed into the side of a truck, Vernon Bradshaw, 23, R.R. 4, Belleville, died in hospital Thursday. He suffered a fractured skull, broken nose and other injuries in the accident.

Bradshaw was riding on No. 2 Highway, two miles west of Belleville, when a truck driven by Jack Clarke, Holloway, crossed the highway in front of him. Bradshaw was catapulted over the handlebars and struck his head on the steel dump box. An inquest has been ordered by Coroner Dr. J. Russell Scott.

Czar Ivan "The Terrible" took over Russia's top spot when he was only three.

S. R. McCrory Construction Co. Given Contract For Public School

Lowest Tender Accepted At Special Meeting of School Board Yesterday Afternoon

The \$119,066.00 tender of the S. R. McCrory Construction Co. for construction of the new Stirling Public School as accepted yesterday afternoon by the Public School Board, subject to the necessary approvals.

It was the lowest of the eight tenders submitted. They ranged from a bid of \$119,066.00 by McCrory (all contractors were invited to offer two bids, one on a more expensive type of windows) to \$136,400.00. The T. L. Smith Construction Co., of Kingston, was next in line with \$121,845.

The tender must still be approved by the Department of Education and then work on the one storey, six-room building can begin.

Need \$130,000

Village Council is to be informed that \$130,000 will be required for the financing of the building. It is considered unlikely there will be any objection by the Department of Education or Municipal Board to the signing of the contract with S. R. McCrory Construction Co.

Apart from the \$119,066.00 estimated for construction costs there will be the architect's fee of six per cent (or slightly more than \$7,000), and the furnishings and equipment.

A Most Modern School

According to the architect, J. B. Parkin, of Toronto, the school will be the "last word" in modernity.

Altogether 200 pupils will be accommodated in it. There will be six standard classrooms equipped for 35 children each and a large play room.

There will be a small Principal's office, doctors' and nurses' examination rooms and a teachers' room. Heating will be by oil and forced hot water.

Each of the six standard classrooms will have a project space, concealed cloakroom and wash basin in the project space. Drinking facilities will be in the halls.

Lighting A Big Feature

Perhaps the outstanding feature of

Shower Held For Bride-To-Be

Many friends gathered at the home of Mrs. H. C. Bird on Wednesday evening of last week in honour of Miss Marie Ackers bride-to-be.

The evening was spent playing cards, prizes going to Miss Denise Burgess and Mrs. Irene Roberts. An address was read by Grace Sheridan and Marie was presented with a set of Crystal by Mrs. Bird.

Marie graciously thanked everyone and invited all to visit her in her new home.

Refreshments were served under the candle light at a table beautifully decorated with flowers.

Barn Torn Down

A barn on the rear of the property of E. D. Ketcheson, Front St., was torn down this week.

Engagement

Mr. and Mrs. Charles Hoard, of Hoard's Station, Ontario, announce the engagement of their second daughter, Joan Marie, to Mr. Jack Miller Bush, son of Mr. and Mrs. Roy Bush, Stirling, Ontario. The marriage to take place early in July.

The new building will be the lighting. Fluorescent lights are provided as well as concealed chalkboard lighting for the green blackboards.

The upper part of the walls along the outside of each classroom will be of directional glass block. These prismatic blocks bend the light rays upward toward the ceiling. The rays then reflect down on the classroom from above and the problem of glare is thus substantially diminished.

Ordinary glass block just diffuses the rays in every direction from the point of entry, Mr. Parkin explained.

"There is no better way of lighting a classroom," said Mr. Parkin. "It is in line with the latest methods in this country and the United States."

RAWDON FARMER KILLED; 1 INJURED IN CAR CRASH

One man was killed and a second man badly injured when thrown from a car which went out of control and rolled over in the village of Madoc shortly after midnight Tuesday.

Dead is Charles Nobes, 51, of Rawdon Township. Bill Hewitt, 36, also of Rawdon Township, is in hospital with critical injuries.

The three men were driving on No. 62 Highway. At Madoc Village limits the car went out of control and left the highway. As it overturned into a ditch, Nobes and Hewitt were thrown 25 feet. Driver of the car, Charles Gordanier, 46, Rawdon Township, escaped with little more than a shaking up.

All three men were in the front seat. An inquest has been ordered.

WALTER WARREN CHOSEN D.D.G.M. MADOC DISTRICT

Elected for the Madoc district as Deputy Grand Master of the I.O.O.F. was Walter Warren, of Stirling. He has jurisdiction over lodges at Madoc, Stirling, Campbellford, Tweed, Thomassburg, Springbrook.

For the Belleville district, Mrs. Vera Graham, of Tweed, was elected District Deputy President of the Rebekah Assembly.

Anniversary of Laying of Corner Stone Commemorated at St. John's

Over 150 Masons Hear Rev. N. Burke, B.A., Rector of Deer Park, Toronto, Sunday

Some one hundred and fifty members of the Masonic Order paraded from the local Masonic Temple, North St., to St. John's Anglican Church, on Sunday last for service at 7.30 p.m., with V. Worshipful Bro. Thos. W. Solmes acting as Marshal. Included in the parade were representatives from lodges in Kingston, Bath, Belleville, Frankford, Marmora, Tweed and Stirling Lodges A.F. & A.M. The service was in commemoration of the laying of the corner stone of St. John's Church under Masonic auspices in 1860. The church was filled to capacity and an overflow congregation in the Parish Hall heard the service over a public address system.

Rev. A. J. Anderson warmly welcomed the visiting brethren and was assisted in the service by Rev. J. Brownlie, rector of St. Paul's Anglican Church, Marmora, and Rev. N. R. Burke, B.A., Rector of Christ Church, Deer Park, Toronto.

Special music for the occasion included an anthem, "Bless The Lord O My Soul," which was sung unaccompanied by the choir, and a solo, "How Lovely Are Thy Dwellings," by Bro. Wm. Reynolds. Mrs. Harry Morrow, organist, presided at the console of the organ for the service.

Sermon by Rev. N. Burke

A most appropriate and thought-provoking sermon was delivered by Rev. N. R. Burke, B.A.

"Anniversaries are milestones in our history, but we don't observe them to glory in just how old we are," stated Rev. Burke. "There is no virtue in growing old but it's what we do with our time that is the important thing. While paying tribute to those who have gone before, let us look to the future."

"Some people and some organizations think they are the whole church, but they are mistaken," continued the speaker. "The church is the whole congregation of Christian people throughout the world."

Referring to the Temple of King Solomon as a magnificent building with meaning in all its parts, sermons in its stones and books in its beams, the speaker stated the two pillars surmounted by lilywork, situated at its entrance, represented strength and beauty, the very foundation of religion in any body carrying on the work of the church. Strength and beauty were the eminent marks of the life of a Christian. "There's nothing sissy about being a Christian — it demands virility and strength," stated Rev. Burke. "The strength of a Christian is derived from God. Many of us have only one talent, but God uses what little we have and makes something out of it."

"We as Christians must ever remember one of the greatest marks of a Christian in his happiness and we must endeavour to make all our services happy. This world needs God and it is our duty, irrespective of what ever denomination we belong, to make the church strong," concluded Rev. Burke.

Reception Held For Visiting Masons

Following the service, a reception was held for the Masonic brethren in the Legion Hall, with sandwiches and coffee being served.

Joseph Grills of Carmel, Honoured By His Four Sons

Unprecedented in the observance of Father's Day was the presentation of four Pew Bibles in honour of Joseph R. Grills, of Carmel United Church, (Rawdon Township) each the gift of one of his four sons namely Everett, John, Garnet and Ernest. A Pew Bible was also given in honour of William Mark Carlisle, the gift of his daughters Marion and Nina.

The garden of memory was tended by Pew Bible gifts in loving memory of (1) Henry Hammond, by his daughter, Lily (Mrs. W. Morris); (2) A. J. Thompson and Hector Whitton, by daughter and widow, Mrs. Frances Whitton; (3) Mr. and Mrs. J. B. Weaver, by daughter Louisa (Mrs. Walton Anderson); (4) Thomas Henry Sine, by daughter Mildred Irene Grills; (5) Harry James Stapley, by his son, Clayton James Stapley.

Those were all fittingly received and dedicated to the Glory of God in the name of the Father and the Son and the Holy Ghost by the Minister of the afternoon service.

Attended Kingston Presbytery Meeting

Rev. W. H. V. Walker, of St. Andrew's Church, and Mr. Victor Taylor, of Burnbrae, attended a meeting of Kingston Presbytery held at Amherst Island on Tuesday. Mrs. Rowan Walker and Mrs. W. H. V. Walker, accompanied Rev. Walker and enjoyed a family picnic sponsored by the ladies of the Amherst Island Church.

Asks Permission To Raise \$130,000 By Debenture

At a special meeting of the Stirling Village Council held this (Thursday) morning the necessary action was taken to apply to the Ontario Municipal Board for permission to issue debentures for \$130,000 to pay for the construction of a new public school.

Doings With Local Bowlers

A short time ago we thought that summer was "just around the corner." It seems still to be about in the same location, if the prevailing temperature is any sign. However, while it has cut down the attendance at our local green it has not severely affected the enthusiasm of our bowlers. A number of rinks from our club have taken part in some of the District Tournaments and have been more or less successful.

And the ladies' section of the Club has already been represented. On Tuesday a rink composed of Mrs. E. Green, Grace Carleton, Mrs. E. Fox, with Mrs. W. T. Elliott as skip, took part in a tournament for ladies sponsored by the Belleville Lawn Bowling Club. While they did not enter the prize winning section they gave a good account of themselves by winning two games out of three. By no means did they have "easy picking," as their opponents in all three contests were representatives of the Kingston Lawn Bowling Club and when any rink wins the majority in three games from this club it deserves heartfelt congratulations.

On Monday night next there will be another jinxey. Everyone should be out. Prizes will be given for the highest score in the ladies' and men's sections. A light lunch will be served.

On Wednesday next, June 28th, Stirling Club will play host to bowlers from the district in a Triples Tournament. It is expected that the ladies' section of our club will sponsor the evening meal which is always a good one. All of our bowlers whether in the tournament or not are invited. Of course there is a nominal charge, but it all goes to help the club. So let us all be loyal.

On account of the meal served on Wednesday there will be no pot luck supper next week but there will be bowling on the regular evenings. Hope the weather will be warmer.

Give the U.S. government 12 minutes and it will spend \$1,000,000. It does just that the year 'round.

Increase of Two Mills Due To High School Area Costs And Hastings County Levy

The tax rate for the current year for the Village of Stirling was struck at 54 mills at a special meeting of Council held in the Council Chambers on Monday night.

Arrangements were made for the payment of taxes in two instalments as in other years with the first instalment being due on or before August 9th and the second on or before December 15th.

The 54-mill rate is two mills higher than last year and is accounted for by an increase in the High School costs in the Centre Hastings High School Area and the County Rate. The general and the Board of Health rates are down a little, while the debenture rate dropped 3.15 mills. The Public School requisition of \$6,500 is the same as last year.

A comparative table of the Mill Rate for 1950 and 1949 is as follows:

	1950	1949
County	10.50	9.40
High School Area	4.00	—
Public School	9.00	9.00
Library	1.50	1.50
Town Rate	20.50	20.80
Hydrant Rentals	1.80	1.80
Board of Health	.70	.80
Debentures	1.50	4.20
Street Lighting	4.00	4.00
Band Tax	.50	.50
	54.00	52.00

The total assessment is \$496,096.09 and the amount of money to be raised in taxes is \$26,786.49.

Attend Rotary Convention

Rotarians X. P. Mayhew and Geo. Noble returned home last night after attending the 41st Annual Convention of Rotary International held in Detroit, Mich.

Arthur Legueux, of Quebec City, Canada, was elected President of this world-wide service club organization. Delegates represented 7,100 Rotary Clubs with a membership of 340,500 business and professional executives in 83 different countries.

Mr. Legueux is President of the investment corporation of Legueux and DesRochers and of the Financial Building in Quebec City. He is also President of the La Sarre (Quebec) Power Company and an Officer of the Order of the British Empire. He is a member and Past President of the Rotary Club of Quebec and has served Rotary International as Director, District Governor and as committee chairman and member.

St. Paul's-Carmel Silver Jubilee Year Briefs

(By Rev. A. E. Baker, U.E.)

Father's Day was marked by the dedication of Pew Bibles. At St. Paul's the following dedications were made in loving memory of (1) Thomas Sinclair Baker, by his grandson, the Minister of St. Paul's; (2) Harry Edward Hulin, by his family; (3) A. L. Hough (2 Bibles) by Mr. and Mrs. J. B. Hough; (4) C. F. Linn, by Mr. and Mrs. J. B. Hough; (5) Robert Bush, by his daughters Evelyn and Eleanor; (6) In memory of loved ones, Mrs. Mary Vandervoort; (7) Lindsay Melkiojohn, by daughter Mrs. C. I. Hutton; (8) Mary Ann and Delbert Utman, by granddaughter, Marion Daniels; (9) Henry Gilbert Bell, by his son, Maurice; (10) Charles Spencer Munn, by his daughter, Maude (Mrs. Maurice Bell). Dedication in honour of the living were made in the names of (1) Robert William Thomas, of Toronto, baptized Mother's Day, the gift of his proud grandparents Mr. and Mrs. Wm. Thomas; (2) Thomas Sinclair Baker, by his son, the Minister of St. Paul's; (3) Rev. A. E. Baker, by his children Earle and Shirley; (4) W. L. Fox, by his son Colin; (5) Rev. W. S. Irwin, by his daughter Muriel (Mrs. A. E. Baker); (6) J. L. Good, by his daughters, Janet Ann and Roberta; (7) Robert Armstrong Patterson by his sons Thomas Allan and Robert Douglas.

A beautiful memorial basket of flowers graced the altar in loving memory of Mr. A. E. Mundy, father of Mrs. Gordon Bailey, while the tall pedestal vases were filled with red, pink and white peonies, the gift of Mr. and Mrs. W. L. Fox.

Dr. Charles F. Walt, now resident of Orangeville, has sent hearty greetings on the observance of our Silver Jubilee.

The Council of Stirling is to be complimented on steps taken to remove danger from aged or perilous trees and branches. It may be that owners of trees on private properties would be interested in having them examined and trimmed while the experts are in the municipality.

Thanks to the Council also for oil placed on road near the Fair Grounds. The mosquito menace and nuisance could be mitigated by the use of oil in

water holes and swampy places. Waste oil should not be wasted.

The name Stirling has been affixed to some motor car license plates. It is a very pleasant sight and might well be used by all Stirling licensed vehicles. Where can these be obtained?

Beautiful flowers were placed in the Church recently by Mrs. Russell Stapley in loving memory of her son Ralph, who died on Active Service, June 7th, 1944.

St. Paul's congregation mourns the passing of one of its great "Martha" women in the death of Mrs. Sadie Hawkins who entered her rest last Thursday week. She served as a member of St. Paul's Woman's Association and its predecessors for nearly sixty years.

About one quarter of our members and friends have returned their special M and M appeal envelopes. Will those who have not yet responded please do so as early as possible? It is hoped to make a report of the amount received next week. Please swell it by returning your envelope next Sunday.

Miss Gaele Meyers and Master Billy Ireland, of Campbellford, top soloists at the Northumberland Music Festival sang at St. Paul's last Sunday morning. Gaele came first in 1949 Festival with 100 competitors and first in 1950 with thirty competitors in her class. Billy, only 8 years of age shared with Gaele the appreciation of a large congregation.

Mrs. Percy MacMullen, of Sunrise Lodge was honoured for her unselfishness ministries with a Silver Jubilee pin at St. Paul's.

Many boys and girls of the Sunday School were presented with Silver Jubilee badges by Supt. J. L. Good.

Mrs. Lloyd Graham was honoured at the close of the "Gypsy Rover" rehearsal by St. Paul's Choir and wished every happiness in her new home. Mrs. Graham has not spared herself. Her beautiful voice has endeared her to us all.

St. Paul's will welcome members of Belleville Chapter 55 and Minerva Chapter 138 Order of the Eastern Star and their Masonic friends and visitors next Sunday, June 25th at 11:00 a.m. Worthy Patrons R. P. Orne and Bran Humphries will read the lessons.

Master Tommy Wells, a charter member of the Royal Stirling Choir will sing "How Beautiful Are The Feet," from Handel's Messiah.

The Carmel Sunday School Picnic will be held on July 1st at Fordway.

The Royal Stirling Choir will complete its regular practice season on Thursday, June 29th with a program of sports on the church grounds after day school. Refreshments will also be served.

Orangemen and their friends will rally for a great Dominion Day Parade service to St. Paul's on July 2nd at 11:00 a.m.

Douglas Pyear sang with good spirit the "Holy City" last Sunday.

Col. Lambert has written a fine letter of appreciation of the reception extended to him and his family on Silver Jubilee Sunday. He wrote in part "The Te Deum was tops as was the lovely solo The Lord's Prayer — that young veteran should go a long way — the first hymn (O For A Thousand Tongues) was as good a Methodist sing as I have had for years."

Sidney Township Votes To Dissolve Public School Area

Ratepayers in Sidney Township voted strongly to dissolve their Township Public School Area at a special referendum vote held on Friday.

The question before the ratepayers was "Are you in favor of continuing the Township Public School Area?"

The vote was 264 yes and 432 no with 21 spoiled ballots. The vote was very light with little more than a quarter of those eligible to vote casting their ballots. Total number of votes polled was 717 with approximately 2,700 on the list.

The Township Council will now apply to the Department of Education to dissolve the School Area.

The vote by polls was as follows:

	Yes	No
Avondale, A to K	47	21
Avondale, L to Z	60	21
Gilberts	30	41
Quinte View	7	27
Johnstown	14	81
Sidney Town Hall	41	79

Model Plane Contest By Chrysler Corp.

Over 5,000 Canadian youths, between now and July 16th, 1950, will participate in Model Plane Contests in their communities for the selection of contestants to represent Canada at Plymouth Motor Corporation's Fourth International Model Plane Contest to be held in Detroit, Michigan, August 14th to August 21st.

Chrysler-Plymouth-Fargo dealers in Canada have joined with Plymouth dealers throughout the world in making these yearly International Model Plane Contests the top event in model aviation.

Among the many towns and cities where plans are already well advanced for local contests are Windsor, Chatham, London, Kitchener-Waterloo, Brantford, St. Catharines, Guelph, and Ottawa, Ontario; Montreal, Quebec; Winnipeg, Manitoba; Saskatoon and Regina, Saskatchewan; Calgary and Edmonton, Alta.; and Vancouver, B.C.

Contestants selected represent the cream of model aviation. In past contests, there have been competitors from Holland, Belgium, Hawaii, Puerto Rico, Canada, Alaska, and every State in the United States.

A programme of entertainment for Canadian contestants has been laid out by the Chrysler-Plymouth-Fargo Division of Chrysler Corporation of Canada.

Limited. This programme includes Plant Tours, attendance at a Major League Baseball Game, and many other events.

"Plymouth's Fourth International Model Plane Contest promises to be the finest yet," said John C. McGuire, General Sales Manager of the Chrysler-Plymouth-Fargo Division, Chrysler Corporation of Canada, Limited.

"Over a million and a half people participated in or attended Plymouth dealer-sponsored contests and the international at Detroit last year. We are proud of the participation by Chrysler-Plymouth-Fargo dealers in this character-building hobby and the sincere interest of Canada's youth and their parents, in the programme."

All Chrysler-Plymouth-Fargo dealers have been provided with contest information and entry blanks.

Medical experts say 25 per cent of the world's people are prevented by physical handicaps from realizing full potentialities socially and economically.

There is No Substitute for GOOD EQUIPMENT

Nothing takes the place of up-to-date equipment for getting work done when it should be done... for catching-up with the job in late seasons... for removing the worry of the help problem... for increasing production... for keeping costs down and leaving more margin for profit.

Good equipment pays in many ways. And through a wide range of sizes and styles of tractors and power machines the advantages of modern equipment are available for all sizes of farms and types of farming.

Designed and built to embody the latest in engineering developments and manufacturing skills Massey-Harris power farming machines bring to users features that help them do their work easily, quickly, and at less cost.

union meeting at Hoard's on Tuesday afternoon last week report a very enjoyable meeting which was well arranged and sponsored by Hoard's Missionary Society.

The W.A. held their regular meeting at the home of Mrs. Harry Barnum on Wednesday afternoon of last week, with an attendance of 30 ladies. This meeting was Grandmother's Day. The ten grandmothers present were presented with a corsage.

The President, Mrs. Lindsay Anderson announced the programme as follows: Hymn and Prayer by Mrs. S. Kerr; Scripture Reading by Mrs. Alymer Petherick; Readings by Mrs. F. Osborne, Mrs. Don Kerr and Mrs. Albert Petherick; Piano duet by Mrs. A. Petherick and Mrs. W. Brunton; Solo with guitar accompaniment by Mrs. D. Ingram. Contests by Mrs. Lorne Barnum. Hymn 347 was sung followed by the Mizpah Benediction. Lunch was served at the close.

Rylstone

One of Rylstone's oldest residents passed away at her home on Wednesday, and was buried on her 83rd birthday, Friday, June 16th. She was formerly Margaret Reid and spent all of her life in this vicinity. Her husband, James Irwin, predeceased her about 5 years ago.

She leaves to mourn her loss two sons, Victor, of Campbellford; Willis at home, and one daughter, (Gertie) Mrs. Charles Stewart; also four grandchildren and two great grandchildren.

The funeral cortege left the home of her daughter, Mrs. Charles Stewart, and proceeded to Rylstone Cemetery, where the funeral service was preached by Mr. Belch, of Belleville, assisted by Mr. A. R. Fox, of Trenton, and Rev. H. E. Beare, of Springbrook. Miss Bessie Simpson and her sister Mrs. Densmore Lahn sang a very appropriate duet, "Beyond The Sunset." We extend our sympathy to the sorrowing relatives.

Mrs. Lizzie Thomson has returned home after spending the past few weeks with her daughter, Mrs. Murney Fleming, at Oshawa. We are glad to report that she is much improved in health.

Recent visitors of Mr. and Mrs. Mark Morton were Mrs. Wm. Swanger, of Peterborough; Mr. and Mrs. Jim Graham, Roy and Clifford, all of Keene. Mark is feeling much better and is able to be up part of each day.

Mr. and Mrs. Alfred Aikens are the proud parents of a bouncing baby boy. Born in Campbellford Hospital on Monday, June 19th.

Ruth Morton returned to her duties at the Bank of Montreal, in Stirling, on Monday after spending the past two weeks at the home of her parents, Mr. and Mrs. Richard Morton.

Rev. H. E. Beare, Mrs. Beare and Bobby were Sunday guests at the home of Mr. and Mrs. Wilfred Spencer. Russell Reid, of Brighton, was a visitor to Rylstone on Friday when he attended the funeral of his aunt, Mrs. Maggie Irwin. Russell spent quite a few years here as a child.

Mrs. Lizzie Greenley, of Toronto, and Miss Anne Blackwell, of Swift Current, Sask., were recent guests of their cousin, Mrs. Chester Meiklejohn. Mrs. Jessie Hay, of Campbellford, is spending a few days with her brother, Chester Meiklejohn and family.

Minto

Salem W. A. held their monthly meeting at the home of Mrs. Cleo. Bedell on Thursday afternoon with a splendid attendance.

Mrs. Ernest Saries, President, opened the meeting with a hymn, prayer, roll call and minutes of the last meeting. She then welcomed the visitors and hoped all would have a very pleasant afternoon. Business was discussed and it was decided to hold a Lawn Social in the near future. Mrs. Lorne Hagerman then took charge of the programme. A hymn was sung and Mrs. Brown led in prayer.

Mrs. Bert Heagle gave a reading which was followed by a solo "Take Time To Be Holy," by Mrs. Ed. Colden. Mrs. Tom Clements then introduced the guest speaker, Mrs. W. T. Elliott, President of Stirling W. A., who gave a very interesting talk on the history of the United Church from its founding until the present. As this year is the Twenty-fifth Anniversary of the Church this was very appropriate subject and the address excellent.

ceptionally well given.

Mrs. Frank McGee on behalf of the branch extended thanks to Mrs. Elliott for her very fine talk, to all who helped with the programme, and to Mrs. Bedell for her hospitality. Mrs. Mel Wickens closed the meeting with prayer.

Miss Patsy Sine staged a contest and lunch was served.

Mr. and Mrs. Verney Heath spent Sunday with Mr. and Mrs. Lindsay Tanner and Mrs. Morgan.

Jean and Joan Tweedie held a birthday party at their home on Monday evening.

Several from this community attended the shower given in honour of the newly-weds, Mr. and Mrs. George Runnalls held in Springbrook Hall on Friday night.

The school children are busy these days trying their examinations.

Jean and Ernie Mayo have the measles this week.

Mr. and Mrs. Ed. Colden and Carman; Mr. George Tanner and Miss Edna Tanner attended the Masonic Service in St. John's Church, Stirling, on Sunday night.

The St. Thomas W.A. held a quilting in the hall on Wednesday.

Springbrook

Mr. and Mrs. David Cretney, of Belleville, were week-end guests of Mr. and Mrs. Murney Mason and Gary.

Mrs. Cecil Austin spent a few days last week with Mr. and Mrs. Maurice Austin in Belleville.

M. and Mrs. Percy Bateman, Misses Ruth and Donna Bateman were week-end guests of Mr. and Mrs. Herb White at Oshawa. Donna remained for a few days holiday.

Mr. and Mrs. Malcolm Mason, Lois and Lynn enjoyed a motor trip to Algonquin Park on Sunday.

Mr. and Mrs. Reg. McKeown and Billie were guests of Mr. and Mrs. Clarence Jeffrey and family, Napanee, on Sunday.

A large crowd attended the shower in the Hall Friday evening in honour of Mr. and Mrs. George Runnalls. The young couple were presented with a studio couch and two chairs from the community.

Miss Lois Mason has accepted a position in Belleville for the summer months.

The C.G.I.T. held a weiner roast at the Meiklejohn Cottage, Oak Lake on Thursday evening. All had an enjoyable time.

Miss Ruth Leonard is spending sometime with Mr. and Mrs. Gordon Webb and Rosemary, at Bonarlaw.

Miss Ruth Bateman, of Belleville, is spending a two week vacation at her home here.

Mr. and Mrs. John Forsyth entertained a number of their relatives to tea on Sunday evening in honour of Mr. Forsyth's birthday. The guests included Mrs. Lindsay Cassidy and Beth, Mr. Keith Cassidy, Miss Ann Meyers, Cordova; Mr. and Mrs. Hugh Forsyth and family, Deloro; Mr. and Mrs. Carl Ray and Gail, Ivanhoe, and Miss Phyllis Cassidy, of Belleville.

Miss Lenora Bateman, of Belleville, spent Monday with Mr. and Mrs. Cecil Bateman and Mr. and Mrs. Murney Bateman.

Mr. Harold Runnalls, of Kingston, are spending a vacation with Mr. and Mrs. A. D. Runnalls.

Miss Jean Morton, 9th Line, is spending sometime with Mr. and Mrs. Emerson Reid and Janet.

Mr. and Mrs. Les McKeown and family, of Minto, were guests of Mr. and Mrs. Fred McKeown on Tuesday evening.

Miss Rose Haslett spent a few days recently with relatives at Peterboro.

Hello Homemakers! A few years ago homemakers were glad to have cold storage in order to keep foods from spoiling. In those days, it was a type of poorly insulated ice-box or the dark, dank basement. Today, homemakers use a well-insulated and lighted refrigerator for the concocting of foods for the table, as well as for storage. However, many homemakers are not yet aware of all the possible uses of today's refrigerators—they can produce a full meal from appetizer to dessert and beverage. We can even "bake" a fruit cake in the freezer. In addition to large freezing compartments, enabling the homemaker to take advantage of the most advanced techniques of food storage, practically every new model has some innovation which adds to the refrigerator's utility and efficiency. There are automatic features such as magnetic door closing, new defrosting methods, butter conditioner, plastic drawers and sliding shelves.

Delightful surprises such as Frozen Tomato Juice, Lemon Parfait, Potato Meat Salad and Party Bisque are a pleasure to prepare and to eat.

FROZEN TOMATO JUICE

- 1 pint tomato juice
- 4 stalks celery, minced
- 2 tps. sugar
- ½ tsp. salt
- 1 tsp. onion, grated

Mix these ingredients and allow to stand 20 minutes. Strain and place in a freezing tray. Let freeze partially.

LEMON PARFAIT

- 1 tbs. (or pkg.) gelatine
- ¾ cup sugar
- ½ cup corn syrup
- 1 cup cream
- ½ cup cold milk
- 2 eggs, well-beaten
- 1½ cups milk
- ¾ cup lemon juice
- 1 tsp. lemon gratings

Soften gelatine in ½ cup cold milk; dissolve over hot water. Cool slightly. Gradually add sugar to eggs and beat. Add remaining ingredients. Stir in.

Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor

What a thrill! Bony limbs fill out; only hollows fill up; neck no longer scrawny; body loses half-starved, sickly "lean-pole" look. Thousands of girls, women, men, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank the special Vioce-Building, flesh-building tonic, Cotter's 15 Tablets, stimulants, invigorators, appetite and digestion aid food given you more strength and nourishment, put flesh on bony bones, the 5, 10, 15 or 20 lbs. you need for normal weight. Come inside. New "get acquainted" size only 50c. Try famous Cotter's Tonic Tablets for new vigor and added pounds, this very day. At all drugstores.

dissolved gelatine. Freeze firm in an electric refrigerator unit. Break in chunks with wooden spoon; turn into chilled bowl and beat smooth. Return to tray and freeze firm. Serve in sherberts, placing alternate spoonfuls of ice cream with sweetened strawberries. Serves eight.

POTATO-MEAT SALAD

- 1 (10 oz.) can luncheon meat
 - ¾ cup diced old cheese
 - 1-3 cup chopped onion
 - 2 hard-boiled eggs
 - 3 cups diced, cooked potatoes
 - 1 cup diced celery
 - ½ tsp. salt, pepper, garlic salt
- Combine all ingredients except garlic salt and egg slices. Rub the serving bowl with 1-8 tsp. garlic salt. Toss salad with French dressing. Garnish with egg slices. Serves eight.

PARTY BISQUE

Dissolve 1 pkg. lemon-flavoured gelatine in 1½ cups hot water, 3 tps. lemon juice and 2 tps. grated lemon into gelatine and then chill until partially set. Beat until fluffy in a large bowl. In the small bowl of electric mixer, whip 1 tall tin of chilled evaporated milk and fold into gelatine mixture. Spread 1 cup graham wafer crumbs in refrigerator dessert tray then pour in the gelatine mixture and cover with another cup of graham wafer crumbs. Freeze firm. Serves 10.

TAKE A TIP

1. Defrost electric refrigerator when frost becomes pencil-thick.
2. A quick method of defrosting is: turn dial to defrost. Remove ice cube trays and meat keeper. Place a thick pad of newspaper on the shelf directly below the freezing unit. Empty one tray of ice cubes and place half way back on its shelf; fill with boiling water and slide all the way into unit. Close refrigerator door and let ice melt while you sort out the contents and wash the vegetable pan which has been removed from the lower part of the refrigerator. Then take off any remaining ice with a dull wooden spoon to tap it (never anything sharp) and remove ice and newspaper. Wipe unit with a clean cloth dipped in baking soda solution (never soap) and also cabinets and shelves. Do not forget to wipe inside of the refrigerator.
3. Cover all foods placed in the refrigerator, except those with a natural covering, such as eggs, berries and citrus fruits.
4. Strong-flavoured foods, such as onions, should be wrapped in wax paper and secured with an elastic band.
5. Make lids of olive and horse-radish

jars secure, then turn upside down and store in the refrigerator to prevent moulds and blackening of foods.

6. Without a crisping pan you can keep greens in an oilskin bag or in glass jars with tops.
7. After preparing radish roses, celery curls, etc., place them in a bowl with a half-inch of water in the bottom and cover.
8. Keep the table bouquet of flowers in the refrigerator overnight.
9. Cakes and bread keep moist if covered with household foil and stored in the electric refrigerator.
10. Keep a deodorant in the refrigerator just in case an unpleasant aroma develops... such as, a small piece of charcoal, a dish of baking soda, an empty coffee bag, or a few nasturtium leaves.

THE QUESTION BOX

Mrs. K. M. asks for a quick recipe to make light rolls.

Answer:

Feather Rolls

- ¾ cup rice potatoes, hot
 - ½ cup fat
 - 1 yeast cake
 - 2 eggs, well beaten
 - 2 tps. sugar
 - 2 cups buttermilk
 - 1 tsp. salt
 - 7½ cups bread flour
- Add fat to hot potatoes. Crumble, beat in yeast. Stir in milk, sugar, salt, eggs. Mix well, add 6 cups flour, knead in the rest. Place in greased bowl. Cover. Allow dough to raise until doubled. Bake at 450 degrees for 12 to 18 minutes. Makes about 4 dozen.

St. Paul's Auxiliary of The W.M.S.

The June meeting of St. Paul's Auxiliary of the Woman's Missionary Society was held on the afternoon of the 13th in the Church Parlours, and followed the service prepared for Auxiliary in observance of the Twenty-fifth anniversary of union.

Mrs. C. Macklin presided for the opening and business periods. Minutes of the May meeting were read and approved. The treasurer reported \$88.85 in the treasury and \$48.25 cleared at the Silver Jubilee Tea and home-baking sale. Miss D. Caldwell, Corresponding Secretary read a note of thanks for a letter of condolence sent to bereaved ones; also a letter from Dr. Charlotte Whitton, regarding her inability to be with us as guest speaker on Sunday evening, October 1st.

Mrs. A. Armstrong, Secretary of Christian Stewardship and Finance department gave a short reading on money given to the Church, where it goes and what it can do. Mrs. A. E. Good, Community Friendship Secretary, reported 14 calls made during the past month. Mrs. H. David, Christian Citizenship and Temperance Secretary, read an article from the June issue of the Reader's Digest, on the

responsibility of parents to their children.

Mrs. Macklin presented Life Membership Certificates to Mrs. H. C. Martin, who was made a life member by Mr. Martin and Mrs. W. C. Pitman, who was thus honoured by her daughters, Mrs. H. Wells and Miss Grace Pitman.

Mrs. J. B. Thompson was in charge of the programme. Mrs. George Pollard was called on to review the first five years of union of the work at home and abroad, from 1925 to 1930, years of re-adjustment. Mrs. R. Patterson told of the draught in the West, the 15% reduction in salaries and maintenance, although no missionary was recalled, and the work in Newfoundland. Mrs. Pollard told of the inauguration of the schools for leaders in each Presbyterian throughout the Dominion during the years between 1935 and 1940. Mrs. Macklin gave a very brief account of the critical but thrilling years from 1940 to 1945. Re-adjustment and re-building in the overseas fields from 1945 to 1950 were pictured for us by Mrs. R. Patterson. Mrs. Macklin closed the review by a few remarks regarding the future of the work.

Commenting on this very splendid review as outlined by the different members, Mrs. Thompson said, "In reviewing the work of the Society as a whole, ministering to many and varied needs has been effective. It has carried forward essential work of long-standing and it has initiated new undertakings when the situation demanded it. In spite of weakness in our work at many points, in spite of tremendous difficulties inadequately faced, our fellowship of women, youth and children has brought a great contribution to the life and work of the United Church of Canada."

"Growing With The Years In Our Auxiliary," was the subject of the next part of the programme. Mrs. Thompson reminded her listeners that St. Paul's Missionary was organized on August 3rd, 1893.

Mrs. H. C. Martin, speaking on "Membership," pointed out the growth in membership of Auxiliary, Mission and Baby Bands, but regretted the lack of leadership for Mission Circle and affiliated C.G.I.T. Mrs. Hagerman gave a two minute talk on "Study and Reading." The study book and Missionary literature has been used and read through the years and has been the means of strengthening interest, increased giving and leadership. Speaking briefly on "Service," Mrs. C. Wright told of the visiting of the sick and the shut-ins, the strangers, the new comers of other nationalities, supply and relief work.

Mrs. W. Barker told of the advance made in the junior groups but left a question with her listeners, "Are we satisfied?"

Mrs. Martin spoke of the young people that have gone into full time church service since Union and expressed the wish that the needs and opportunities may be presented in such a way as to challenge our young people who may yet give themselves to the service. Mrs. Macklin took the chair and led in the Litany of dedication to "Advance," the members of the Auxiliary making the responses.

The meeting closed with hymn and prayer in unison. The lunch committee served birthday cake and a cup of tea.

We regret that an omission was made in the write-up of the Silver Jubilee Tea. The item should have read. Presiding at the tea table were Mrs. G. Pollard and Mrs. C. Lansing, past Presidents Mrs. E. G. Bailey, immediate past President, and Mrs. W. T. Elliott.

County Will Spend \$250,000 on Roads And Bridges

County roads and bridges expenditure for 1950 amounting to \$238,000 has been approved by the Department of Highways, the Roads and Bridges Committee report presented to County Council revealed Friday.

Suburban roads maintenance is set at \$10,000 and the \$228,000 allotted to the County System includes maintenance, \$145,700; machinery, both new and repairs, \$18,800; overhead, \$11,500 and construction, \$52,000.

It was pointed out that when the item of \$29,000 allotted for re-topping of the Madoe road and an additional estimated \$11,400 is deducted for fencing and other work on the Stirling-Hoard's road, only a small sum will remain for miscellaneous construction.

Costs of winter control, the report stated was approximately \$15,500. This is not the total cost since prior to December 1st, snow fence had been erected, sand piles put out and chemicals purchased and mixed.

Damage due to Spring breakup was extensive, the report said. All rock left from 1949 was used up early and a large quantity purchased from available sources.

Who has a stake IN THE TELEPHONE BUSINESS

When you think about it, everybody has a stake, one way or another, in the telephone business.

28,000 Bell employees and their families... 62,000 Bell shareholders and their families... Thousands of suppliers of materials for telephone construction and expansion...

1,250,000 telephone customers in Ontario and Quebec, in homes, offices, hospitals, shops.

Keeping pace with growing needs for more and better telephone service takes lots of work and lots of money.

Only a financially healthy company can carry on this big job.

Telephone users, employees, shareholders, — everyone has a vital interest in a service that means so much to the welfare of so many people.

NEWS FOR THE BUSY FARMER

TO STUDY PASTURE IN RELATION TO BEEF CATTLE

The Minister of Agriculture for the Province of Ontario, Col. the Hon. T. L. Kennedy, announces the appointment of a Committee to study the question of pasture in relation to beef production. The work of this Committee will be carried on in co-operation with a number of farmers throughout the Province in beef-raising areas where farms will be selected for this special work and the research work will be conducted on the farm at the Ontario Agricultural College, Guelph.

This Committee will be under the chairmanship of Mr. W. P. Watson, Live Stock Commissioner. Members representing the Ontario Department of Agriculture are: Mr. J. A. Garner, Director of Extension; Mr. A. H. Martin, Crops, Seeds and Weeds Branch and Dr. H. L. Patterson, Director, Farm Economics Branch. Those representing the Ontario Agricultural College, Guelph are: Dr. G. P. McRostie, Head of the Department of Field Husbandry; Professor C. G. E. Downing, Head of the Department of Agriculture Engineering; Professor R. G. Knox, Head of the Department of Animal Husbandry; Dr. F. A. Stinson, Head of the Department of Soils and Dr. G. N. Huhnke, Director of Research. Representatives of the Ontario Beef Producers' Association on the Committee are as follows: Mr. B. B. Warnica, R.R. 4, Barrie; Mr. Harold Huffman, Blenheim and Mr. E. M. Bateman, Box 100 Mount Brydges. Mr. J. C. Steckley will represent the Experimental Farm, Ridgeway. Mr. A. A. McTavish, Paisley and Mr. L. B. Mehlenbacher, Cayuga, will represent the Ontario Crop Improvement Association while Dr. T. M. Stevenson is the representative of the Dominion Department of Agriculture.

HORSES VS TRACTORS

The ever-increasing performance and efficiency of the tractor during the first part of this century does not mean that in the near future the horse will have disappeared as a factor of importance in world agriculture, says an editorial of "World Crops," a magazine published in Great Britain and distributed throughout the world.

According to this article, there is no reason to believe, as some prophets do, that the horse "will survive merely as in instrument for sport and recreation, a charming relic of a bygone age." On the contrary, writes the editorialist, the horse has, and will continue to have, a definite part to play in the farm economy for many years to come and, indeed, indefinitely. It will supplement the work of the ma-

chine and their roles are complementary, a sort of symbiosis, in fact.

Point is given to this in a recent circular of the British Ministry of Agriculture which describes the alarming decline in the number of farm horses during the past decade. The circular stresses the fact that tractors have to depend on imported fuel oil, while the horse "proceeds under its own steam generated by home-grown food."

"Even assuming that adequate supplies of tractors, spare parts and fuel can be relied upon, says the writer of "World Crops," there are still many occasions when the horse can be more suitably employed than the tractor. Smaller farms with, say 100 to 125 acres of arable land possessing only one tractor will almost certainly require two horses at least."

The editorial goes on to point out that the tractor is particularly valuable for getting heavy work done quickly, but numerous light jobs are more cheaply and efficiently done by horses, especially when conditions are wet owing to the lower compressive effect of the horse. In some conditions, "the value of the draft animal as a source of supply of organic manure has to be taken into account."

"It is not really a question of competition between the animal and the tractor, concludes the editorialist, but rather one of deciding the conditions under which each can be used to the best advantage. They are, in fact, complementary and not competitive."

UNITED KINGDOM AGRICULTURAL MISSION

Header by Sir William Ogg, director of the experimental station at Rothamsted, England, and consultant director of the Commonwealth Bureau of Soil Science, a party of six eminent United Kingdom agricultural scientists and administrators will tour Canada this summer as guests of the Canada Department of Agriculture.

Scheduled to land at Quebec June 27th, the party will be accompanied by Dr. W. F. Darke, agricultural secretary to the U.K. High Commissioner in Canada, across the country and back until they leave Montreal August 24th.

This is a return call for the visit of Canadian agricultural scientists to the U.K. last year and is part of a post-war movement towards the vital and continuous interchange of ideas related to the scientific and organizational aspects of agriculture.

Besides Sir William Ogg, the party will include Dr. D. P. Cuthbertson, director of the Rowett Research Institute, Aberdeen; Professor W. H. El-lison, University College of Wales, Aberystwyth; J. H. Anderson, National Agricultural Advisory Service, Cambridge; W. H. Senior, assistant director of education and research of the Department of Agriculture, Scotland; Professor Ewen McEwen, University of Durham.

During their tour of Canada they will study the most recent developments in Canadian agriculture and visit the most outstanding agricultural institutions of this country. For instance, their itinerary includes an airplane trip over Prince Edward Island from Charlottetown, guests of the Provincial Government, an extended tour of the great St. Mary's dam and canal system from Lethbridge. They will also visit representative farms from coast to coast, manufacturing and packing plants, experimental farms and stations, universities and agricultural colleges, provincial and federal government buildings, offices and personnel.

HAY COMPETITION

The Grassland Day Committee is sponsoring a hay competition and offering \$150 prize money at the Grassland Day to be held on the farm of G. E. Shepherd, Highway 15, near Kingston, on June 28th.

The competition will include classes for loose and baled, both legume and mixed hay from 1950 crop. The hay will be judged on appearance only on the day of the show and one half of the prize money paid accordingly. The balance of the prize money will be paid on the feeding value as determined by chemical analysis. Each entry must consist of two bales or two bags of at least twenty-five pounds each. A portion of each lot will be retained by the committee for display at the Regional Crop Improvement Conference.

Entries are invited from all counties in Eastern Ontario, east of and including Hastings and Prince Edward Counties.

Classes will be placed on the group system. Championship will be determined on appearance and feeding value.

U.S. Funds Accepted At Official Rate

To help in the establishment of a uniform method of handling U.S. currency and making change for American visitors, the Foreign Exchange Control Board has issued a special display card for distribution to hotels, restaurant owners, retail merchants, service station operators and others engaged in the tourist business.

The card carries a simple statement: "U.S. Funds Accepted at the Official Rate — \$1.00 U.S. equal to \$1.10 Canadian." On the reverse are two simple tables for calculating the amount of change which should be given when American currency is tendered in payment of an account. One shows the simplest way to calculate change-making in Canadian dollars; the other when U.S. dollars are requested in change.

In announcing distribution of the cards, Graham Towers, Chairman of the Foreign Exchange Control Board, said they had been designed to accomplish two things. The first was to assure American visitors that they would receive the official rate of exchange on any American currency spent at the point where the card was displayed. The second was to avoid misunderstandings which otherwise might arise by providing business men with clear, concise information for the making of change in either Canadian or U.S. funds as desired by the customer.

Mr. Towers emphasized that, although there is no compulsion on Canadians to accept U.S. dollars when they are offered, those who do so are required by the Foreign Exchange Control Act and Regulations to allow the full official rate of exchange.

Change-making illustrations on the back of the card show two methods for calculating exchange on U.S. funds. The example follows:

Change In Canadian Funds

A tourist tenders a \$5.00 U.S. bill for a \$1.80 purchase and change is being given in Canadian dollars.

U.S. dollars tendered	\$5.00
Add exchange differential of 10%50

Total in Canadian dollars	\$5.50
Deduct amount of purchase	1.80

Change to be given in Canadian dollars	\$3.70
--	--------

Change In U.S. FUNDS

Since \$1.00 U.S. will buy \$1.10 worth

of Canadian goods, the sale price of any article in Canada divided by 11 will give you the discount to which your American customer is entitled. This "Rule of Eleven" will make it easy for you to calculate change in U.S. funds whenever requested. The following example shows what happens when an American tenders a \$5.00 U.S. bill for a \$1.87 purchase.

Amount tendered (U.S.)	\$5.00
Canadian Sale Price	1.87
Discount (Divided by 11)17
Cost in U.S. funds	1.70
Change in U.S. funds	3.30

Three further points are included on the card. They are:

- (1) Canadian business men may not give American funds in exchange for Canadian funds.
- (2) They may not give American funds for Americans if they have reason to believe that the person offering them is a resident of Canada. In cases of uncertainty as to whether the customer is American or not nationality can be established by driving license or other means of identification.
- (3) Canadian business men are reminded that, apart from a reasonable amount which they may need to keep on hand for change-making purposes, all U.S. funds received must be turned into a bank in exchange for Canadian funds. It is illegal to use or dispose of them in any other way.

Merchants and others who have not yet received these cards may obtain them by writing the Foreign Exchange Control Board, Ottawa or through their nearest Chamber of Commerce.

Eastern Ontario Grassland Day

Grassland Day for Eastern Ontario will be held this year on June 28th on the farm of Earl Shepherd on Highway 15, near Kingston. In the past few years, these events have attracted thousands to see their first show of modern haymaking methods and machines in action.

In one short day haymaking history will be brought to date and a glimpse given into the future since every type of haymaking machinery will be demonstrated. Some seventy-five different machines from at least a dozen manufacturers will be displayed and demonstrated. These will include the latest models of power and horse drawn mowers, dump and side delivery rakes, hayloaders, field balers, and forage harvesters. Other labour sav-

ing devices will be bale elevators, forage blowers, buck rakes, self unloading and one-man sliding racks. These will all be demonstrated to show their relative advantages and disadvantages in handling hay and grass silage.

Growing interest in the use of grass silage has prompted one committee to arrange for an actual demonstration of ensiling grass. An experienced authority will be right at the silo to discuss problems and give advice on this phase of forage storage.

Combination seed and fertilizer drills will also be demonstrated in the morning to show their relative efficiency in seeding pasture mixtures. This will be accompanied by a discussion on the establishment of new seedings.

Another feature of the morning programme will be a demonstration of various weed sprayers and a discussion on chemical weed control. Demonstrations of previous spraying jobs will be available for inspection.

The committee is sponsoring a hay competition for loose and baled hay, 1950 crop. One hundred and fifty dollars (\$150) in prize money is being offered for this feature. Details and entry forms are available from your agricultural representative.

All of these and many other features have been arranged to make this year's Grassland Day the most successful yet. The committee has been very fortunate in securing Professor N. J. Thomas of the Ontario Agricultural College, noted authority on grassland, as guest speaker.

Mr. Shepherd along with the officers of the County Crop Improvement Associations, particularly Frontenac who are hosts, in Eastern Ontario have spared no effort or expense to make this field day a success.

OPERATIONS — DUCKS

When George Hubbel, hardware merchant at Havelock, went to repair the roof on his cabin at Belmont Lake, he frightened a duck from the chimney of the building. George investigat-

ed the chimney to find a nest with 17 eggs. The duck was an American Meganser and had chosen the chimney as a suitable place to raise her family. The nest is about four feet down in the chimney and was a very secluded spot, provided a fire was not kindled in the stove. However, George is watching developments with interest. These ducks are quite common along the shores of the lake, especially in the mornings with their families. —The Havelock Standard.

30 Head of Stock Die In Barn Fire At Holloway

Fire of unknown origin completely destroyed a barn, contents and about 30 head of livestock on the farm of Donald Carter, Holloway, early Sunday. Damage was placed at \$5,000.

A fast trip by a Belleville Fire Department pumper and crew was too late to save the Carter barn, but did save another nearby barn owned by Charles Huffman. The Huffman barn caught fire in several places from flying sparks.

Let's Have The News

Vacation season is here, and it brings a steady stream of visitors to the community, while scores of local residents are holidaying at other points from time to time.

Every one of these visitors is a news item of interest to at least some of our readers and we are very anxious to receive these items. Send them in, or bring them in, phone them in, or if you live in the country, let your district correspondent know. We do not wish to miss these "comings and goings", but if someone doesn't tell us, how are we to know? May we count on your co-operation?

Walter Rodgers gave a reading, "Father's Day." Mrs. Don Rodgers gave the topic.

One of Canada's greatest women Missionaries said Great is the company of women quietly and unobtrusively for the most part taking the word that God has given and publishing it. Christianity was the first religion to emancipate women. Dorcas laboured faithfully for the poor. Her work was the forerunner of women's work up to today. W.A. and Ladies' Aid existed in our church many years ministering to local needs and the upkeep of the church property.

Missionary endeavour in our country started 125 years ago. In 1876 Women's Foreign Missionary Society was started. Finally in 1899 the Society took on Home Mission Work. The work grew gradually until today we face an enormous task. Today our aim should be to break down barriers of ignorance and darkness. In this year 1950 the 75th year of the formation of the Presbyterian Church in Canada we can still all be pioneers in this respect.

Mrs. E. Foster spoke for the bala. She urged all to endeavour to give clothing as a donation for this year. Mrs. Blanche Reid reported having sent seventy dollars to Miss Nesbitt. Mrs. Reid urged for loyalty in giving for the remainder of the year. Mrs. Reid was made Treasurer for the fund for the book "Our Heritage and Our Faith."

The Summer Rally at Amherst was announced. Kingston Presbyterial has before it a great task so let us do our utmost to do our small share. The meeting was closed with prayer.

Mrs. Cain and Mrs. R. Woodbeck served a delightful lunch and all enjoyed a social time. Mrs. W. H. V. Walker thanked Mrs. Cain and her helpers for their share in planning for this successful evening.

Trenton Defeats Intermediates Twice

Stirling Intermediates dropped two games to Trenton Softballers during the past week.

In a free hitting game played here Friday night, Trenton's Weese Motors team won the first game 17 to 11.

For eight and one-half innings it was a close battle, with both teams playing smart ball, but then in the top of the ninth with Trenton needing one run to tie the game up, they got seven runs and the ball game. Big blow of this frame was Joe Scott's three run homer. Both pitchers, Curtiss and Rogers went all the way, although hit hard, and often, Stirling jumped into a three-run lead in the first. Trenton scored four in the second on two hits and three walks but Stirling came back in their half to score three more and held a slim lead throughout until the fateful ninth, when the roof fell in on Rodgers.

Trenton's big bats were swung by Pitcher Curtiss with two hits in four times at bat, including a triple, while Maurice Jeffery had a homer and a

single to his credit. Carswell had a double and single, and Ivan Istead collected three singles.

For Stirling, Lanigan, batting in the number three slot, had four hits in five times at bat, while cleanup man Dafoe, had a single, double and triple in five times at the plate. R. Mason, playing in left field, made two or three nice catches, one in particular, when he robbed Joe Scott of a sure home run.

Second Game

In the return game at Trenton on Monday night the locals held an 8 to 1 margin going into the bottom half of the eighth inning. However, Trenton put on a six-run rally in the eighth and added a pair in the ninth to edge the locals 9 to 8. The win gave Trenton undisputed possession of first place in the Trent Valley League.

Faulkner was on the mound for Stirling until the eighth and Rodgers finished out, with Wright behind the bat.

St. Paul's Mission Band

Sixteen members attended the June meeting of St. Paul's Mission Band in the Sunday School rooms on June 14th.

The meeting opened with Mission Band Purposes, followed by hymn "For The Beauty of The Earth." Mrs. Wells read the Scripture from the 19th Psalm, followed by Prayer. Theme, "God is to be found in all things." Mrs. Belcourt read a story, "The Dr.'s Story In India," taken from the Study Book. A duet by Wendy Warren and Jeanette Aythart was much enjoyed. Sandra West read a poem entitled, "June." Margaret Johnson read a poem, "From My Hill Top." Carolyn Belcourt gave a reading. Mrs. Wells read a short story. The meeting closed with hymn 70 and the benediction. Lunch was served.

W. J. Cottrell Retired At Deloro

W. J. Cottrell has been retired from the Deloro Smelting and Refining Company. Mr. Cottrell ended his 30 years of service to this company last Saturday.

Born in the Village of Cheddar, England, Mr. Cottrell came to Canada in 1912 and settled in Madoc where he became the lay reader of the Anglican Church. He enlisted in 1915 and went overseas with the 2nd Battalion, Infantry. During his service he was wounded and received his discharge in 1919. At this time he became lay reader at the Marmora Anglican Church. He joined the Deloro firm in this same year and has been with them ever since. At the time of his retirement, Mr. Cottrell was a clerk in the silver department of the Company. He is a member of the Deloro Quarter Century Club.

Wins Boat Race

Fector MacMillan, speed boat enthusiast, of Campbellford, added another trophy to his collection on Sunday, by winning a race at the Coneseon Outdoor Club course. Mr. MacMillan won the first heat with little difficulty, but his motor became flooded at the start of the second heat and the other boats were about half a lap ahead of him before he got the motor started.

Bowl In Belleville

One Stirling rink composed of Mrs. R. E. Fox, Mrs. Earl Green, Miss Grace Carleton and Mrs. W. T. Elliott, skip, took part in the rinks' tournament sponsored by Belleville Lawn Bowling Tournament on Tuesday. The local quartette won two games and lost one.

Swimming Alone Boy 12 Drowns

Harold Hill, 12-year-old son of Mr. and Mrs. Gerald Hill, of Codrington, drowned in six feet of water Friday while swimming in Cold Creek near his home. When the boy failed to come home for supper, his father and a neighbour searched the creek. They found his clothes on the bank and later recovered the body.

MARIE ACKERS BRIDE OF LYLE BERNARD HAY

St. John's Anglican Church was the
scene of a double ring ceremony at
11:00 a.m. on Saturday last, when
Agnes Marie, daughter of Mr. and Mrs.
John Ackers, became the bride of
Lyle Bernard Hay, son of Mr. and Mrs.
Fred Hay, of Campbellford. Rev. A.
J. Anderson officiated.

The bride, who was given in mar-
riage by her father, wore of gown of
ivory satin and lace. Her long veil of
tulle illusion was held by an ivory
halo. She carried a cascade of red
roses and orange blossoms.

Elleen Ackers, Oakland, California,
was her sister's only attendant and
wore white net over pale green taffeta
with a pale green picture hat. She
carried a nosegay of pink roses,
sweet peas and orange blossoms.

Glenn Hay, of Campbellford, broth-
er of the groom, was best man.

After a reception in the Parish Hall
the happy couple left amid showers of
confetti for a trip to Niagara Falls,
the States and Wasaga Beach.

Upon returning home the young
couple will reside near Campbellford.

INSTALLATION OF MASONIC OFFICERS FOR COMING YEAR

On Monday night, Stirling Lodge,
A.F. & A.M., No. 69, G.R.C., held the
annual Communication in the Masonic
Hall.

The Auditors' Report was presented
showing the lodge in a strong financial
position and the officers for the en-
suing year were installed.

Wor. Bro. G. B. Bedford was the in-
stalling officer and was ably assisted
by V. Wor. Bro. Thos. W. Solmes,
director of ceremonies and Rt. Wor.
Bro. E. A. Carleton.

The officers for the coming year
are as follows:

Wor. Master — Wor. Bro. C. I. Hat-
ton.
I. P. M. — Wor. Bro. Lorne Watson.
S.W. — Bro. G. G. Bailey.

S.S. — Bro. Murney Johnston.
J.S. — Bro. R. D. Cooke.
D. of C. — V. Wor. Bro. Thos. W.
Solmes.
Tyler — Bro. W. Robb.

Following the installation ceremony
short addresses were delivered by the
newly-installed officers, after which
all partook of the Fourth Degree.

Holiday Mix-UP

There will be a mix-up in the Do-
minion Day holiday in Stirling with
the Post-Office and bank closed on
Saturday, which is the statutory hol-
iday, while the stores will remain open
on Saturday and close on Monday.
P.O. Hours

The general wicket at the Post Of-
fice will be open on Saturday from 8 to
9 a.m. only, although the lobby will be
open during the day for the use of box
holders. There will be no rural mail
delivery.

Silver Wedding Anniversary

On Tuesday evening Mr. and Mrs.
H. R. Tompkins entertained a number
of friends on the occasion of their
silver wedding anniversary. During
the evening Mr. C. I. Hatton briefly ad-
dressed the bride and groom of twenty-
five years and Mrs. J. E. Salisbury
made the presentation of a lovely gift
on behalf of those present.

Won At Trenton Tournament

Two pairs of Stirling bowlers par-
ticipated in the Men's Doubles Tourna-
ment sponsored by the Trenton Lawn
Bowling Club on Saturday afternoon
and evening. Alfred Livingstone and
Walter Elliott, skip, won all three
games played and secured the third
prize for three-game winners. Joe Fel-
lon and F. R. Mallory made up the
second duo.

St. Andrew's Social Successful Event

The ladies of St. Andrew's Pres-
byterian Church staged a successful
strawberry festival on the church
lawn on Tuesday evening. Despite
the cool weather a goodly number at-
tended. Stirling Citizens' Band fur-
nished music throughout the evening.
The ladies in charge are deeply ap-
preciative of the patronage afforded
the event and are to be congratulated
upon the success attending their ef-
forts.

Lawn Social At St. Mark's

On Friday evening of last week St.
Mark's Church, Bonarlaw, lawn social
was held on the Rectory lawn, which
was prettily decorated for the occasion
and strings of electric lights made the
grounds a perfect setting for a garden
party.

Excellent music was provided all
evening by the Stirling Citizens' Band,
under the direction of Maurice Bell.
The refreshment booth, whose main at-
traction was ice cream sundaes and
soft drinks did a flourishing business
and the fish pond, home-made candy
booth, hot-dog stand etc. had no
complaints. The weather was ideal
and the throng seemed to have the
holiday spirit.

The social was sponsored by the
Woman's Auxiliary but all of the
families of the congregation assisted
with the baking. Free lunches were
distributed to everyone.

Death Claims Thos. W. Donohoe

Following an illness of six months'
duration, Thomas William Donohoe
died in Belleville Hospital on Tuesday,
in his 68th year.

The late Mr. Donohoe was born in
Sidney Township, a son of the late
John Donohoe and his wife the late
Easter Wager. In his younger days he
taught school near Bancroft and for
many years was engaged in farming
at River Valley, just south of this vil-
lage. He was president of the Sham-
rock Cheese Company for a consid-
erable time and was held in high re-
gard by a wide circle of friends who
mourn his passing. Nine months ago
he moved to Belleville to reside. In
religion he was a member of St. Paul's
United Church.

Surviving him are one sister, Mrs.
William Hanna, and one brother, John
L. Donohoe, both of River Valley.

Resting at the home of his brother,
John L. Donohoe, River Valley, from
where the funeral will take place at
2 p.m. on Friday to St. Paul's United
Church for service at 2:30 p.m.

Mr. and Mrs. C. A. Wells "Chaired"

Pupils and Staff of Stirling
Public School Made Presen-
tation On Thursday Last

An event of interest took place at
the local public school on Thursday
afternoon last when Principal C. A.
Wells and Mrs. Wells were honoured
by members of the staff and pupils.
Mr. Wells, who has been principal for
fifteen years, has resigned to accept
a position as teacher of general shop
work for the Centre Hastings High
School Area. Mrs. Wells has acted
as supply teacher for Mr. Wells during
the periods he was occupied teaching
shop in the local High School.

An address was read by John Ander-
son and Ronnie Woodbeck made the
presentation of an occasional chair to
Mr. and Mrs. Wells, both of whom
voiced their regrets at severing their
connection with Stirling public school
and their thanks and appreciation for
a lovely gift.

Following is the address:

Dear Mr. and Mrs. Wells:
We, the teachers and pupils of Stirling
Public School, learn with deep re-
gret of your resignation.

In the fifteen years you have been
with us, your leadership has been the
guarantee of the continued high stand-
ing of our school. Both you, Sir, and
Mrs. Wells have left a permanent and
most valuable contribution to Stirling
Public School.

It is not often that both a Principal
and his wife share in the difficult task
of teaching and leading. We want you
to know that those who have worked
and studied under your leadership
have appreciated the association. We
regret that the proposed new school,
for which you have worked long and
faithfully, will not know your leader-
ship in study and sport.

There goes with you in your new
work the most sincere good wishes for
your continued success and happiness
from both teachers and pupils of this
school.

As some small token of our esteem
for you both, and of our good wishes
for your future, we ask you to accept
this gift.

Legion Won And Lost

Stirling Legionnaires broke even in
their softball games during the past
week, losing to Madoc and winning
over Marmora.

On Friday night Madoc were the
visitors at the local Recreational
Centre and downed the Legionnaires
22-10. The locals were leading 10 to
8 going into the eighth, when the bal-
loon went up and before it was over
the visitors put across twelve runs.
They added two more in the ninth.

On Monday night in Marmora Stirling
triumphed by a score of 18 to 4 to
maintain their position as league
leaders.

Mount Pleasant-Rawdon Celebrates 25th Anniversary of Church Union

Mount Pleasant United Church was filled to capacity on Wednesday afternoon, June 14th when approximately 165 ladies gathered from nearby points to join in a special W.M.S. rally to celebrate 25 years of union.

Lovely ferns, baskets of white snowballs, and red peonies enhanced the beauty of the newly decorated church. Mrs. Herbert Smith, and Mrs. Raymond McConnell were in charge of the

flower arrangement, and the Memorial baptismal font dedicated a few years ago, was filled with yellow roses in silent tribute to a charter member, life member and honorary president, Mrs. Allan Bailey, who passed into higher service in May.

Guests Welcomed
Mrs. Frank Smith and Mrs. Blake Sharpe welcomed the guests from River Valley W.M.S.; Hoard's W.M.S.;

Stirling W.M.S. and W.A.; Wellman's W.M.S. and W.A.; Salem W.A.; Bethel W.A. and Springbrook W.A.

It was regretted that four members were absent through illness, Mrs. Geo. Weaver, Mrs. John Mulhron, Mrs. Milford Wrightman and Mrs. John Hay.

The afternoon service opened with soft music played by the pianist, Mrs. John Holmes. Mrs. Roy Thrasher, President, took charge of the service and welcomed the guests. She reminded her audience that they should begin a further advance toward 50 years of union.

Mrs. Percy MacMullen read the May minutes. Four life members and 15 annual members were in attendance.

Mrs. Kenneth Weaver, in her financial statement, reported \$91.53 givings for the first five months.

On July 5th, one week earlier than usual, Mount Pleasant W.M.S. will entertain mothers, members of Mission Band and Baby Band, and Mrs. W. B. May, of Belleville, will be guest speaker.

The offering was gathered by Mrs. Burton Sharp, Mrs. Frank Spencer, Jr., Mrs. H. Smith and Mrs. R. McConnell and Mrs. Ross Hoard dedicated it to Missions. The silver collection amounted to over \$30.00 and there was also the members envelopes.

Mrs. Thrasher used for her worship service the outline in "The Missionary Monthly" with the rendition of "The Church's One Foundation" to Bible Lesson in John 17, the watchword, "The World for Christ."

Presidents Decorated
At this point, lovely badges trimmed in silver with the years of service made by Mrs. Ross Jeffs and her committee were pinned on each lady present who had served as President during the 25 years. It was regretted that Mrs. George Weaver was absent through illness and all mourned the recent passing of Mrs. F. G. Joblin, of Port Perry, as Mrs. Joblin had made her plans to be in attendance at this special rally.

Letter of greeting was read from Mrs. T. F. Townsend, of Deseronto, and Mrs. Wilbert Jeffs, of Beaverton, sent regrets.

The Presidents in attendance were Mrs. John Holmes, Mrs. Ross Hoard, Mrs. Thomas McKeown, who now resides in Springbrook; Mrs. Arthur Phillips, Mrs. Percy MacMullen and Mrs. Roy Thrasher.

Resume of 25 Years
Mrs. Percy MacMullen then gave a resume of the history of Mount Pleasant

Woman's Missionary Society which was organized in 1901 by Mrs. Levi Massey with ten members. Mrs. James Williams served as President for the first ten years and on her 78th birthday, she was presented with a flowering rose. Mrs. Williams died in 1939, and 20 members sat in a body at her funeral and a special memorial service was held the month following her death.

Only one lady of the first group survives, Mrs. James Hokeywell, Castleton, formerly Miss Phronia MacDonald, of Pump Street, Mount Pleasant. At the 45th anniversary she sent a special poem and Bible verses to be read as he was unable to be in attendance.

The other four Presidents up till union were Mrs. Allan Bailey and Mrs. John Reid, with five years each; Mrs. Thomas McKeown two years and Mrs. Holmes one year.

Mrs. John Reid was able to attend this special rally and many old friends greeted her.

In 1912 a Mission Circle was organized with Mrs. Robert Pounder as leader for six years.

Mrs. George Weaver has been a member of Mount Pleasant Auxiliary for 48 years and Mrs. John Holmes since 1918.

Mrs. Frank Jeffs made herself a life member in 1920. Mrs. Ross Hoard, Mrs. Arthur Phillips and Mrs. Percy MacMullen have been members all of the 25 years.

Mrs. Allan Bailey had been a continuous member since 1901 until her death a few weeks ago.

All through the years bales have been packed for Coe Hill, Indian Missions, Hearst Hospital, numerous parcels have been sent to the Presbyterian Supply Secretary with dozens of new quilts, layettes, etc.

Mount Pleasant-Rawdon

In June 1924, Mount Pleasant, Rawdon Mission Band was organized and during the 26 years the children have had several leaders which included six years leadership by Miss Edna Thrasher, now Mrs. Milton Shaw, of Ivanhoe; and seven years by Mrs. Cyrus Summers.

At the 14th annual meeting of Belleville Presbyterian, the first certificate of award was given Mount Pleasant and they have won all certificates and stars since 1938.

Each year Board members sell Christmas cards and in 1949 Mrs. John Mulhron held 14 meetings and remitted to Presbyterian over \$50.00.

Mrs. MacMullen read a memorial poem in tribute to three ladies who have passed into higher service: Mrs. Frank Williams, a charter member who died in 1947; Mrs. Allen Bailey and Mrs. F. G. Joblin, who died in 1950.

Mrs. John Holmes has the unique honor of being last President before Union and the first after Union and also 1948-49.

The officers for 1925 were read and three are deceased, Mrs. F. Joblin, Mrs. Arthur McAdam and Mrs. Will Hubble. All others were present for the 25th celebration: Mrs. John Holmes, Mrs. Frank Jeffs, Mrs. Frank Spencer, Mrs. Thomas McKeown, Mrs. John Reid and Mrs. Edgar McKeown.

Mrs. Frank Spencer, who with her husband recently celebrated their diamond wedding anniversary; also met many old friends at this gathering.

Yearly Activities
The main items for each year of history were:

1925 — Mrs. John Holmes, President. May. Last District Methodist Convention held at Mount Pleasant. December. Open meeting.

1926-28 — Three years, Mrs. George Weaver, President. March. Sacred concert. Mrs. Weaver attended first Presbyterian at Napanee and first branch meeting at Trenton in 1926, and the "Retirement Fund" was instituted at Dominion Bond.

April 1947 — Dr. Fraser Smith, speaker at an Indian supper at the church.

May 1947 — Mrs. Percy MacMullen was appointed Press Secretary of Mount Pleasant W. M. S. and has continued to fulfill the duties of that office throughout the years.

A sacred concert at Thanksgiving and that fall a donation for Dr. Storey's work in South America.

February 1928 — A social evening at the home of Mrs. Weaver for "Flower Fund."

May 1928 — Open meeting at church with guests from Stirling and Wellmans. Mrs. Percy MacMullen, Presbyterian Press Secretary attended her first branch meeting at Lindsay and gave a special report that afternoon. Many other reports of Presbyterials, Conference Branch meetings and School for Leaders down through the years.

August — Miss Bernice Ketcheson, of Belleville, a Missionary who had to escape at the time of the riot, gave the address.

1926 — Mrs. Ross Hoard, President. In February Mrs. Frank Williams gave out special Temperance Cards and Mrs. John Reid was appointed to

St. Paul's-Carmel Silver Jubilee Year Briefs

(By Rev. A. E. Baker, U.E.)

The vacation months often test the loyalty of the followers of Jesus. Our members are challenged to make July and August their best attendance months in the year.

The Farmer's Creed, "I believe that soil which God made is our greatest natural resource; that the proper conservation of its fertility, and the maintenance of a good home upon it are my most import social services as a farmer."

"I believe that the work upon the soil is a co-operation with the Creator in a complete yet ever continued creation; that it is the oldest, most useful, honourable, and enjoyable employment of man; and that when undertaken in the right spirit it calls forth the best that is in him."

"I believe that better farming should mean better living; that its most valuable product is the character it develops in the farmer; and that its greatest rewards are the satisfaction it gives."

Miss Janet and Master Charles Reynolds will interpret Mendelssohn's "Sabbath Morning" in a beautiful duet arrangement next Sunday at St. Paul's.

The focal point in the Eastern Star service last Sunday was a symbolic star made of carnations in the respective color points of the order. This year Mesdames Elliott, Patterson and Duffin are Star Officers of Belleville Chapter. They donated and were responsible for this beautiful symbolic star.

The pedestal vases were attractive with pink peonies from the garden of Mrs. Nina Morton while white and red peonies from the gardens of Mrs. J. H. Beatty. A deep red rose, also from "Hillsholme" was on the pulpit.

The Responsive Lesson was read by Worthy Patron Bran Humphreys, of Minerva Chapter and the Second Lesson by Worthy Patron Robert Orne, of Belleville Chapter.

Handel's "How Beautiful Are The Feet," was creditably sung by boy soprano Tommy Wells. Tommy has been accepted for membership in the "Music Makers Club" sponsored by Dr. F. J. Horwood, of the Royal Conservatory of Music, Toronto.

Treasurer, Cecil E. Macklin of the Missionary and Maintenance Fund has received to date for the M.&M. Fund at St. Paul's \$762.73, this includes envelopes returned to date for the special appeal, for the Manitoba Relief Fund from St. Paul's, \$61.00.

L.O.L. No. 110 and L.O.B.A. No. 655, of Stirling will parade for divine service to St. Paul's Church Sunday, July 2nd at 11.00 a.m. All protestants should muster for this service. Non Protestants will also be cordially welcomed.

The city of Regina, Sask., was represented by summer visitors at Carmel and St. Paul's last Sunday.

Mrs. Sadie McAlpine Brown, widow of Evangelist Rev. John E. Brown, ex-policeman of New York City, who has thrilled thousands in tours across Canada and Newfoundland as well as the United States will sing at St. Paul's on Sunday, July 16th.

Mrs. Maurice Bell is in charge of the making of the costumes for the Gypsy Rover production. Upwards of seventy sets will be required including men's highly colored "satins" of the period of George III.

The Stewards of St. Paul's have authorized the purchase of music copies of the Messiah for the choir. Rehearsals on the "Hallelujah Chorus" will begin in September.

The Stewards of St. Paul's have also authorized the outside property committee to have the church exterior painted. Mr. Guy Bradshaw is Chairman of this committee.

The Stewards of St. Paul's have further authorized the inside property committee (Dr. Wm. Cornett) to take steps to secure the installation of an oil burner for the church.

These expenditures will total several hundred dollars. It would be appreciated if the friends and supporters of St. Paul's would give generously for these necessary improvements.

In many churches vacationers are making up and turning in their weekly contribution envelopes in advance. Every envelope returned with a gift in each pocket is the aim of the

church.

There are a few boxes of envelopes still available for those who will be good enough to use them for the balance of the year. Please see Mr. Bateman.

St. Paul's Attracts Many Visitors

More and yet more visitors are attending Sunday services in the Bethlehem-like village of Stirling. The quiet of this beautiful community with its loyalist background and law abiding citizens is causing many to turn aside to observe the day of rest and worship in some one of our attractive churches.

During the months of May and June the following names appear on the guest register of St. Paul's United Church. Many more were in attendance who failed to register. Mr. W. L. Fox is the visitors secretary.

Past Grand's Club

The Past Grand's Club held their regular meeting at the home of Sister Edith Utman, with Sister Florence Maines, co-hostess.

The meeting opened by singing the "Maple Leaf," and repeating the Lord's Prayer in unison. Roll Call was answered by 14 members and 2 visitors. Four members paid birth-day fees. Get well cards were sent to Sister Mary Jane Spry and Sister Twiddy, of Belleville. Delegates were appointed to attend a District meeting in Tweed on June 27th.

The programme consisted of a solo by Sister Marion Heath; piano music by Sister Mildred Morrow; reading by Sisters Edith Bradshaw and Laura Shortt; puzzle by Sister Edith Bradshaw and a contest by Sister M. Megginson. Sisters Ethel Duffin, Evelyn Bailey, Marion Heath and Edith Bailey told of some of the highlights of Grand Lodge.

The next meeting is to be held at the home of Sister Marion Heath, with Sister Evelyn Bailey co-hostess, on July 19th, programme committee to be sisters Duffin and Maines. The meeting closed with the National Anthem. Sisters Utman and Maines then served a delicious lunch of sandwiches, salads, strawberries and cake.

Sister Edith Bradshaw moved a hearty vote of thanks to the co-hostesses for their hospitality and lovely lunch.

Marmora Masons At St. Mark's

On Sunday evening the officers and brethren of Marmora Masonic Lodge No. 222 attended divine service at St. Mark's Church, Bonarlaw, where the Rector, Rural Dean J. M. Brownlie, who is also Junior Warden of the Lodge, delivered an interesting and instructive sermon. His theme was "King Solomon's Prayer."

The choir was assisted by several members of Marmora Anglican Church choir.

Mr. S. Ackerman, Toronto, says:

"Frankly, I didn't believe there was much difference in gasolines until I tried NEW Blue Sunoco. After its extra power and smoothness, I'd never go back to ordinary gasoline."

Mr. J. N. Prout, Hamilton, says:

"I've used Sunoco gasoline for two years, but since the introduction of NEW Blue Sunoco, I'm even better satisfied with its extra smoothness, power and long mileage."

Mr. Paul E. Alix, Montreal, says:

"NEW Blue Sunoco gives me smoother driving than ordinary gasoline, as well as faster acceleration and more miles to the gallon. Sunoco service is fast and courteous, too."

Mr. H. E. Gledhill, Toronto, says:

"I like to drive in comfort. With NEW Blue Sunoco I get a smooth ride, no jumpy acceleration, plenty of knockless power. That's what counts with me."

River Valley W.I. News

Mrs. Percy MacMullen received a letter Monday, June 26th from Mrs. Mollie Mallard, of Abbot's Leigh, Bristol W.I., written June 20th. She says in part: "At last our garden looks like a garden instead of a neglected piece of waste land. We have planted climbers and shrubs and hope to have a lovely show of flowers next year."

"On July 17th Abbot's Leigh Institute are visiting Dennon College, near Oxford. We leave on tour at 7.30 a.m., and will return home about 11.30 p.m. I have booked dinner and a fish tea and we hope to have an enjoyable day. On July 29th we are having our annual Garden Fete. We will sell produce and flowers, all kinds of needlework, arranged in stalls. There will be games, slide shows and a variety of attractions. We reserved four pounds of your very acceptable sugar for this day and the rest of the cube sugar we weighed into half pound parcels, then we drew names out of a hat to see who would be lucky enough to receive it."

"At our July regular meeting we are having a canning demonstration and if accommodation is available we hope to buy a canning machine. It would be grand to be able to can our vegetables and fruit. This year the fruit will have to be canned in water because of the sugar shortage but we always (since 1939) have bottled our fruit in water so it won't be any different. "Give my kind regards to all River Valley members and thank them very very much for the sugar. I have written an official letter of thanks to Mrs. Utman. This is a lovely Old Country and I love it, but I also wish it were more progressive like Canada."

Entered Into Rest
MRS. MARY JANE HOARD
A life-long resident of the district, Mrs. Mary Jane Hoard, widow of Wallace W. Hoard, died at the home of her son, Mr. Charles W. Hoard, at Hoard's Station, on Saturday evening after an illness of three weeks' duration. Born in the Oak Hills, south of Stirling, the late Mrs. Hoard was in her 88th year and was a daughter of the late John McCutcheon and his wife, the late Elizabeth Denike. For the past sixty years she resided at Hoard's Station and was a member of St. Stephens United Church. When age and health permitted she took part in the activities of the Women's Missionary Society and the Women's Association.

Surviving her are one son, Charles W. Hoard, Hoard's Station; seven grandchildren and six great grandchildren. A daughter, Mrs. Douglas Hart, Woodstock, Ont., died four years ago. Her husband died 19 years ago. The funeral was held at the home of her son Charles W. Hoard, Hoard's Station, on Tuesday afternoon. Interment in Mt. Pleasant Cemetery.

CHARLES NOBES
Charles Nobes 13th Congession of Rawdon Township near Bonarlaw who died instantly at Madoc on Wednesday as the result of injuries sustained in a motor car accident, was in his 52nd year, and was born in Marmora Township, his parents being Mrs. Anne Nobes and the late Thomas Nobes.

For the past twenty years he resided near Bonarlaw and was engaged in farming. He was a member of St. Mark's Anglican Church at Bonarlaw. During the First Great War he enlisted with the 155th Battalion. His sudden death has brought much regret to many friends.

Surviving him are his wife, the former Theda Bateman; his mother; three sisters, Mrs. Sarah McMillan, of Norwood; Mrs. Ross Carman, of Marmora Township, and Mrs. Smith Fraser, of Bonarlaw; one brother, James Nobes, died three years ago.

The funeral was held from the home of his sister, Mrs. Smith Fraser, at Bonarlaw, on Friday afternoon to St. Mark's Anglican Church for service conducted by Rural Dean Rev. J. M. Brownlie.

At the home and church a guard of honor was formed by comrades of the 155th Battalion of which he was a member.

The pallbearers were members of his battalion and full military honors were carried out at the cemetery where the Reveille and Last Post were sounded.

Wellman's Women's Institute

Mrs. Lewis Pauley entertained the Wellman's Women's Institute on Wednesday, June 21st, for their regular monthly meeting. Twenty ladies were in attendance. The President, Mrs. C. Chumbe, opened the meeting with the singing of the Ode and the Lord's Prayer. The Roll Call was answered by a "apron parade," and many ladies modelled their favourite apron. A special topic based on "Home Economics," prepared by Mrs. William Matthews, was read by Miss Lela Linn. Mrs. Thrasher displaying a bouquet of wild daisies read a poem entitled "Daisies," and everyone joined in the old familiar song "Sweet Bunch of Daisies." Miss Johnston gave a humorous reading, "The Blue Dress," which told of a lady carrying through a rigid diet to reduce to wear size 34, thinking to please her husband only to find how much he admired plump healthy looking women. It also showed the harm to health through too strict dieting to reduce weight. Other readings were given by Mrs. Douglas Clancy, "The Old Cookie Jar," Mrs. Sharpe, "Home and Outdoors," and Miss Doris Dunham, "Give Your Best," and Miss Leona Hinds, "Don't Quit."

A round of community singing led by Mrs. Lorne Watson and a solo with guitar accompaniment by Mrs. Fred Beckett brought the programme part to a close.

Mrs. Clifford Clancy thanked the Institute members for the gift presented to her on June 10th when Mr. and Mrs. Clancy celebrated their twenty-fifth wedding anniversary. A letter of thanks was read from Mrs. Lindsay Pollock thanking the members for cards and calls during her stay in the Belleville Hospital.

During the business period a motion was passed to send ten dollars to the Manitoba Relief Fund. Mrs. Chas. Dunham and Mrs. George Watson reported the sessions of the Annual Dis-

Marsh Hill School Wins Softball Trophy For Second Year

Marsh Hill Public School Softball team remained champions of the Sidney Township School Area by defeating Belcrest School Monday night in a hard-hitting game by a score of 19 to 9. Both teams were guilty of several errors but several sparkling plays were made including two double plays. This was the third game of the final series, Belcrest having won at home by a score of 21 to 11; and Marsh Hill having won their home game by 15 to 14. The third and deciding game was played at Frankford. Each team was well supported by rooters who had plenty of opportunity to cheer the good plays made. Heavy hitter for Marsh Hill was Lorne Maxwell who got on base safely six out of six and scored five runs. Sharon Maxwell, the only girl on either team drew two walks and scored three runs besides playing a good game at third base. Bruce Bedell, the Belcrest catcher with 4 safeties out of five times at bat led the Belcrest scorers with three runs. Carman Nobes pitched a good game for Belcrest but his support was shaky at times.

Hello Homemakers! For sure results, the quickest way to make excellent jelly or jam of small fruit is the pectin method. Using either commercial liquid or crystal pectin is easy. In fact, jelly making is now so easy, it's a temptation to slight the few easy-but-right rules.

TAKE A TIP

1. Select good to look at, ready to eat fruit and prepare exactly as directed in the recipe accompanying the package.
2. Scrub, scald and drain jelly jars and tin lids.
3. When a recipe states simmering time, bring mixture to boil, reduce heat, cover and turn heat to simmer or lowest you can. A quart of fruit will simmer on a closed element turned to Off position for 10 minutes, covered.
4. To drain off the juice, spread a square (about 1 yard) of Canton flannel over a colander in a pan and pour in the prepared fruit. Bring corners of cloth together and twist gently. Press the bag with potato masher.
5. If there is a slight shortage of juice, mix a little water with the pulp in the cotton bag and squeeze again.
6. Be sure to measure accurately. Use the same 2-cup measuring cup for both sugar and fruit or juice.
7. Use a large, deep saucepan as the sweetened juice comes to a full, rolling boil. This is a tumbling boil that cannot be stirred down but boiling period is short. Use wooden spoon to keep fruit from scorching on bottom of kettle.
8. After pectin is added, skim off any scum with metal spoon.
9. Fill jelly jars to within 1/2 inch of top and apply a thin film of melted wax. When jelly is cold, pour on a little more wax. Leave lids off if there is any danger of pressing wax on jelly or jam as this causes seepage and then spoilage.
10. Label all jam and jellies and store in a cool, dry place.

REQUESTED RECIPES

- Rhubarb Jelly**
2 1/2 cups prepared juice
3 1/2 cups granulated sugar
1 box pectin crystals (2 1/2 ozs.)
1. Wash and trim about 2 lbs. fresh rhubarb. Put through a food chopper and place in jelly cloth and squeeze out juice. Add 2 drops red colouring.
 2. Measure out sugar.
 3. Measure juice into a large kettle and place over high heat. Add pectin crystals and stir constantly. Add sugar and bring to a full, rolling boil. Then time fast boil 1/2 minute by the clock. Remove from the heat immediately, skim and pour into jelly glasses. Cover with paraffin label and store.
- Red Currant Jelly**
6 cups prepared juice
6 1/2 cups white sugar
1 box pectin crystals
1. Crush 3 quarts washed, ripe red currants. Add 1 1/2 cups water, bring to simmer, cover, cook 10 minutes. Place in jelly cloth and squeeze out juice.
 2. Measure out sugar.
 3. Measure out juice and bring quickly to full rolling boil. Add sugar as

liquid heats and stirring continues. Boil fast for 1/2 minute. Remove from heat; skim and bottle. Cover with thin layer of paraffin, then a thicker layer when cold. Makes about 12 small glasses.

Sweet Cherry Jam

- 3 1/2 cups prepared fruit
4 cups white sugar
1 box pectin crystals
1. Pit about 3 lbs. washed, fully-ripe cherries. Chop fine, or put through a food chopper.
 2. Measure sugar into bowl to be used later.
 3. Use same measuring cup to measure fruit into 6-quart kettle. (May add water to make up a small fraction of cup of fruit.)
 4. Add pectin crystals to fruit and bring to boil.
 5. Stir in sugar and use wooden spoon to keep mixture from sticking to pan. Bring to a full rolling boil and time period for 1 minute by the clock. Remove from heat.
 6. Skim with a metal spoon and ladle out into scalded glasses to within 1/2 inch of top. Makes about 7 glasses. Seal with thin film of melted wax, then thicker layer of wax when cold.

THE QUESTION BOX

Mrs. T. R. asks: Do you remove skin from rhubarb when making Rhubarb-Strawberry jam?

Answer: No. Leave skin on rhubarb.

Mrs. C. M. asks: Can you substitute molasses for sugar to make black currant jam?

Answer: No. The molasses flavour "overpowers" the fruit.

Newspaper Business Seen Through Eyes of A Staffer

By Wesley Hicks

In the Toronto Telegram
It is very seldom that a newspaperman will discuss his feelings about his craft. I think it is principally because a newspaperman never sits down to analyse his feelings toward his work. He just knows he likes it and he can't imagine working at anything else.

But, on Saturday night, the profession or craft of journalism in Canada began to take on a definite form of maturity. On Saturday night, in the Tudor Room at the Royal York Hotel, about 150 newspapermen and women gathered to see six of their members from all over Canada rewarded for distinguished work during 1949, and four others cited for meritorious work.

The dinner in the Tudor Room was the first public manifestation of the National Newspaper Awards, which were sponsored by the Toronto Men's Press Club. The awards were made in six categories, for spot news writing, for feature writing, for editorial writing, for correspondence, for cartooning and for the best picture taken in 1949. The winners each received a cheque for \$400 and those cited for merit received engraved silver cigar-

ette boxes.

Before Their Peers

It was good to sit and watch newspapermen and women take their pats on the back before the people who really matter to them and they are the people who work in the same business.

But it was even better to sit and sense the feeling that was in the room. For I think that, as the evening wore on, the men and women in the Tudor Room began to realize that they were witnessing a ceremony of greater significance than the presentation of awards to ten of their most able workmen.

I think they began to realize that their profession was growing up and that the National Newspaper Awards was marking its coming age. It was like watching a boy thrust his legs into his first pair of long pants.

For a long time now, the Hollywood version of the newspaperman has been extinct. The newspaperman with the mickey of cheap liquor in his desk drawer and the hat on the back of his head is becoming as rare as knee britches and buckled shoes.

A New Breed

In his place there has been growing up another breed of men and women. They are quieter and, on the whole, have better educational backgrounds. They have all the old enthusiasm for newspaper work and they are building soundly and staying with the profession, for they are being paid better and the opportunities are growing. Newspapers are better for having them, and newspaper readers are benefiting from their work.

They will make mistakes. We all do and we all will. But no one does it deliberately. Mistakes are made in the newspapers but men and women working under pressure as they do in newspaper work, can be excused. And often the mistakes are caught before the next edition is on the street. Can't Hide Errors

But a newspaperman makes his mistakes openly. He broadcasts them to every reader of his paper and they live, for the print cannot be erased. He can hide behind no professional screen. If his mistakes are honest, he will have the rather derisive sympathy of his fellows and the backing of his editors. If his mistakes are dishonest, he is not tolerated, for though he may square himself with his publisher, he never squares himself with the men whom he works with and against.

I am not saying that all newspapermen are reasonable, intelligent, far-minded, honest, and as impartial as judges. But I do say that there are an increasing number of them trying harder to instill those traits and attributes into their profession.

The many should not be judged by the few who stray. The legal profession has its shysters and the medical profession has its quacks. Yet the tremendous majority of the solid men in those professions are not besmirched by their dishonest fellows.

I am a sentimentalist. Yet it embarrasses me to become sentimental about my work. I know how I feel about it and that's good enough for me.

But when you see the profession you have chosen maturing and taking the bows it has long deserved, you can be excused for being a bit sentimental. And I do think the National Newspaper Awards are going to improve the breed.

Bank of Montreal First Drive-In Branch

The first drive-in office of a Canadian chartered bank opened for business in Vancouver on June 26th. A branch of the Bank of Montreal, designed to serve our highly mobile age, the new bank provides speedy, efficient service for motorists at its outdoor drive-in wicket, a car parking lot, and even an indoor parking space for baby's pram.

Motorists intending to cash a cheque

or make a deposit at the B of M's drive-in wicket, enter a driveway at the rear of the Bank, conduct their business without leaving their cars and continue on out. The bullet-proof glass wicket is equipped with an intercommunication system to make conversation between teller and customer easier, and a buzzer to summon the teller if she happens to be away.

No More Baby Sitters

The bank's second special feature is its indoor parking space for baby carriages. The carriages are easily wheeled in through the front door, and can be left in safety while the lady of the house does her banking.

Modern in appearance, both inside and out, the new branch is equipped with all the latest banking facilities, including fire and burglar-proof vaults and a large safety deposit section. The large plate-glass windows on three sides, soft pastel color scheme, flush-ceiling lighting and sloping bronze tellers' screens give the whole office a clean, functional look.

The opening of this ultra-modern branch is another example of the B of M's close connection with the expansion of the West. From the first, the bank placed its resources to a marked degree behind the building of the first trans-continental railway by the Canadian Pacific. This achievement, perhaps more than any other factor, was responsible for the opening up of the West, and for welding the provinces, with bonds of steel, into one united country.

NEWS FOR THE BUSY FARMER

LARGER LIST OF ENTRIES FOR INTERNATIONAL PLOWING MATCH

Prospects of a phenomenal entry list in this year's International Plowing Match, have made it necessary to restrict competitors, Roy Shaver, of Finch, President of the Ontario Plowmen's Association announces.

Only plowmen who have won a prize at a local or county match at some time, will be eligible in the event, Mr. Shaver discloses. It may be necessary in future years, to have been a winner at a county match immediately preceding the International event.

The decision to restrict entries in this way was reached at a meeting of the prize-list committee the other day. It was stipulated that the restrictions apply only to Ontario plowmen, however. The match is open to the world. Any competitor outside of the province is eligible to enter.

Mr. Shaver explains that the chief aim of the match is to raise standards of plowing. This, along with an unprecedented entry list, has made the change necessary, he explained. County and local plowing matches are planned for all parts of the province and those who have not yet won a prize and who are desirous of competing in the big international event next October, are urged to enter their local match. Local competitions open in September.

This year's International Plowing Match, which will be staged on the beautiful Nottawasaga Valley Plantations in Simcoe County, has every indication of outclassing any previous event. It opens on October 10th and continues until October 13th. Scene of the event is just three miles south of Highway 89 near Alliston. Its location is in Tecumseh Township.

Opening day — Tuesday, October 10th — will be open to the counties of Simcoe, Ontario and York. Total prize money of nearly \$1,800 will be offered and Mr. Shaver says that "as some of Ontario's best plowmen come from these counties, competition should be keen and well up to international standards even on the first day."

It has been decided that competitors from Simcoe, York, Ontario, Peel, Halton, Wellington, Dufferin and Grey Counties must provide their own tractors or teams for plowing. The local committee will provide tractors and teams for those residing outside these counties, at a nominal fee of \$5.00. Application for tractors and teams must be made on or before October 1st for the big match.

A valuable prize-list is being arranged for the various events. Total prize money will exceed \$14,000, the President says.

The Nottawasaga Plantations, scene of the match this year, offers an abun-

dance of room and spectators are assured that not only will they be able to enjoy a worthwhile outing, meet hundreds of friends and witness the great farm machinery spectacle, but they will also be able to watch actual plowing competitions without walking a long distance from the exhibits.

Plan of the match is being arranged so that machinery and implement display in the "Tented City" will be quite close to the actual scene of competition.

Mt. Pleasant Celebrates 25th Anniversary of Union (Continued from Page Two)

offerings in connection with the regular church services were held and the late Rev. J. E. Beckel gave several fine missionary addresses. Also Mrs. E. K. Hubble, Sidney, gave an address. The Auxiliary and Mission Band also had a part on Easter Sunday when the thank offering was received.

Mount Pleasant W.M.S. attended Wellmans 50th anniversary in 1838 and Mrs. Allan Bailey gave a paper on "Early Beginnings."

During those seven years the society were guests of several organizations which included a special anniversary at West Huntingdon Presbyterian W. M.S.

In 1937 the Society sent in a resolution strongly protesting against Sunday midnight frolics at summer resorts.

During those seven years innumerable quiltings were held and we sponsored several plays which included "Cyclone Sally," from Salem. In November 1838, Miss Luella Rorke, and April 1940, Miss Mabel Clazie, each brought messages from Japan.

In 1939 Mrs. Kenneth Weaver was appointed Treasurer which office she has held ever since.

Birthday Parties
In 1936 a series of birthday parties began for the older ladies who had reached the 85th anniversary of their birth. On August 4th, the first lady to be so honoured was Mrs. Reuben Hoard, with a dinner at church, programme, birthday cake, quilting and gift.

December 6th, 1938 — Mrs. Sarah McKeown was honoured at the home of Mrs. Edgar McKeown.

January 25th, 1939 — Mrs. James Summers at the home of her daughter, Mrs. Roy Thrasher.

Owing to ill health, a committee visited Mrs. Frank Potts who was 85 and Mrs. Peter Sharp who was 81. Each was presented with a gift. The age limit was then reduced to 80 years. In June, 1940, Mrs. Andrew Hay, at her home. And in November, 1942, Mrs. Frank Williams at the home of her daughter, Mrs. Herb David.

The entertaining for those seven years were: June, 1938, several auxiliaries with Mrs. H. B. Herrington, of Thomasburg, and Mrs. W. S. Gordon, of Tweed, as guest speakers. June, 1939, meeting at church. Miss Elsie Hunt told of her work at Battle River Hospital. June, 1940, "At Home" on spacious lawn of Mrs. Percy Hubble. 125 guests in attendance with Mrs. Cecil Macklin as guest speaker.

June 1941 — Fortieth Anniversary at the church. An "In Memoriam Service" was held for 22 deceased members. Mrs. Percy MacMullen gave the history of the years.

Baby Band Organized
January 1942, Mount Pleasant-Rawdon Baby Band was organized with Miss Eileen MacMullen (now Mrs. Sid Demorest) as the leader and Mrs. Cyrus Summers and the President, as assistants. Mrs. Demorest and her mother looked after the Baby Band for six years. In 1949 Mrs. Herbert Smith was leader and two more life members were added to the list. Any baby contributing \$1.00 in any one year becomes a life member.

Mrs. John Holmes gave her home for a party for Mrs. J. E. Beckel in June.

January 1943 to June 1946 — Three and one-half years with Mrs. T. F. Townsend.

In April a Memorial Fund to Battle River Hospital in memory of Mrs. M. E. Knox, of Picton, was instituted. May. Discontinued W.M.S. quiltings in favor of Red Cross work.

June. Attended St. Paul's Stirling, Golden Anniversary.

In October, a birthday party for Mrs. Frank Spencer was held at her home and in November Miss Ida MacKenzie was guest speaker at an open meeting. March 8th, 1944 — Mrs. Helliwell, of Stirling, spoke on China and on April

12th, visited River Valley Study Group.

1945 — The theme was "Advance all along the line," and "prepare for Silver Jubilee in 1950," and five years seemed a long time in the future. Society visited West Huntingdon United and sent a memorial fund for Mrs. F. L. Hooper, of Napanee.

May, 1945 — Sponsored sixtieth wedding anniversary for Mr. and Mrs. Allan Bailey in lieu of Mrs. Bailey's 80th birthday. Discontinued having farewell parties for members who moved away.

October was the big event when society entertained the Sectional Rally. April 1946 — Birthday party for Mrs. John Johnson was given.

May 9th, 1946 — Visited Eggleton on their anniversary and Mrs. MacMullen was guest speaker.

At June meeting at home of Mrs. Frank Smith, an address of appreciation was read to Mrs. T. F. Townsend before her departure to Deseronto. The first Vice President, Mrs. Percy MacMullen, finished 1946 and in Oct. the Society visited West Huntingdon Presbyterian W.M.S.

November 20th, 1946 — The 45th anniversary was held in church hall with guests from Wellmans, Bethel, Hoards, Eggleton, West Huntingdon United and West Huntingdon Presbyterian societies; also 30 former members were in attendance. Mr. Kenneth Stewart, Pastor at West Huntingdon, was guest speaker.

1947 — Mrs. Bert Jeffs.

May — attended St. Paul's silver tea. Ot the Dunkley sale, dinner was served in church hall and lunch in the afternoon, and this money has been used for expenses each year since. November a quilting was held at the hall. December, a special Christmas service.

1948-1949 — Mrs. J. Holmes, President.

May, 1948 — A Mother's Day programme at home of Mrs. Gordon Linn. June, newcomers from Holland were given a quilt. July, birthday party for Mrs. Allan Bailey. Visited Bethel in June, Springbrook in September, Hoards in October and Carmel in December.

In 1942, 12 meetings held, average attendance 15 out of a membership of 24. 65 adult visitors attended regular meetings during the year. Mrs. Will Potts presented Stewardship. Visited St. Paul's in May, Springbrook in September and Salem in November. In August a playlet "Gifts For Europe," was sponsored by the vice-president.

Mrs. Clarence Chard, River Valley, gave a paper in November on Peace and Friendship. Two bales were shipped for Overseas Relief, valued at \$100.44 by the Supply Secretary, Mrs. Ross Hoard.

\$226.69 Remitted To Presbyterial
In 1949 the Treasurer remitted to Presbyterial \$226.69 an average of \$9.44 each. With the help of the Mission Band and Baby Band the allocation of \$250.00 was exceeded by \$46.00. 1950 — Mrs. Roy Thrasher, President.

April 20th, birthday party for Mrs. Fred Jeffs. June 7th, quilted two quilts for Manitoba Flood Relief.

The Auxiliary is studying "Growing With The Years."

Dominion Board has asked that 1950 be termed Publicity Year and that the press be used wherever and whenever possible.

June 14th, 1950, brings this history of the auxiliary up to date and Mount Pleasant Woman's Auxiliary are looking forward to their 50th anniversary in June 1951 when the church will be 80 years old.

Programme Given

Mrs. George Watson and Mrs. Lorne Watson, of Wellmans, sang "Follow Me," with Mrs. Malcolm Sharpe as accompanist. Mrs. Don Donohoe, representing River Valley, gave a reading entitled "Your Mission."

Mrs. Cecil Macklin and Mrs. Russell Stapley with Mrs. N. E. Eggleton as accompanist, represented Stirling, and sang "Come Holy Spirit."

Mrs. H. Beare, with Mrs. John McKeown as accompanist, from Springbrook, and the former rendered "Trust and Obey."

Rev. H. C. Vachlavik, Pastor of Rawdon Circuit, paid tribute to W.M.S. women and spoke briefly on church union. He outlined the work from the frontiers, lumber camps, city areas, etc., and said "Canada needs Jesus Christ and the task is to grow in Grace and go forward."

Mrs. Murney Johnson, of Salem read "The Mountain Crest."

Mrs. A. E. Baker represented Carmel and dedicated her solo, "Alleluiah," to future 25 years.

Mrs. J. Rainnie, of Hoards, gave a lovely poem, "What Have We Done Today?" Mrs. Harold Elliott, Bethel, sang, "Life Has So Many Lovely Things," with Mrs. Baker as accompanist.

The President thanked each one for their contribution to the success of the afternoon and the service closed with "Lead On, O King Eternal." Light refreshments were served and

a social half hour enjoyed.

Mrs. Walter Elliott, of Stirling, voiced thanks to Mount Pleasant W.M.S. for hospitality.

Accidents May Jump 50 Per Cent On The Week-end

Why are motorists always in such a hurry to get from the front of one traffic jam to the tail end of the next one?

A good answer to this would help to save countless lives and limbs (not to mention fenders and radiators), especially on holiday week-ends, say Department of Highways officials. They point out that very heavy traffic actually slows drivers down, making accidents less severe; while at the same time it generates impatient attitudes that can cause real tragedies whenever gaps in traffic allow for bursts of faster, less careful driving.

From Saturday, July 1st, to Tuesday, July 4th, highway hazards will be greatly increased for two reasons, officials say. With July 1st Canada's 83rd birthday, this first public holiday of summer will see Canadians of all ages on the road in huge numbers. From U.S.A. tens of thousands of visitors celebrating their own nation's birthday, July 4th, will add to the teeming volume of traffic.

Far too many holidayers are likely to make headlines in next week's newspapers — as accident victims. The Department of Highways warns that last July, on the same four-day week-end, motorists were involved in 543 accidents in Ontario, killing 11 people and injuring hundreds more. Per day, this averaged 136 accidents, or nearly 1½ times as many as the normal daily average in June or July last year. The Department's records show that nearly one-third of the traffic offences contributing to fatal accidents are shown as "speed too fast for road or traffic conditions."

Much Activity Among The Local Bowlers

Activities at the local bowling green are greater than ever this year, even though the evenings have been rather cool. However, there will be colder evenings before Christmas so let us enjoy this temperate weather while it is here. There is still lots of room for new bowlers. Many new bowlers have joined the Club this year and are enjoying the game to the "fullest measure."

On Monday evening a jitney was held and almost a full turn out was registered. The games were keen and the winners were not declared until a play-off had been carried out. Alf Livingstone was the ultimate winner in the men's section and Mrs. Bob Cook carried off the honours for the ladies (There's that name "Bob" again). W. T. Elliott was the winner of the lucky prize. At the conclusion a dainty lunch was served.

Wednesday was the day of the first district tournament of the year in Stirling. Bowlers were present from Peterborough, Havelock, Campbellford, Belleville, Trenton and Brighton. Competition was keen in the Triples Tournament. A list of the prize winners is published in this issue of the News-Argus. The evening meal was furnished by the Ladies' Club and elicited many kind remarks for the visitors. Stirling Club has always been recognized as the banner club of the district when it comes to putting on a meal, and this one was no exception. Heartiest congratulations, ladies!

Some years ago Bob (that name again) Patterson donated a challenge trophy for competition in Doubles games within the Club. Any two members comprise a doubles rink. This year the trophy is up again for Doubles competition, but with this difference. Each rink is to be composed of an "old" bowler and one "new" bowler. Any member of the club who has not bowled more than four years is classified as a new bowler. The doubles rinks may be composed of two males or two females, or one of each, providing that one is in the "new" class. Entrance or rink fee is ten cents per player. So get your partners and see just how good you are. The games are of sixteen ends. It'll be a lot of fun.

Presentation Made To Teachers By Wide-A-Wake Class

The June meeting of the Wide-A-Wake Class of Wellman's Sunday School was held at the home of Miss Delia Johnston with a good attendance. After the call to worship and the singing of a hymn, Rev. Vaclavik led in prayer. James Rainnie read the Scripture Lesson and the Roll Call was answered by information regarding a given Bible character.

There was considerable discussion regarding (1) Summer camp, (2) the purchase of flower stands, (3) the play money, but no very definite decision was reached.

The topic for the evening was taken by Mrs. Douglas Clancy. There were readings by Hazel Pauley, Mrs. Lorne Watson and Ruth Clancy. Mrs. Burton Morton then read a farewell message to our teachers, Misses Joan Hoard and Lois Weaver and presented each with a book of poems by Edna Jaques. Both girls made appropriate replies. A contest was staged by Leona Hinds.

A very lovely lunch was served by the hostess and an enjoyable evening was thus brought to a close.

Entered Into Rest

JOHN CHESTER SILLS

Following an illness of lengthy duration, John Chester Sills, a native of Huntingdon Township and prominent in the life of the community died at his home late Monday evening. Mr. Sills was a veteran of the First World War and took an active interest in veterans' affairs after the cessation of hostilities in 1919.

When war was declared in 1914, the late Mr. Sills was the first man to sign for service in the township and after the Armistice was signed served in the Army of Occupation in Germany, and was the last man from his township to return home. After his discharge he attended a course under the Soldiers' Re-Establishment department and then was employed by the Abitibi Power Company at Iroquois Falls. This position he held for 10 years, when the call of the Sills' home-land became too great and he returned to farming in Huntingdon in 1931, an occupation he had followed until his death.

Active in Public Life

Since returning home the late Mr. Sills has been very active in public life. He served four years as a councillor for the township and resigned that position on account of ill-health. He served for one year in an advisory capacity under the Veterans' Land Act, when the office was in Campbellford. He also served as county representative on the agriculture committee during the years of the Second World War.

The late Mr. Sills was a past president of the Hastings Crop Improvement Association and a past director of the Hastings County Hog Producers. At the time of his death he was president of the Hastings County Cream Producers' Association, vice-president of the Central Ontario Ayrshire Breeders' Club and County Director of the Federation of Agriculture.

Born in Huntingdon

John Chester Sills was born at West Huntingdon, 60 years ago, being the son of the late Harford Sills and Eliza Anne Lanigan.

He was a member of St. Andrew's Presbyterian Church at West Huntingdon and a member of the Board of Managers. Fraternally he was a member of Stirling Lodge, No. 69, A.F. & A.M., Stirling, L.O.L. No. 300, West Huntingdon, and a Past Preceptor of the Royal Black Preceptory.

Surviving are his wife, the former Edith J. Lindsay, of Embro, Ont., two sons, Russell Harford and Gordon Lindsay, both at home; one brother, Milton Sills, of Iroquois Falls, and three sisters, Mrs. A. (Mabel) Sexsmith, of Selby, Mrs. W. (Anne) Smith, of Niagara Falls and Mrs. F. C. (Helen) Prentice, of Fenwick, Ont.

The funeral took place from his late residence this (Thursday) afternoon to West Huntingdon United Church for service at 2:30 p.m. Rev. W. H. V. Walker of St. Andrew's Presbyterian Church, conducted the service.

Members of Stirling Lodge, No. 69, A.F. & A.M., attended in a body and performed the last rites of the Order at the graveside.

Interment in Stirling Cemetery.

Thursday morning after a lengthy illness.

Born in Rawdon Township, the late Mr. Hubble was in his 89th year and was a son of Mr. and Mrs. Reuben Hubble. For some years he lived in Frankford and for the past 35 years he resided in Trenton.

He was twice married, his first wife, Ellen Sine, died 30 years ago, and surviving him are his second wife, the former Charlotte Parnell; two sons, Arthur, of Frankford, and Joseph, of Toronto; one daughter, Mrs. Lillie Rodgers, of Frankford, all by the first marriage; also nine grandchildren and thirteen great grandchildren.

Let's Have The News

Vacation season is here, and it brings a steady stream of visitors to the community, while scores of local residents are holidaying at other points from time to time.

Every one of these visitors is a news item of interest to at least some of our readers and we are very anxious to receive these items. Send them in, or bring them in, phone them in, or if you live in the country, let your district correspondent know. We do not wish to miss these "comings and goings", but if someone doesn't tell us, how are we to know? May we count on your cooperation?

Friends Shower Bride-To-Be

Miss Wanda Reid, popular Ivanhoe bride-to-be, was honored with a kitchen shower at the home of Mrs. Earl McMaster on Thursday afternoon.

The rooms were prettily decorated with yellow roses, orange blossoms, pansies and baskets of peonies.

The bride-to-be, her mother, Mrs. Sidmer Reid, and grandmothers, Mrs. George Reid and Mrs. Albert Clements, were each presented with a dainty corset.

The afternoon was spent making a bride's book, and each girl wrote some timely advice on marriage in an autograph book.

The highlight of the party was the presentation made by Eleanor Reid
